been published in Germany the United States and elsewhere since this book was originally issued The author however was faced with the choice of reprinting the original text with only the most necessary alterations such as updating the captions to indicate present locations of the paintings or the preparation of a revised text and bibliography Desirable as a revision appeared present printing costs would have priced the paperback out of reach for students It is for this reason that I decided to reissue the original text which stands on its own as a primary investigation of German Expressionist Painting *German Expressionist Painting* ,1957 **Franz Marc, Zeichnungen, Aquarelle** Ernst Penzoldt,1948 **Franz Marc, Zeichnungen - Aquarelle** E.
