

Franz Schubert

**Heinrich von Kreissle**

## Franz Schubert:

*Franz Schubert* Elizabeth Norman McKay, 1996 In his short tumultuous life Franz Schubert 1797 1828 produced an astonishing amount of music Symphonies chamber music opera church music and songs more than 600 of them poured forth in profusion His Trout Quintet his Unfinished Symphony the last three piano sonatas and above all his song cycles Die Schöne Müllerin and Winterreise have come to be universally regarded as belonging to the very greatest works of music Who was the man who composed this amazing succession of masterpieces so many of which were either entirely ignored or regarded as failures during his lifetime In this new biography Elizabeth McKay paints a vivid portrait of Schubert and his world She explores his family background his education and musical upbringing his friendships and his brushes and flirtations with the repressive authorities of Church and State She discusses his experience of the arts literature and theater and his relations with the professional and amateur musical world of his day She traces the way Schubert's manic depression became an increasingly significant influence in his life responsible at least in part for social inadequacies professional ineptitude and idiosyncrasies in his music And she examines Schubert's decline after he contracted syphilis looking at its effect on his music and emotional life

**The Life of Franz Schubert** Heinrich von Kreissle, 1869 *Franz Schubert and His World* Christopher H. Gibbs, Morten Solvik, 2014-11-11 The life times and music of Franz Schubert During his short lifetime Franz Schubert 1797 1828 contributed to a wide variety of musical genres from intimate songs and dances to ambitious chamber pieces symphonies and operas The essays and translated documents in *Franz Schubert and His World* examine his compositions and ties to the Viennese cultural context revealing surprising and overlooked aspects of his music Contributors explore Schubert's youthful participation in the Nonsense Society his circle of friends and changing views about the composer during his life and in the century after his death New insights are offered about the connections between Schubert's music and the popular theater of the day his strategies for circumventing censorship the musical and narrative relationships linking his song settings of poems by Gotthard Ludwig Kosegarten and musical tributes he composed to commemorate the death of Beethoven just twenty months before his own The book also includes translations of excerpts from a literary journal produced by Schubert's classmates and of Franz Liszt's essay on the opera *Alfonso und Estrella* In addition to the editors the contributors are Leon Botstein Lisa Feurzeig John Gingerich Kristina Muxfeldt and Rita Steblin *Franz Schubert* Leo Black, 2005 The old stereotypes of Schubert as Bohemian artist and unselfconscious creator have been replaced over the past half century with a picture of a difficult man in difficult times In this acclaimed book Leo Black aims to redress the balance *Franz Schubert, Man and Composer* Cecil Whitaker-Wilson, 1928 [The Life of Franz Schubert](#) Heinrich Kreissle von Hellborn, 2014-10-02 The 1869 English translation of the first full length biography of the celebrated composer incorporating reminiscences of his contemporaries [Franz Schubert and the Essence of Melody](#) Hans Gál, 1974 Although this is no strict biography all the details of Schubert's tragically curtailed life are here but the author's main concern is with

the character of the composer and of his music For Schubert song was Alpha and Omega and he poured forth an inexhaustible stream of rapt melody The profusion of melodic ideas is such that one gladly excuses his initial unwillingness to master instrumental and indeed symphonic and contrapuntal style The author examines Schubert's relation to his contemporaries particularly Beethoven and lays stress on his creation of the lied and on his exclusively Viennese background We are given insights into his method of work everything was composed in great haste and we see how he tackled the manifold problems of setting verse and begin to sense the reasons which drove him to explore extreme tonal relationships and the symbolic potential of major and minor keys The author pinpoints weaknesses in technique and approach and examines the risks that seemed to be inherent in Schubert's character He finds the large number of unfinished works significant Schubert sometimes gave up too easily new inspirations burst upon him so frequently that they crowded out time which might have been spent refining or wrestling with yesterday's ideas Shy and modest he also failed to push his own works when completed In addition intense melancholy underlay a serene exterior his words and letters failed to reveal to his friends depths of grief and profundity of thought which emerge only in his music often side by side with passages of radiant sunshine

**Franz Schubert** Thomas Tapper, 2020-03-16 In *Franz Schubert* Thomas Tapper masterfully explores the complex life and artistic genius of one of classical music's most celebrated composers This work is a compelling blend of biographical narrative and musical analysis delving into Schubert's prolific output from his lieder to his symphonic compositions Tapper employs a lyrical prose style that mirrors the emotional depth of Schubert's music drawing parallels between the composer's tumultuous personal experiences and the richness of his musical legacy The book situates Schubert within the broader context of the early Romantic era illuminating the influences of his contemporaries while highlighting his unique contributions to Western art music Thomas Tapper an esteemed musicologist and educator dedicated much of his life to studying the intricacies of music history His profound appreciation for Schubert's work is evident in this book which arises from a broader fascination with how personal struggles can shape artistic expression Tapper's background steeped in both performance and scholarship allows him to present a nuanced perspective on Schubert enriching readers' understanding of the composer's inner world and the cultural landscape of 19th century Vienna This book is an essential read for music lovers and scholars alike offering an insightful examination of Schubert's contributions while shedding light on the emotional experiences that fueled his creativity Tapper's engaging narrative style invites readers to not only learn about the composer but also to appreciate the music itself making *Franz Schubert* a valuable addition to the library of anyone interested in the interplay between life and art

**The Life of Franz Schubert** George Lowell Austin, 1873 **Franz Schubert's Music in Performance** David Montgomery, 2003 In *Franz Schubert's Music in Performance* David Montgomery challenges many operative myths about the music of this great but often misunderstood Viennese master Chief among them is the lingering notion that Schubert was poorly trained but still managed to turn out brilliant if often flawed scores Modern adherents of this

view believe that Schubert could not notate his own musical wishes accurately and that he was principally a creature of intuition Accordingly musicians might allow themselves wide intuitive leeway in the interpretation of his music Another myth challenged by Montgomery is that Schubert was a conservative or perhaps even a chronological throwback Opposing recent attempts to legitimize performer generated embellishment of Schubert s music in the style of the eighteenth century He clarifies Schubert s contributions to the radical intellectualism of nineteenth century romanticism The book offers six informative chapters ranging from aesthetics and acoustics to the specifics of tempo and expression plus an appendix of pertinent Viennese pedagogical sources In addition to many years of musicological research Montgomery brings long experience as a concertizing pianist and conductor to this engaging and controversial work **The Life and Times of**

**Franz Peter Schubert** John Bankston,2004-09 Born just a few years after Mozart died Franz Schubert had a lot in common with the famous composer Schubert was also a gifted child who astonished adults with his musical ability As a teen Schubert was taught by one of Mozart s rivals And like Mozart Schubert s life ended prematurely and was filled with struggle Still while Mozart was celebrated across Europe Schubert was almost completely unknown until just a few years before his death The challenges of Schubert s life inspired his art music which is today performed across the world Schubert s life his challenges and his compositions are all reasons he is considered one of the greatest composers *Franz Schubert: A*

*Biography* Henry Frost,2019-02-01 Clarity of outline conciseness and formal beauty are excellent things in musical works but an exquisite fancy a noble imagination and a lofty poetic spirit are of infinitely greater account and no one ever possessed these inestimable gifts in richer profusion than Franz Schubert This new edition of Henry Frost s 1892 biography of Franz Schubert has been edited and revised The original references to pieces by Opus number have been replaced with the more commonly used D numbers Many illustrations of places and people have been added throughout the text and a complete catalog of Schubert s works has been included With faith man steps forth into the world Faith is far ahead of understanding and knowledge for to understand anything I must first of all believe something Faith is the higher basis on which weak understanding rears its first columns of proof reason is nothing but faith analysed Franz Schubert *Franz Schubert and*

*His Merry Friends* Opal Wheeler,Sybil Deucher,2008-01-01 As a boy Franz surprised his teachers with the beautiful music he himself composed Includes excerpts from his music arranged for the piano Grades 4 5 **Franz Schubert** Karl Kobald,1928

**Franz Schubert - The Man And His Circle** Newman Flower,2013-04-26 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Franz Schubert** Franz

Schubert,Marianne Kuranda,Arthur Hannes,Sonia Essin,1959 *Schubert* Henry Frederic Frost,2024-02-25 Reprint of the original first published in 1881 **Schubert's Reputation from His Time to Ours** Geoffrey Block,2024-12-30 The

composer Franz Schubert 1797 1828 was not bereft of early advocates from Schumann Liszt and Mahler to Sir George Grove

Brahms famously heralded Schubert as the true successor to Beethoven Nevertheless it was not until the end of the twentieth century that Schubert s major instrumental works finally and fully emerged from Beethoven s shadow Critics and scholars began to reinterpret Schubert s departures from Beethoven s formal and stylistic characteristics and to see these departures not as flaws but as strengths and hallmarks of a new paradigm Schubert s alternate constructions of masculine subjectivities first described by Schumann in 1838 parallel a developing appreciation for lyricism melody and song traits historically regarded as feminine Consequently Schubert s approach is increasingly viewed as innovative and divergent rather than defective and deviant Schubert s Reputation from His Time to Ours tells the story of how and why this has happened *Our Little Mushroom* Emily Arnold McCully,2022-08-16 Although it was not always easy for musician Franz Schubert to practice his music he was supported immensely by his friends who believed in his talent and wanted the world to hear his work **The Life of Franz Schubert** Heinrich von Kreissle,1972

The Top Books of the Year Franz Schubert The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Franz Schubert : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Franz Schubert : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Franz Schubert : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Franz Schubert eBooks, including some popular titles.

## FAQs About Franz Schubert Books

**What is a Franz Schubert PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Franz Schubert PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Franz Schubert PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Franz Schubert PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in

different formats. **How do I password-protect a Franz Schubert PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
