George III And The Historians:

George III and the Historians Herbert Butterfield,1959 George III and the Historians - Thirty Years on ,1986

George III Christopher Hibbert,1998 Rather than reaffirm George III s reputation as Mad King George Hibbert portrays him as not only a competent ruler during most of his reign but also as a patron of the arts and sciences as a man of wit and intelligence indeed as a man who greatly enhanced the reputation of the British monarchy until he was finally stricken by a rare hereditary disease George III and his historians ,1957 *George III* Andrew Roberts,2023-05-30 The Times Book of the Year Winner of the Elizabeth Longford Prize for Historical Biography 2022 Winner of the General Society of Colonial Wars Distinguished Book Award 2021 Winner of the History Reclaimed Book of the Year 2022 Shortlisted for the Duff Cooper Prize 2021 Andrew Roberts one of Britain s premier historians overturns the received wisdom on George III George III Britain s longest reigning king has gone down in history as the cruellest tyrant of this age Thomas Paine eighteenth century a sovereign who inflicted more profound and enduring injuries upon this country than any other modern English king W E H Lecky nineteenth century one of England s most disastrous kings J H Plumb twentieth century and as the pompous monarch of the musical Hamilton twenty first century Andrew Roberts s magnificent new biography takes entirely the opposite view It portrays George as intelligent benevolent scrupulously devoted to the constitution of his country and as head of government as well as head of state navigating the turbulence of eighteenth century politics with a strong sense of honour and duty He was a devoted husband and family man a great patron of the arts and sciences keen to advance Britain s agricultural capacity Farmer George and determined that her horizons should be global He could be stubborn and self righteous but he was also brave brushing aside numerous assassination attempts galvanising his ministers and generals at moments of crisis and stoical in the face of his descent five times during his life into a horrifying loss of mind The book gives a detailed revisionist account of the American Revolutionary War persuasively taking apart a significant proportion of the Declaration of Independence which Roberts shows to be largely Jeffersonian propaganda In a later war he describes how George s support for William Pitt was crucial in the battle against Napoleon And he makes a convincing modern diagnosis of George s terrible malady very different to the widely accepted medical view and to popular portrayals Roberts writes the people who knew George III best loved him the most and that far from being a tyrant or incompetent George III was one of our most admirable monarchs The diarist Fanny Burney who spent four years at his court and saw him often wrote A noble sovereign this is and when justice is done to him he will be as such acknowledged In presenting this fresh view of Britain s most misunderstood monarch George III shows one of Britain s premier historians at his sparkling best *The History of the Reign of George III. to the Termination of the Late War; to which is Prefixed, a View of the Progressive Improvement of England, in Prosperity and Strength, to the Accession of His Majesty* Robert Bisset,1803 The Pictorial History of England During the Reign of George the Third Being a History of the People, as Well as a History of the Kingdom by George L. Craik and Charles
