Eugene F. Brigham, Joel F. Houston, Brigham, 1997-08 *A Theory of Working Capital Mix* A Theory of Working Capital Mix,
The motive of writing an academic book on working capital practices is to explore and uncover a new dimension in this field
By conducting in depth research and analysis the book aims to delve deeper into the subject matter and reveal aspects that
have been underrepresented or not extensively studied in existing literature The goal is to contribute fresh insights
methodologies or approaches related to working capital management thereby advancing the understanding and knowledge in
this domain By presenting this new dimension the book seeks to add value to the academic literature and benefit students
researchers and practitioners in the field of finance and business management Ultimately the aim is to push the boundaries
of knowledge inspire further research and foster more effective working capital practices for businesses and organizations
