Ecumenism A Bibliographical Overview

**Jeffrey Gros, Eamon McManus, Ann
Riggs**

Ecumenism A Bibliographical Overview:

Ecumenism Michael A. Fahey, 1992-11-24 This critically annotated bibliography includes entries for over 1300 books on ecumenism published between 1950 and 1992 It also describes 85 journals devoted to ecumenism Unlike most bibliographies the volume offers a thorough analysis of the strengths and weaknesses of specific publications It provides a theological and historical record of Orthodox Catholic Anglican and Protestant ecumenical literature and is a guide to the works of the World Council of Churches the Second Vatican Council and modern bilateral dialogues The reference begins with an introductory essay that describes the various types of ecumenical publications and discusses the historical events that occasioned their production The bibliography follows with entries arranged in topical chapters The first chapter includes entries for older bibliographies encyclopedias handbooks and other reference works It also overviews journals and research centers devoted to ecumenism The next chapter contains historical accounts of the ecumenical movement The following chapter collects accounts given by members of various Christian confessions to explain their own church's understanding of ecumenism A chapter on bilateral and multilateral consultations follows and a final chapter addresses specific doctrinal issues The book concludes with detailed author title and subject indexes

The Ecumenical Movement Thomas E. FitzGerald, 2004-04-30 What is Ecumenism How and when did it start What are its goals and how will they affect the future of the Christian churches This book answers these questions and examines the remarkable story of new encounters between Orthodox Roman Catholic Anglican Old Catholic and most Protestant churches Most of these churches have been divided for centuries over issues of theology faith and practice Ecumenism seeks to reconcile these differences and to bring the churches together into a new unity based on their commonalities and their understanding of Christian faith Here FitzGerald traces the history of the churches and their divisions and focuses on the ways in which the Ecumenical movement began and the efforts that have been made to assist the churches in overcoming age old strife animosity and misunderstanding For centuries Christian churches have remained divided over their doctrinal differences but beginning in the late nineteenth century churches and their members slowly began to emerge from their isolation They began to abandon competition mistrust and misunderstanding in an effort to seek out their common interests and faith through meetings and organizations meant to bring them together The encounters between the churches led to proposals for common prayers for unity and for common witness in society While not without difficulty these encounters have fostered a renewal in Christian theology worship and witness affecting all levels of church life The process has touched Christians all over the world in various ways FitzGerald carefully traces the history of the movement and its impact on the churches themselves as well as the believers who attend them making this important reading for all Christians and anyone interested in learning more about church division and efforts to restore unity

Ecumenism Means You, Too Steven R. Harmon, 2010-03-15 at once profound and straightforward deeply reflected yet highly accessible theologically rich yet directly practical a source of wisdom to be

absorbed into the life blood of each of our widely differing communities for their mutual enrichment a superbly inviting and practical manifestation of what has come to be referred to as Receptive Ecumenism Paul D Murray Durham University UK

The Ecumenical Movement and the Making of the European Community Lucian Leuștean, 2014 A study that assesses the political history of religious dialogue in the European Community detailing close relations between churchmen and high ranking officials in European institutions immediately after the 1950 Schuman Declaration The Ecumenical Movement in Bibliographical Outline Paul A. Crow, 1965 Koinonia and the Quest for an Ecumenical Ecclesiology Lorelei F. Fuchs, 2008 The word koinonia has gained prominence in recent ecumenical discussions In this original and substantial work Lorelei Fuchs proposes the theological idea of koinonia commonly translated as communion or fellowship as the key to moving fractured churches toward a future unity Fuchs challenges churches to move beyond mere dialogue and to apply ecumenical insights at the local level She begins by relating the exegetical meaning of koinonia to its ecumenical meaning tracing the place of koinonia both within the churches and between the churches She then examines the concept of koinonia in the extensive and fruitful dialogues that have taken place between Lutherans Anglicans and Roman Catholics finally articulating a symbolic competence for communionality that provides a rich and workable way forward for church unity at all levels Encompassing the latest in ecumenical thought Koinonia and the Quest for an Ecumenical Ecclesiology provides a broad thoughtful framework for realizing Christ's prayer that all may be one so that the world may believe The Oxford Handbook of Catholic Theology Lewis Ayres, Medi Ann Volpe, 2019-03-28 The Oxford Handbook of Catholic Theology provides a one volume introduction to all the major aspects of Catholic theology Part One considers the nature of theological thinking and the major topics of Catholic teaching including the Triune God the Creation and the mission of the Incarnate Word It also covers the character of the Christian sacramental life and the major themes of Catholic moral teaching The treatments in the first part of the Handbook offer personal syntheses of Catholic teaching but each offers an account in accord with Catholic theology as it is expressed in the Second Vatican Council and authoritative documentation Part Two focuses on the historical development of Catholic Theology An initial section offers essays on some of Catholic theology's most important sources between 200 and 1870 and the final section of the collection considers all the main movements and developments in Catholic theology across the world since 1870 This comprehensive volume features fifty six original contributions by some of the best known names in current Catholic theology from the Americas Europe Asia and Africa The chapters are written in an engaging and easily comprehensible style functioning both as a scholarly reference and as a survey of the field There are no comparable studies available in one volume and the book will be an indispensable reference for students of Catholic theology at all levels and in all contexts *Ecumenical Christian Dialogues and the Catechism of the Catholic Church* Jeffrey FSC. Gros, 2006 In God's Hands Jaroslav Z. Skira, Michael S. Attridge, 2006 The articles on the church and ecumenism in this Festschrift celebrate Professor Fahey's contributions accomplishments and gifts to the academy and the Church They reflect

his sensitivities and spirituality as a friend and pastor his support for the many voices in the church his engagement and mentoring of several generations of students and scholars his demand for honest and critical scholarship and his deep desire for a spirit of Christian unity among us all *Introduction to Ecumenism* Jeffrey Gros, Eamon McManus, Ann Riggs, 1998 An overview of the history content and future of the modern ecumenical movement with particular attention to Catholic leadership and the results of dialogues among the churches *Dictionary of the Ecumenical Movement* Nicolas Lossky, 2002 The 700 entries in this dictionary have been written by leading figures in the ecumenical movement from all parts of the world Entries are fully cross referenced and many of the articles are enhanced by short bibliographies Entries cover faith and order dialogue mission and evangelism communication church and society theological education institutional histories and relations of Orthodox Protestants and Roman Catholics within the ecumenical movement Biographical sketches outline the contributions of some of the individuals who have furthered the cause of ecumenism in the 20th century Cross references direct the reader to more detailed information or to matters of related interest **Pentecostalism and Christian Unity** Wolfgang Vondey, 2010-03-01 This volume of ecumenical documents key texts and critical essays is the first collection of its kind exclusively dedicated to Pentecostalism and its contributions to Christian unity In the first part a cadre of internationally renowned scholars addresses the ecumenical heritage and perspectives of the Pentecostal movement since the early twentieth century Part 2 offers a collection of final reports from international dialogues with Pentecostal participation The final part contains programmatic essays in response to The Nature and Mission of the Church a major study on the doctrine of the church published by the World Council of Churches Most of these essays were first presented by the ecumenical studies group of the Society for Pentecostal Studies currently the only organized ecumenical think tank among Pentecostals in North America Since its formation in 2001 the group has encouraged Pentecostal participation in ecumenical concerns has hosted Roman Catholic Pentecostal conversations at the annual meeting of the Society has invited international scholarly debates on ecumenical matters and has engaged in the study of ecumenical consensus statements The essays and documents in this collection model the dedication and commitment among Pentecostals today that engage the challenges and opportunities of Christian unity from the perspective of a tradition that has often been falsely accused of being anti ecumenical This collection presents an invaluable resource for teachers scholars and pastors interested in engaging the global Christian arena from the worldwide and ecumenical image of Pentecostalism Of all of the dialogues with whom the Roman Catholics have been involved in the evangelical community the Pentecostal may be the most interesting and influential The Pentecostal and Catholic communities have experienced serious tension in certain parts of the world especially in Latin America Therefore these dialogues and the reflections brought together in this book should be a rich source for the task of making the results of the dialogues a common heritage in Catholic and Pentecostal seminaries colleges and universities and congregations around the world Dr Vondey has assembled a line up of Pentecostal scholars known for

their depth scope and fairness a set of essays that should be of interest well beyond the Catholic and Pentecostal communities Jeffrey Gros FSC Memphis Theological Seminary In the field of ecumenism the common perception is that the youngest and fastest growing movement in global Christianity has been absent Pentecostalism and Christian Unity will not only expose this misunderstanding but also prove to be an invaluable resource Along with official bilateral documents a series of essays documents the nature of Pentecostal ecumenical engagement and provides mature theological reflection on how to proceed The ecumenical movement will be both enriched and challenged by this contribution Ralph Del Colle Marquette University

The Seven Ecumenical Councils Henry Robert Percival, 1900 **Historical Dictionary of the Reformed Churches** Benedetto Guder, Mckim, 1999-11-03 A historical dictionary of Reformed churches It includes a detailed chronology followed by specific entries on the geographical regions where Reformed faith has been rooted Other entries are devoted to outstanding figures who have nurtured and shaped t

The Gift of the Church Peter C. Phan, 2016-03-24 As the Church enters its third millennium it must take stock of its identity and mission These essays in The Gift of the Church address the fundamental issues confronting the Church in its immediate future Their authors represent the most prominent ecclesialogists of our time Written in honor of Patrick Granfield OSB these essays form a textbook for classes in ecclesiology They also are a useful tool for those engaged in various ministries in the Church to update themselves on the theology of different aspects of the Church The first section of essays discusses ecclesiology in its historical development as well as its methodology the second examines various aspects of the Church and the third part presents the life and work of Patrick Granfield The essays are clearly written and based on solid and extensive scholarship Ecclesiology has been the central theme of theological reflections since Vatican II and may continue to be in the next millennium This textbook fulfills in part Pope John Paul II's Vision for the Jubilee Year when Christians with a profound sense of commitment will likewise express their gratitude for the gift of the Church Essays and authors in Part One Ecclesiology in Historical Context are Theologies of the Church in the New Testament by Frank J. Matera The Development of Ecclesiology Early Church to the Reformation by Eric Plumer The Development of Ecclesiology Modernity to the Twentieth Century by Michael J. Himes The Significance of Vatican Council II for Ecclesiology by Joseph A. Komonchak The Ecclesiology of John Paul II by Avery Dulles Ecumenical Ecclesiology by Michael A. Fahey and Theological Method for Ecclesiology by Pedro Rodriguez Essays and authors in Part Two Contemporary Ecclesiology are The Church as Communion by Susan K. Wood The Church as Worshiping Community by Gerard Austin The Ecclesial Dimension of Anthropology by Michael J. Scanlon The Ecclesial Dimension of Spirituality by George Tavard The Evangelizing Mission of the Church by Francis A. Sullivan Salvation Outside the Church by John P. Galvin The Social Mission of the Church Its Changing Context by T. Howland Sanks Ministries in the Church by John Ford The Papacy by Richard P. McBrien The Episcopacy by Hermann J. Church by Frederick M Jelly Essays and authors in Part Three A North American Ecclesiology The Theological Achievement of Patrick Granfield are Patrick Granfield A Biographical Essay by David Granfield A North American Ecclesiology The Achievement of Patrick Granfield by Peter C Phan and Bibliography of Patrick Granfield compiled by David Granfield The book also includes an introduction by Peter Phan and a list of abbreviations Peter C Phan PhD STD DD is the Warren Blanding Professor of Religion and Culture in the department of religion and religious education at The Catholic University of America He is the author and editor of several books and over a hundred essays on various aspects of Christian theology

A History of the Ecumenical Movement: 1968-2000 Ruth Rouse, Stephen Neill, Harold Edward Fey, 1986

Historical Dictionary of Ecumenical Christianity Ans Joachim van der Bent, 1994-12-01 This historical dictionary covers the major trends in the 20th century ecumenical movement until today It deals with developments in the realms of church unity mission and evangelism laity women in church and society and many other ecumenical subjects It also covers many programs and activities of the World Council of Churches since its inception in 1948 The longer articles survey important theological themes while short articles provide quick reference on a precise question The bibliography is not exhaustive some 50 000 titles have been published since the beginning of this century but very helpful for major bibliographical information The dictionary is particularly strong in American subjects and includes a great number of ecumenical personalities which cannot be found in other reference works This publication is not only an indispensable tool of research for university and seminary libraries but also for individual persons belonging to whatever Christian church who are interested in knowing more about reflections relations and activities in the several regions of the ecumenical world A helpful description of the most important ecumenical assemblies and conferences is provided To take stock of the past to interpret the present and to look forward into the third millennium of Christian existence are exciting and challenging enterprises *Recent Reference Books in Religion* William M. Johnston, 2014-01-27 *Recent Reference Books in Religion* provides incisive summaries and evaluations of more than 350 contemporary reference works on religious traditions ancient and modern that have been published in English French and German For maximum usefulness to readers Professor Johnston has broadly defined religion to include not just the world religion of Christianity Judaism Islam Hinduism and Buddhism but also such alternative approaches as mythology folklore and the philosophy of ethics Each entry analyzing a particular work includes full bibliographic details as well as commentary outstanding articles and contributors are highlighted strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths complement the weaknesses of others An indispensable guide in any religious studies collection *Recent Reference Books in Religion* 2nd Edition includes works published through the end of 1997 It also includes a Glossary that describes types and functions of reference books and five indexes Titles Authors Topics Persons and Places *Ecumenical and Confessional Writings* Edmund Schlink, 2025-04-14 Although several of Schlink's

writings including his study of baptism have been available in English for many decades the publication of the new German edition offered a significant impetus for providing a fresh and more accurate translation of them The first English edition of his book on baptism published in 1972 was an abridgment of the German original In this new edition words and sentences that were omitted from the first edition have been restored and complete bibliographic information has been given The editor has also provided many explanatory endnotes that help to illuminate the book s contents Schlink took the doctrine of baptism seriously as if it truly matters for the unity of the church Again and again he returns to the gospel and its promises that are tied to baptism While formally open toward siblings in Christ beyond his own confession his humble and conciliatory method of ecumenism was undertaken consciously and intentionally from within a Lutheran confessional perspective *Nicene and Post-Nicene Fathers* Philip Schaff,2007-06-01

This is likewise one of the factors by obtaining the soft documents of this **Ecumenism A Bibliographical Overview** by online. You might not require more become old to spend to go to the book initiation as without difficulty as search for them.
