John Michael Montias,1967 Study of achievements in economic development in Romania under the communist regime covers industrialization agricultural production agrarian reform foreign trade economic integration with other CMEA countries etc and includes statistical tables in respect of the national income consumption industrial production of the petroleum industry etc Bibliography pp 307 to 310 **The Socialist Republic of Rumania** Stephen Fischer-Galati,2019-12-01 Originally published in 1969 Rumania faced the problem shared by other independently minded communist states in the era of the Soviet bloc of pursuing independent policies in foreign and intra bloc relations and in its domestic affairs without provoking the Soviet Union to a military reaction The efforts of the Rumanian leadership in this direction were aided by the fact that there was no politically relevant pro Moscow elite that could take over if Ceausescu and his followers were deposed by force Writing his study during the communist period Professor Fischer Galati concludes that the future of Rumanian integration into the communist party state system hinges on the resolution of differences with the Soviet Union and that no meaningful reconciliation appears likely while the present Rumanian and Russian elites remain in power The author believes however that the Rumanians will continue to pursue their independent course one that could stimulate greater popular support and participation in the country s affairs although it may not lead to a realization of Ceausescu s social nationalist goals Economic Developments in Countries of Eastern Europe United States.
