Economic Development Regional Cooperat:

21st Century Cooperation Antoni Esteveadeordal, Louis Goodman, 2017-05-18 This edited volume explains the importance of regional public goods RPGs for sustainable development and shows why they are particularly important in the context of 21st century international relations By presenting a new and original data set and by presenting original essays by renowned scholars this book lays the foundation for what will become an increasingly important focus for both economic development and international relations as well as for their intersection The volume contains four parts The first introduces the core issues and concepts that are explored throughout the book as well as a new and original data set on RPGs The second part further develops specific concepts important for understanding 21st century RPGs regional leadership alliances networks and outcomes The third examines how cooperation takes place worldwide for a range of important RPGs Finally the fourth part discusses how public goods are produced in specific regions stressing that each region has a distinct context and that these contexts overlap in a decentered multiplex manner Global economic cooperation will be different in the 21st century and this volume will be of interest to students and scholars of global governance economic development international political economy sustainable development and comparative regionalism *Regional Integration and Economic Development* N. Saavedra-Rivano, A. Hosono, B. Stallings, 2001-09-06 Regional integration seems to be thriving everywhere as the examples of the Association of South East Asian Nations ASEAN the North Atlantic Free Trade Area NAFTA and the Southern Common Market will illustrate More ambitious schemes such as Asian Pacific Economic Cooperation APEC and those for Western hemispheric integration are also underway How do these trends for integration relate to national development strategies The contributors to this volume provide new insights into these developments as well as assessing the prospects for further integration *Voluntary regional cooperation and economic development*, **Regional Cooperation and Integration** Asian Development Bank, 2013-03-01 Over the past 2 decades the Asian Development Bank ADB and its developing member countries have worked together to promote regional cooperation and integration RCI Evolving economic conditions continually pose new challenges to RCI efforts In March 2012 about 160 representatives from Asia and the Pacific met to share their RCI experiences and discuss strategies for deepening RCI in the region This summary of the conference features the discussions and presentations including information on major RCI programs It aims to improve understanding of RCI and help guide future strategies within the region **BCIM Economic Cooperation** Gurudas Das, C. Joshua Thomas, 2018-09-03 This book examines the strategic and economic logic behind the Bangladesh China India Myanmar BCIM Regional Cooperation According to estimates BCIM covers approximately 9 percent of the world's mass and 40 percent of the world's population spanning across four countries constituting the confluence of East Southeast and South Asia It contributes about 13 percent to world trade but ironically only 5 percent to inter regional trade This volume compares the various approaches to cooperation trade led vs project led geo political vs geo strategic Sino centric vs India led The chapters explore the

complex interplay of geo economics and geo politics associated with BCIM sub regional cooperation in general and the BCIM Economic Corridor BCIM EC in particular It points to the current challenges that impede globalisation and economic growth and critically reviews implications for the stakeholders institutional frameworks and the spatial impact of the Corridor especially on the underdeveloped regions The book discusses the geo political geo economic and geo strategic advantages that will accrue to the member countries once the sub regional cooperation becomes fully functional It advocates the adoption of best practices from similar sub regional groupings across the globe This book will be of great interest to scholars and researchers of politics and international relations geo politics strategic studies sub regional cooperation South Asian studies India China relations foreign trade and economics besides those dealing with foreign policy and development cooperation It will especially benefit policymakers development agencies and strategic think tanks Regional Integration and Economic Development in South Asia Sultan Hafeez Rahman, Sridhar Khatri, Hans-Peter Brunner, 2012-04-01 South Asian leaders have made it a priority to tackle key regional issues such as poverty environment degradation trade and investment barriers and food insecurity among others **Collaborative Regional Development in Northeast Asia** Won Bae Kim, Yue-man Yeung, Sang-Chuel Choe, 2011-07-18 Against the background of accelerating globalization and growing economic interdependence in Northeast Asia over the past two decades including the recent global economic crisis this book sets out to examine the status and prospect of cross border cooperation It has synthesized diverse strands of discussion and different country perspectives to highlight the challenges and opportunities of collaborative regional development in Northeast Asia Distinct from previous studies this book attempts to capture international national and local viewpoints in regional development Practical experience across countries has been analyzed and consolidated to form the basis of a policy agenda for cross border cooperation Combining an intimate knowledge of the region and different disciplinary perspectives this book offers a wealth of information statistical and illustrative materials and analyses across topics and countries of the region Editors include Won Bae Kim Research Advisor of the Gyeonggi Research Institute and former Senior Fellow at the Korean Research Institute for Human Settlements Yue man Yeung Emeritus Professor of Geography and Honorary Fellow of The Chinese University of Hong Kong and Sang Chuel Choe former Chairman of the Presidential Committee on Regional Development in South Korea and Professor Emeritus of Seoul National University The Belt and Road: Industrial and Spatial Coordinated Development Wei Liu, Hui Zhang, 2022-09-13 This book mainly addresses China's Belt and Road Initiative in terms of the connectivity industrial and spatial development as well as current world's economic and trade pattern under such synergy development and focuses on the function and mechanism of industry and geography coordination Although current research on the value circulation between China and developed economies is relatively adequate the book focuses on the value circulation between the countries and regions especially the developing economies China and other developing countries tie strongly with the production value circulation The coordination industrial and spatial development in the global

value cycle is also the cornerstone of long term stabilization and sustainable development in China Therefore this book provides the theoretical and empirical research on Belt and Road from the perspectives on industrial and spatial synergy This book proposes several questions Any inherent inlay between industrial and geographic allocation i e is there any possibility for close integration This book analyzes the necessity of coordinated development of industry and space perspective of production division Secondly from the perspective of historical evolution and current situation it analyzes the relationship among industry economic growth and fluctuation and compares realizing paths of synergy of industrial and spatial development It contains the industry and spatial diffusion mechanism and the effect of synergy development Moreover the corresponding policy implication is provided for sustainable development through the Belt and Road Initiative

Understanding the Chinese Economies Rongxing Guo,2012-08-29 China s economic growth has been more robust in some regions than others In a country as large as China examinations of regional differences can provide a viable way to learn about the economy as a whole Rongxing Guo provides a systematic introduction to the economies of China by describing their external and internal drivers and by placing them within geopolitical and even socio cultural boundaries His pairings of case studies and empirical techniques reveal a rich deep appreciation of the growth process and of interactions between key factors This book delves more deeply into issues surrounding the economy than other books offering a unique and important perspective that many will find useful Covering history and administrative structures unique economic features some domestic economic issues and international economic engagement it describes an often inaccessible perspective with nuances all students of China will find valuable Introduces China s regional economies often overlooked in US and European texts within larger contexts of social and geopolitical concerns Explains the reform process since 1978 in a comprehensive non technical and accessible manner Features case studies in each chapter

Nuclear Weapons Free Zones Exequiel Lacovsky,2021-03-08 This book explores the conditions under which Nuclear Weapons Free Zones NWFZs can be established It analyzes four hypotheses that explain the factors contributing to the formation of NWFZs building upon realist constructivist and liberal theories from international relations Through structured focused comparison the book presents and compares the emergence of NWFZs in Latin America the South Pacific Southeast Asia Africa Central Asia and the Middle East which is a prospect for a NWFZ The book argues that NWFZ projects depend on the following conditions the security

interest of regional states in avoiding nuclear threats preexisting regional institutions and regional economic cooperation leadership by a core of regional powers and shared interest in spreading non proliferation norms Democracy is not a necessary condition but democratization can help overcome barriers presented by hesitant or opposed regional governments As too many of the mentioned necessary conditions are lacking in the Middle East a NWFZ project thus will be possible only after major political changes This book will be of much interest to students of nuclear proliferation arms control security studies and International Relations *Pacific Region Interdependencies* ,1981
