

Economics and Its Discontents

By Benjamin M. Friedman*

Abstract

In contrast to its historical origins as a part of moral philosophy, and subsequent evolution as “political economy”, economics in recent decades has self-defined its scope of inquiry increasingly narrowly. And, as is well known, over time the field has imposed on itself ever more rigorous standards of analytical formalization. Both trends are understandable, but each comes at high cost. Moreover, the formalization requirement is often imposed arbitrarily, excluding some dimensions from the analysis because they are hard to formalize while admitting others without question. As a result, the field has been largely unable to address some of the first-magnitude problems the Western economies now face.

Zusammenfassung

Im Gegensatz zu seinen historischen Ursprüngen zunächst als Teil der Moralphilosophie und dann in ihrer Entwicklung zur „Politischen Ökonomie“ hat die Wirtschaftswissenschaft ihr selbstdefiniertes Erkenntnisfeld zunehmend eingeeengt. Auch hat sie sich, wie allgemein bekannt, immer rigorosere formal-analytische Standards gegeben. Beide Entwicklungen sind nachvollziehbar, aber mit Kosten verbunden. Außerdem werden die formalen Anforderungen häufig willkürlich aufgezwungen, womit einige Analysedimensionen nur deshalb ausgeschlossen werden, weil sie schwer zu formalisieren sind, während andere Dimensionen ohne weiteres Hinterfragen akzeptiert werden. Das Ergebnis ist, dass die Wirtschaftswissenschaften sich als weitgehend unfähig erwiesen haben, einige der drängendsten Probleme westlicher Volkswirtschaften zu adressieren.

JEL Classification: A11, B40, P16

On June 27, 1772, as Scotland was experiencing its worst banking crisis in two generations, David Hume wrote to his friend Adam Smith, who he knew was then writing a major work. After recounting the bank failures, industrial bankruptcies, widespread unemployment, and even “Suspicion” of the sound-

Economics And Its Discontents

Zachary M. Howlett

Economics And Its Discontents:

Globalization and Its Discontents Joseph E Stiglitz, 2002-07-02 This insider's account of global economic policy making will be hailed as much for its courage and honesty as for its depth and insight. Renowned economist and Nobel laureate Joseph E Stiglitz spent seven years in Washington serving as chairman of President Clinton's Council of Economic Advisers and as chief economist for the World Bank. Particularly concerned with the plight of the developing nations, he became increasingly disillusioned as he saw the International Monetary Fund and other major institutions put the interests of Wall Street and the financial community ahead of the poorer nations. Stiglitz had a ringside seat for most of the major economic events of the last decade, including the Asian economic crisis and the transition of the former Soviet economies, as well as the administration of development programs throughout the world. Repeatedly he saw policy makers wedded to outdated economic models and using Washington Consensus doctrines based on them to design policies that had disastrously bad results. He also discovered within the major institutions of globalization a damaging desire for secrecy that exacerbates mistakes at the same time as it inhibits positive change. This book recounts Stiglitz's experiences, opening a window on previously unseen aspects of global economic policy. It is designed to provoke a healthy debate and will succeed in this goal even as it shows us in poignant terms why developing nations feel the economic deck is stacked against them. Book jacket

Economics and Its Discontents Jędrzej Malcho, 2016-01-18 If economists are so smart, why aren't they more wealthy? If economics is a science, why did it fail to predict the global crisis of 2008? If it is not a science, what exactly is it? In the modern world, economics has acquired an almost religious aura with its specific dogmas and zealous acolytes. This book demystifies economic ideas by showing how they were born and how they have developed through the ages. Covering more than two thousand years of history, it untangles the links between economics and areas as diverse as theology, physics, the theater, and war. It describes the dangers of economic fundamentalism and offers a fresh perspective on modern debates on politics and economy in a language that is accessible to readers from all backgrounds. **Economics and Its Discontents** Richard P. F. Holt, Steven Pressman, 1998 This work focuses on the work and lives of 18 of the most influential dissenting economists who have shaped 20th century economics and who continue to make a contribution to the relevancy of economics.

Globalization and Its Discontents Joseph E. Stiglitz, 2003-04-17 This powerful unsettling book gives us a rare glimpse behind the closed doors of global financial institutions by the winner of the 2001 Nobel Prize in Economics. When it was first published, this national bestseller quickly became a touchstone in the globalization debate. Renowned economist and Nobel Prize winner Joseph E Stiglitz had a ringside seat for most of the major economic events of the last decade, including stints as chairman of the Council of Economic Advisers and chief economist at the World Bank. Particularly concerned with the plight of the developing nations, he became increasingly disillusioned as he saw the International Monetary Fund and other major institutions put the interests of Wall Street and the financial community ahead of the poorer nations. Those seeking to

understand why globalization has engendered the hostility of protesters in Seattle and Genoa will find the reasons here While this book includes no simple formula on how to make globalization work Stiglitz provides a reform agenda that will provoke debate for years to come Rarely do we get such an insider s analysis of the major institutions of globalization as in this penetrating book With a new foreword for this paperback edition **Post-Political and its Discontents** Japhy

Wilson,2015-04-29 Our age is celebrated as the triumph of liberal democracy Yet it is also marked by a narrowing of party differences a decline in voter participation a rise in nationalist and religious fundamentalisms and an explosion of popular protests that challenge technocratic governance and the power of markets in the name of democracy itself This book seeks to make sense of this situation by critically engaging with the influential theory of the post political developed by Chantal Mouffe Jacques Ranciere Slavoj Zizek and others Through a multi dimensional and fiercely contested assessment of contemporary depoliticization The Post Political and Its Discontents urges us to confront the closure of our political horizons and to re imagine the possibility of emancipatory change *Meritocracy and Its Discontents* Zachary M. Howlett,2021-04-15

Meritocracy and Its Discontents investigates the wider social political religious and economic dimensions of the Gaokao China s national college entrance exam as well as the complications that arise from its existence Each year some nine million high school seniors in China take the Gaokao which determines college admission and provides a direct but difficult route to an urban lifestyle for China s hundreds of millions of rural residents But with college graduates struggling to find good jobs some are questioning the exam s legitimacy and by extension the fairness of Chinese society Chronicling the experiences of underprivileged youth Zachary M Howlett s research illuminates how people remain captivated by the exam because they regard it as fateful an event both consequential and undetermined He finds that the exam enables people both to rebel against the social hierarchy and to achieve recognition within it In *Meritocracy and Its Discontents* Howlett contends that the Gaokao serves as a pivotal rite of passage in which people strive to personify cultural virtues such as diligence composure filial devotion and divine favor *Globalization and Its Discontents Revisited: Anti-Globalization in the Era of Trump* Joseph

E. Stiglitz,2017-11-28 An International Bestseller Accessible provocative and highly readable Alan Cowell New York Times In this crucial expansion and update of his landmark bestseller renowned economist and Nobel Prize winner Joseph E Stiglitz addresses globalization s new discontents in the United States and Europe Immediately upon publication *Globalization and Its Discontents* became a touchstone in the globalization debate by demonstrating how the International Monetary Fund other major institutions like the World Bank and global trade agreements have often harmed the developing nations they are supposedly helping Yet globalization today continues to be mismanaged and now the harms exemplified by the rampant inequality to which it has contributed have come home to roost in the United States and the rest of the developed world as well reflected in growing political unrest With a new introduction major new chapters on the new discontents the rise of Donald Trump and the new protectionist movement as well as a new afterword on the course of globalization since the book

first appeared Stiglitz's powerful and prescient messages remain essential reading *International Law and its Discontents* Barbara Stark, 2015-04-30 In *Civilization and its Discontents* Sigmund Freud argued that civilization itself is the major source of human unhappiness inhibiting instincts and generating guilt In *Globalization and its Discontents* Joseph Stiglitz shows how the economic architecture that produced globalization has also driven the backlash against it This book brings together some of international law's most outspoken discontents those who situate their malaise in international law itself Their shared objective is to expose international law's complicity in the ongoing economic and financial global crises and to assess its capacity and its will to constructively address them Some like Freud view that which holds us together as an inevitable source of discontent Others like Stiglitz draw on the energy of the backlash How have these crises affected particular groups sovereign states and international law itself How have they responded When does crisis serve as a catalyst and for what

Civility and Its Discontents Christine T. Sistare, 2004 Contributors from philosophy and political science discuss the observation that civility civic virtue tolerance and socio cultural unity have declined while exploring the nature of civil society the conflict between individual liberty and the common good and the role of law and government policy in weaving the threads of the social fabric From publisher description [A New Guide to Post-Keynesian Economics](#) Richard P. F. Holt, Steven Pressman, 2001-08-16 Eichner's classic *A Guide to Post Keynesian Economics* 1978 is still seen as the definitive staging post for those wishing to familiarise themselves with the Post Keynesian School This book brings the story up to date Of all the subgroups within heterodox economics Post Keynesianism has provided the most convincing alternative to mainstream theory *Economic Theory and Policy amidst Global Discontent* Ananya Ghosh Dastidar, Rajeev Malhotra, Vivek Suneja, 2018-02-06 This book rethinks economic theory and calls for a creative and pragmatic approach to policymaking It examines what development and sustenance of economic progress mean and how these may be facilitated The relevance of this issue has received fresh impetus from the significant changes in the degree and pattern of international economic relations that are unfolding across the world posing both opportunities and challenges While globalisation of goods and financial markets may have delivered high growth for some nations the distribution of the benefits has often been highly unequal with gains to owners of capital and skills being disproportionately higher compared to that of labour especially the unskilled Widening and persistent inequalities have been at the heart of rising polarisation and spread of conflicts that threaten the social fabric This work emphasises the relevance of a broad policy framework based on building individual capabilities and in line with a human centric perspective At the same time it points out the crucial need to create policy space for macroeconomic stability and to accommodate heterodox influences especially when conventional wisdom proves inadequate as starkly demonstrated inter alia during the recent global financial crisis This festschrift dedicated to Deepak Nayyar presents chapters on diverse themes that address the persisting global problems of poverty inequality and sustaining development The book will be of great interest to scholars and researchers of economics development studies public policy

and governance and also to policymakers government officials and those in media *The New Palgrave Dictionary of Economics* ,2016-05-18 The award winning The New Palgrave Dictionary of Economics 2nd edition is now available as a dynamic online resource Consisting of over 1 900 articles written by leading figures in the field including Nobel prize winners this is the definitive scholarly reference work for a new generation of economists Regularly updated This product is a subscription based product **The Best of Business Economics** Robert Thomas Crow,2016-04-08 Since its establishment in 1965 Business Economics has been an essential resource for those who use economics in the workplace Its consistent intent has been to distinguish itself from academic journals by focusing on what is useful to practitioners of economics in their everyday work and it has risen to become the leading forum for debating solutions to critical business problems analyzing key business and economic issues and sharing of best practice models tools and hands on techniques In celebration of the journal s anniversary The Best of Business Economics brings together forty of the best articles from half a century of publication those that pushed boundaries challenged conventional wisdom and redefined the way practitioners and academics approached their work Much of the insight afforded in this collection on the uses and limitations of economics are as fresh and useful today as when they were published Featuring award winning articles and the world s premier economists this collection is an essential addition to any economics library **Economics in a Changed Universe** Gerald L. Houseman,2008-05-29 A revolution in economics politics and international affairs has been shaped by the new economics of information For the first time we are able to look at our world through a lens illuminated by a much more precise understanding of how economies work and how individuals groups and corporations react to them All of the disciplines of the social sciences are affected by this development but the greatest impact we can expect will be upon public policy making Joseph E Stiglitz and his fellow Nobel Prize winners have demonstrated with the precision and force of logic reason and mathematics that the folklore of what has been regarded as political economy for the past two hundred and thirty years has misled us with ideological and mystical but useless ideas such as free enterprise and the immutability of market givens Houseman describes and demonstrates the new resonance liveliness and optimism which characterize the economics of information calling upon his own experience with Third World issues and problems He also looks at this new but often ignored economics as a challenge to the existing literature of the social sciences and to the practices and assumptions of policy makers interest groups such as environmentalists labor and multinational corporations think tanks international organizations such as the IMF and World Bank and political activists Effectively arguing that the changed universe of economics requires any of us concerned with world affairs to re think and adjust our assumptions Houseman provides us with the necessary insight to apply this new paradigm to real world problems **Bradford DeLong** Fouad Sabry,2024-02-07 Who is Bradford DeLong James Bradford Brad DeLong is a well known economic historian from the United States Since 1993 he has been assigned the position of professor of economics at the University of California Berkeley How you will benefit I

hobbyists and those who want to go beyond basic knowledge or information for any kind of international economics *Fifty Major Economists* Steven Pressman, 2002-01-08 This book is an ideal reference tool providing brief biographical data on the economists who have shaped the discipline It also includes description and analysis of the major features of their economic thought It provides balanced coverage of all the major traditions and a wide range of economists with more space being devoted to seminal theorists who opened up new horizons for economics This book features lists of the writers works guides to further reading a glossary of economic terms Also available *Fifty Major Philosophers* 0415031354 10 99 *Fifty Key Contemporary Thinkers* 0415074088 Public Finance Fouad Sabry, 2023-12-18 What is Public Finance The study of the function that the government plays in the economy is referred to as public finance It is the subfield of economics that analyzes the revenue for the government and the expenditures for the government of the public authority as well as the modification of either one or the other in order to achieve desirable outcomes and avoid unpleasant ones The scope of public finance is believed to be threefold consisting of the impact that the government has on the following the distribution of income among citizens the effective utilization of available resources and the stability of the economy How you will benefit I Insights and validations about the following topics Chapter 1 Public finance Chapter 2 Economy of Denmark Chapter 3 Tax Chapter 4 Index of economics articles Chapter 5 Fiscal policy Chapter 6 Deficit spending Chapter 7 Government budget balance Chapter 8 Fiscal federalism Chapter 9 Government spending Chapter 10 Michael Boskin Chapter 11 Government budget Chapter 12 Optimal tax Chapter 13 Ministry of Finance Chile Chapter 14 Public economics Chapter 15 Environmental economics Chapter 16 Public budgeting Chapter 17 Theories of taxation Chapter 18 Fiscal sustainability Chapter 19 Benefit principle Chapter 20 Fiscal capacity Chapter 21 Glossary of economics II Answering the public top questions about public finance III Real world examples for the usage of public finance in many fields IV Rich glossary featuring over 1200 terms to unlock a comprehensive understanding of public finance eBook only Who will benefit Professionals undergraduate and graduate students enthusiasts hobbyists and those who want to go beyond basic knowledge or information for any kind of public finance *Infinite Greed* Adrian Johnston, 2024-05-14 Selfishness is essential to capitalism or so both advocates and opponents claim In *Infinite Greed* Adrian Johnston argues that this consensus is mistaken Through a novel synthesis of Marxism and psychoanalysis he reveals how the relentless pursuit of profits is not fundamentally animated by human acquisitiveness Instead capitalism s strange infinite greed demands that individuals sacrifice their pleasures their well being and even themselves to serve inhuman capital Johnston traces the mechanisms that compel capitalist subjects to obey the cold imperative to accumulate in perpetuity and without limits and also without regard for the consequences for everyone and everything else Facing crises such as spiraling wealth inequality and the profit driven prospect of a looming ecological apocalypse the rational self interest of the majority would seem to dictate putting a stop to capitalist accumulation By bringing together the Marxian critique of political economy with psychoanalytic metapsychology Johnston shows why and

how capitalism rather than being responsive to people's rationally selfish interests disregards and overrides them instead. Unlike previous syntheses of Marxism and psychoanalysis, *Infinite Greed* pairs Freudian and Lacanian concepts with the economic heart of Marx's historical materialism. In so doing, Johnston brings to light the complex intertwining of political and libidinal economies, keeping us invested and complicit in perpetuating capitalism and its ills. *The New Economic Diplomacy* Stephen Woolcock, Nicholas Bayne, 2017-11-30. This title was first published in 2003. This text explains how states conduct their external economic relations as the 21st century begins, how they make decisions domestically, how they negotiate internationally, and how these processes interact. It documents the transformation of economic diplomacy in response to the end of the Cold War, the advance of globalisation, and the terrorist attacks of September 2001, and illustrates the growing influence of non-state actors like private business and civil society. The book integrates a full academic and theoretical analysis with the experience of senior practitioners in economic diplomacy and is based on the authors' work in the LSE's graduate programme on The Politics of the World Economy.

Whispering the Strategies of Language: An Mental Journey through **Economics And Its Discontents**

In a digitally-driven earth where screens reign supreme and instant communication drowns out the subtleties of language, the profound strategies and emotional subtleties concealed within words often get unheard. However, set within the pages of **Economics And Its Discontents** a captivating fictional prize pulsing with organic feelings, lies an exceptional journey waiting to be undertaken. Composed by a skilled wordsmith, that charming opus attracts viewers on an introspective trip, softly unraveling the veiled truths and profound affect resonating within the fabric of every word. Within the psychological depths of this poignant evaluation, we can embark upon a genuine exploration of the book is primary themes, dissect their interesting publishing model, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.

Economics And Its Discontents Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Economics And Its Discontents free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Economics And Its Discontents free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Economics And Its Discontents free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Economics And Its Discontents. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Economics And Its Discontents any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Economics And Its Discontents Books

1. Where can I buy Economics And Its Discontents books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Economics And Its Discontents book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Economics And Its Discontents books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Economics And Its Discontents audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Economics And Its Discontents books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
