Perspectives on Elmore Leonard Andrew J. Rausch,2022-05-09 American crime novelist Elmore Leonard 1925 2013 has a voice that is original and immediately recognizable This collection of original interviews with fellow authors filmmakers collaborators and critics covers all things Leonard from analyses of characterization and dialogue in his writing to his many screen adaptations What makes Leonard s work more cinematic than that of other talented contemporaries is his deceptively

simplistic method of description that still manages to paint a vivid picture in the reader's mind.
