

George Washington An American Icon

Wendy Wick Reaves

George Washington An American Icon:

George Washington Barbara J. Mitnick, William S. Ayres, 1999 It is also an image that has resisted fundamental revision over the course of two centuries because of the force of Washington's character the clarity of his political purposes and the intensity of his charisma **GEORGE WASHINGTON**, 1982 **The Ascent of George Washington** John

Ferling, 2010-05-16 A behind the scenes portrait of the first president reveals his formidable persuasive talents careful display of a virtuous public image and leadership capabilities of particular compatibility with a young America Reprint

Protestant Relics in Early America Jamie L. Brummitt, 2025-02-18 In this book Jamie L. Brummitt upends long held assumptions about religion and material culture in the early United States by recovering the forgotten history and presence of Protestant relics This book will be an essential resource for scholars and students of early American history religion politics art and popular culture **George Washington** Frank E. Grizzard Jr., 2002-05-22 This encyclopedia offers an A Z

retrospective of George Washington's life career and historical significance based in large part on Washington's own words and those of his contemporaries George Washington dominated his era like few other Americans Yet the complexity of the historic events he was involved in and the sheer magnitude of his correspondence the most voluminous in colonial America can be overwhelming for researchers The goal of this volume is to make the larger than life figure of George Washington accessible to modern researchers In its 200 entries readers will discover a detailed and surprising portrait Washington was not a cold aloof and unknowable man but was extremely convivial by nature a general who commanded the Continental army without pay but was a better administrator than military strategist a man of deeds whose appearance was according to one contemporary truly noble and majestic a man known to his contemporaries for his complete honesty **American Icons**

Dennis R. Hall, Susan Grove Hall, 2006-06-30 What do Madonna Ray Charles Mount Rushmore suburbia the banjo and the Ford Mustang have in common Whether we adore ignore or deplore them they all influence our culture and color the way America is perceived by the world In this A to Z collection of essays scholars explore more than one hundred people places and phenomena as they seek to discover what it means to be labeled icon From the Alamo to Muhammad Ali from John Wayne to the zipper the American icons covered in this unique three volume set include subjects from culture law art food religion and science By providing numerous ways for the reader to engage in the process of interpreting these images and artifacts the work serves as a unique resource for students of American history and culture Features 100 illustrations What do Madonna Ray Charles Mount Rushmore suburbia the banjo and the Ford Mustang have in common Whether we adore ignore or deplore them they all influence our culture and color the way America is perceived by the world This A to Z collection of essays explores more than one hundred people places and phenomena that have taken on iconic status in American culture The scholars and writers whose thoughts are gathered in this unique three volume set examine these icons through a diverse array of perspectives and fields of expertise Ranging from the Alamo to Muhammad Ali from John Wayne to

the zipper this selection of American icons represents essential elements of our culture including law art food religion and science Featuring more than 100 illustrations this work will serve as a unique resource for students of American history and culture The interdisciplinary scholars in this work examine what it means when something is labeled as an icon What common features do the people places and things we deem to be iconic share To begin with an icon generates strong responses in people it often stands for a group of values John Wayne it reflects forces of its time it can be reshaped or extended by imitation and it often breaks down barriers between various segments of American culture such as those that exist between white and black America or between high and low art The essays contained in this set examine all these aspects of American icons from a variety of perspectives and through a lively range of rhetoric styles **George**

Washington William Barclay Allen, 2008 Washington's political philosophy radical for his time was a commitment to the belief that law can never make just what is in its nature unjust Before the close of the Revolutionary War he had conceived of a union based on the progressive principle that the American people would qualify for self government in the sense of free institutions in proportion to their moral capacity to govern themselves by the light of reason Washington managed the conflicts over the spoils of victory that threatened to fracture the union Containing this discord within the walls of the Constitution may be considered his single greatest achievement **George Washington, An American Icon : the**

Eighteenth-Century Graphic Portraits Wendy Wick Reaves, 1982 *American Masculinities: A Historical Encyclopedia* Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men's studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll's compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men's studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo's American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America's democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves

as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men s Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life Key Features Reader s Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information Comprehensive bibliography includes a list of sources organized by categories in the field Topics Covered Arts Literature and Popular Culture Body Health and Sexuality Class Ethnic Racial and Religious Identities Concepts and Theories Family and Fatherhood General History Icons and Symbols Leisure and Work Movements and Organizations People Political and Social Issues About the Editor Bret E Carroll is Associate Professor of History at California State University Stanislaus He received his Ph D from Cornell University in 1991 He is author of *The Routledge Historical Atlas of Religion in America* 1997 *Spiritualism in Antebellum America* 1997 and several articles on nineteenth century masculinity

The Indian World of George Washington Colin Gordon Calloway, 2018 *The Indian World of George Washington* offers a fresh portrait of the most revered American and the Native Americans whose story has been only partially told

The Strange Genius of Mr. O Carolyn Eastman, 2020-12-11 When James Ogilvie arrived in America in 1793 he was a deeply ambitious but impoverished teacher By the time he returned to Britain in 1817 he had become a bona fide celebrity known simply as Mr O counting the nation s leading politicians and intellectuals among his admirers And then like so many meteoric American luminaries afterward he fell from grace *The Strange Genius of Mr O* is at once the biography of a remarkable performer a gaunt Scottish orator who appeared in a toga and a story of the United States during the founding era Ogilvie s career featured many of the hallmarks of celebrity we recognize from later eras glamorous friends eccentric clothing scandalous religious views narcissism and even an alarming drug habit Yet he captivated audiences with his eloquence and inaugurated a golden age of American oratory Examining his roller coaster career and the Americans who admired or hated him this fascinating book renders a vivid portrait of the United States in the midst of invention

George Washington and Political Fatherhood Heinz Tschachler, 2020-02-20 More than two hundred years after his death George Washington is still often considered the metaphorical father of the United States He was first known as the Father of His Country during his lifetime when the American people bestowed the title upon him as a symbolic act of resistance and rebirth Since then presidents have stood as paternal figureheads for America often serving as moral beacons This book tracks political fatherhood throughout world history from the idea of the pater patriae in Roman antiquity to Martin Luther s Bible translations and beyond Often using George Washington as a paradigm the author

explores presidential iconography in the U S propaganda and the role of paternal rhetoric in shaping American sociopolitical history including the results of the 2016 presidential election George Washington, an American Icon George Washington, 1982 *Washington's Circle* David S. Heidler, Jeanne T. Heidler, 2016-02-09 History enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation's first chief executive Together they created the presidency for a country disgusted by crowns and the people who would wear them In 1789 as George Washington became the first president of the United States the world was all but certain that the American experiment in liberty and representative government would founder More than a few Americans feared that the world was right In Washington's Circle we see how Washington and his trusted advisers close friends and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic This is a fresh look at an aloof man whose service in the Revolutionary War had already earned him the acclaim of fellow citizens Washington was easy to revere if difficult to know David S Heidler and Jeanne T Heidler reveal Washington's character through his relationship with his inner circle showing how this unlikely group created the office of the presidency Here is a story of cooperation confrontation triumph and disappointment as the president Congress and the courts sorted out the limits of executive power quarreled over funding the government coped with domestic strife and faced a world at war while trying to keep their country at peace Even more it is a story of remarkable people striving for extraordinary achievements Many of these characters are familiar as historic icons but in these pages they act and speak as living individuals the often irked and frequently irksome John Adams in the vice presidency the mercurial Alexander Hamilton leading the Treasury Department the brilliant deceptively cunning Thomas Jefferson as secretary of state James Madison who was Washington's advocate and his eyes and ears in Congress and Washington's old friend and former brother in arms Henry Knox at the administration's beleaguered War Department Their stories mingle with those of Edmund Randolph John Jay Gouverneur Morris and the others who stood with a self educated Virginia farmer to forge the presidency into an institution protective of its privileges but respectful of congressional prerogatives Written with energy wit and an eye for vivid detail Washington's Circle is the fascinating account of the people who met the most formidable challenges of the government's earliest hours with pluck ability and enviable resourcefulness When the world said they would fail they rolled up their sleeves This is their story Praise for Washington's Circle A fine readable history of the first presidency David and Jeanne Heidler provide not only a lively history but a group portrait of Washington and the various figures vying to influence him The Wall Street Journal Washington's Circle positively glows with narrative exuberance This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading Open Letters Monthly Traditional accounts portray Washington as a solitary actor in the drama of American nationhood as chilly and featureless as the marble shaft that dominates his namesake capitol In fact he was the intensely human lead in one of history's most colorful and contentious ensembles David S Heidler and Jeanne T Heidler bring

the whole cast to unforgettable life in this character study cum group portrait cum old fashioned page turner Richard Norton Smith author of *On His Own Terms* **American Studies** Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 *Humility* David Bobb, 2013-11-12 There is no formula for becoming humble not for individuals and not for nations Benjamin Franklin s dilemma one he passed on to the young United States was how to achieve both greatness and humility at once The humility James Madison learned as a legislator helped him to mold a nation despite his reputation as a meek timid and weak man The humility of Abigail Adams fed her impossible resilience Humility of all kinds is deeply ingrained in our American DNA Our challenge today is to rediscover and reawaken this utterly indispensable alarmingly dormant national virtue before it s too late In *Humility An Unlikely Biography of America s Greatest Virtue* Dr David J Bobb traces the crooked line that is the history of humility in political thought From Socrates to Augustine to Machiavelli to Lincoln passionate opinions about the humble ruler are literally all over the map Having shown classical medieval and Christian ideas of humility to be irreconcilable Dr Bobb asserts that we as a nation are faced with a difficult choice A choice we cannot put off any longer The power promised by humility is power over oneself in self government says Dr Bobb But humility s strength is obscured by the age of arrogance in which we live George Washington s humility as great as it was cannot substitute for ours today We must reintegrate this fundamental virtue if there is to be an American future The rediscovery of humility s strength awaits Humility is essential to good character and to our country In this smart and lively book David Bobb illustrates this virtue with the stories of five great Americans And he reminds us that humility is at the core of our national creed of equality and liberty Paul Ryan Nothing defies political correctness and the prevailing zeitgeist as radically as the notion that humility remains an important virtue Dr Bobb not only makes the case for this dismissed and disregarded value but emphasizes its importance as part of the American national character Michael Medved syndicated talk radio host A lively and counterintuitive argument spiced with witty prose and engaging vignettes of Franklin Washington Madison Lincoln Frederick Douglass and Abigail Adams Robert Faulkner professor of Political Science Boston College author *The Case for Greatness* Dr David Bobb has written a timely and timeless book on a vital virtue absent from far too many leaders today Humility should be required reading for leaders in the public and private sector as well as in our homes and communities In an age of

arrogance there is much to be learned and strength to be gained from returning to the principle power and pattern of humility contained in this extraordinary book Mike Lee U S Senator Utah Great White Fathers John Taliaferro,2007-10-09

Gutzon Borglum the sculptor of Mount Rushmore National Memorial hoped that ten thousand years from now when archaeologists came upon the four sixty foot presidential heads carved in the Black Hills of South Dakota they would have a clear and graphic understanding of American civilization Borglum the child of Mormon polygamists had an almost Ahab like obsession with Colossalism a scale that matched his ego and the era He learned how to be a celebrity from Auguste Rodin how to be a political bully from Teddy Roosevelt He ran with the Ku Klux Klan and mingled with the rich and famous from Wall Street to Washington Mount Rushmore was to be his crowning achievement the newest wonder of the world the greatest piece of public art since Phidias carved the Parthenon But like so many episodes in the saga of the American West what began as a personal dream had to be bailed out by the federal government a compromise that nearly drove Borglum mad Nor in the end could he control how his masterpiece would be received Nor its devastating impact on the Lakota Sioux and the remote Black Hills of South Dakota Great White Fathers is at once the biography of a man and the biography of a place told through travelogue interviews and investigation of the unusual records that one odd American visionary left behind It proves that the best American stories are not simple they are complex and contradictory at times humorous at other times tragic *The Historian's Lincoln* Gabor S. Boritt,Norman O. Forness,1996 Winner of the Barondess Lincoln Award of the Civil War Round Table of New York 1989 For Lincoln specialists *The Historian's Lincoln* deepens and sharpens familiar arguments For nonspecialists it is the most efficient and enjoyable way to get right with Lincoln Robert E McGlone Pennsylvania Magazine of History and Biography Provides an excursion to the frontiers of Lincoln scholarship and insight into the passions of those who labor there Rarely do the products of a scholarly symposium so richly deserve placement on public and academic library shelves John Y Simon Choice Authoritative well written and spiced by informed debate In short Lincoln's depth and height as a figure in history are well measured by this distinguished volume not only in its several parts and authors but also as a whole Robert V Bruce author of *Lincoln and the Tools of War* The Presidents vs. the Press Harold Holzer,2020-08-25 An award winning presidential historian offers an authoritative account of American presidents attacks on our freedom of the press The FAKE NEWS media Donald Trump has tweeted is not my enemy it is the enemy of the American People Has our free press ever faced as great a threat Perhaps not but the tension between presidents and journalists is as old as the republic itself Every president has been convinced of his own honesty and transparency every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger Our first president George Washington was also the first to grouse about his treatment in the newspapers although he kept his complaints private Subsequent chiefs like John Adams Abraham Lincoln Woodrow Wilson and Barack Obama were not so reticent going so far as to wield executive power to overturn press freedoms and even to

prosecute journalists Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him doling out information steering coverage and squashing stories that interfered with his agenda It was a strategy that galvanized TR s public support but the lesson was lost on Woodrow Wilson who never accepted reporters into his inner circle Franklin Roosevelt transformed media relations forever holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether John F Kennedy excelled on television and charmed reporters to hide his personal life while Richard Nixon was the first to cast the press as a public enemy From the days of newsprint and pamphlets to the rise of Facebook and Twitter each president has harnessed the media whether intentional or not to imprint his own character on the office In this remarkable new history acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it From Washington to Trump he chronicles the disputes and distrust between these core institutions that define the United States of America revealing that the essence of their confrontation is built into the fabric of the nation

Picturing Political Power Allison K. Lange, 2020-06-01 Lange s examination of the fights that led to the ratification of the Nineteenth Amendment in 1920 reveals the power of images to change history For as long as women have battled for equitable political representation in America those battles have been defined by images whether illustrations engravings photographs or colorful chromolithograph posters Some of these pictures have been flattering many have been condescending and others downright incendiary They have drawn upon prevailing cultural ideas of women s perceived roles and abilities and often have been circulated with pointedly political objectives Picturing Political Power offers perhaps the most comprehensive analysis yet of the connection between images gender and power In this examination of the fights that led to the ratification of the Nineteenth Amendment in 1920 Allison K Lange explores how suffragists pioneered one of the first extensive visual campaigns in modern American history She shows how pictures from early engravings and photographs to colorful posters proved central to suffragists efforts to change expectations for women fighting back against the accepted norms of their times In seeking to transform notions of womanhood and win the right to vote white suffragists emphasized the compatibility of voting and motherhood while Sojourner Truth and other leading suffragists of color employed pictures to secure respect and authority Picturing Political Power demonstrates the centrality of visual politics to American women s campaigns throughout the nineteenth and early twentieth centuries revealing the power of images to change history

When somebody should go to the book stores, search instigation by shop, shelf by shelf, it is really problematic. This is why we give the ebook compilations in this website. It will no question ease you to look guide **George Washington An American Icon** as you such as.
