Sawyer, 2012-04-05 A detailed and informed analysis of the current crisis facing the eurozone examining the root causes and exploring the possible outcomes and uncertain future of the European Union and its currency Chapters include case studies of Portugal Ireland Spain and Greece as well as broader comparative perspectives

Global Economic Institutions Willem Molle, 2003-08-28 This book critically examines global economic institutions It presents an accessible fluid history of globalization and explains how global public goods should be defined and how global economic institutions work It also looks at the effect that major organizations including the WTO IMF and UNEP have on areas such as finance the environment

Fiscal and Debt Policies for the Future P. Arestis, M. Sawyer, 2014-04-30 This book offers detailed analysis and informed comment on the future of emerging economic policies It is essential reading for all postgraduates and scholars looking for expert discussion and debate on the issues surrounding economic policy

[The Limits of Stabilization](#) William Easterly, Luis Servén, 2003-10-01 Over the 1980s and 1990s most Latin American countries witnessed a retrenchment of the public sector away from infrastructure provision and an opening up of infrastructure activities to the private sector This book analyzes the consequences of these policy changes from two perspectives First it reviews in a comparative framework the major trends in infrastructure provision in Latin America over the last two decades Second it evaluates the implication of these trends for economic growth and public

deficits in the region The book shows that in most countries private participation did not fully offset the public sector retreat The result was a slowdown in infrastructure accumulation which entailed a significant growth cost and weakened the intended impact of the infrastructure spending cuts on public sector insolvency *Monetary Union Among Member Countries of the Gulf Cooperation Council* Mr.Ugo Fasano-Filho,Ms.Andrea Schaechter,2003-08-29 The six member countries of the Gulf Cooperation Council GCC Bahrain Kuwait Oman Qatar Saudi Arabia and the United Arab Emirates have made important progress toward economic and financial integration with the aim of establishing an economic and monetary union This paper provides a detailed analysis of the economic performance and policies of the GCC countries during 1990 2002 Drawing on the lessons from the experience of selected currency and monetary unions in Africa Europe and the Caribbean it assesses the potential costs and benefits of a common currency for GCC countries and also reviews the options for implementing a monetary union among these countries **OECD Economic Surveys: Czech Republic 2010**
