Fundamentals Of Social Work Practice A Of Readings:

Fundamentals of Social Work Practice Daniel S. Sanders, Oscar Kurren, Joel Fischer, 1982 *Principles of Social Work Practice* Molly R Hancock, 2012-12-06 Principles of Social Work Practice is the first textbook to deal exclusively and thoroughly with the significant principles of social work practice and methods that integrate these principles into the common base of practice You will learn from case examples how to apply crucial ethical personal and methodological principles to different practice areas As you increase your understanding of the nature of professional social work and the essence of its value base and Code of Ethics you also learn to develop approaches to social work practice that are sensitive to a multicultural clientele You will leave this book with useful skills and a flexibility that allow you to work not only with individuals but also with families couples groups organizations and communities As you read Principles of Social Work Practice you will heighten your sensitivity to the professional worker client relationship and its role as a primary instrument of positive change Using this book as a guide you can develop your own strategies for facilitating change and growth that will result in the satisfaction of long term personal and social goals Simultaneously you will build a framework for social work practice that has at its foundation a strong sense of individual worth and dignity A unique combination of theory and practice readers gain insight into confidentiality the nonjudgmental attitude controlled emotional involvement self determination respect for the individual empowerment Principles of Social Work Practice illustrates for advanced undergraduates and graduate students how to effectively intervene in the conflicts that evolve between clients needs for well being and development and the demands or restrictions of public attitudes or social policy You will sharpen your skills and construct indispensable methods for helping individuals establish vital links with their communities

Fundamentals of Social Work Sushma Batra, Bishnu Mohan Dash, 2021-01-01 The book endeavours to fulfil the requirements of students at the Bachelors and Masters level in social work It introduces readers to the social work profession basic concepts in social work social work education and its relation with other disciplines theories in social work methods recognized in social work roles and functions of a professional social worker and genesis of social work education as a discipline in India and other parts of the world It is a text book designed keeping in mind the requirements of the students in Indian Universities and colleges It is hoped that the book shall serve as a guide to young budding social work practitioners and students of social work and social work educators The text book provides an overview of various aspects of social work profession

Foundations of Evidence-Based Social Work Practice Albert R. Roberts Professor of Social Work and Criminal Justice Rutgers University, Kenneth R. Yeager Director of Quality and Operational Improvement Ohio State University Medical School, 2006-01-07 This concise introduction to evidence based social work practice culls the most salient chapters from the interdisciplinary Evidence Based Practice Manual to form a student friendly overview of the issues and interventions they will encounter throughout their BSW or MSW program Part I defines terms and critical issues introducing students to the

language and importance of evidence based practice and critical thinking Chapters will explain how to search for evidence how to evaluate what evidence really is how to ask the right questions how to develop standards and how practitioners make use of research Part II consists of practical applications with each chapter focusing on a particular intervention or population Topics include cognitive behavioral approaches to suicide risks manualized treatment with children treating juvenile delinquents and interventions for OCD anxiety disorders substance abuse PTSD depression and recovery Several chapters from the special edition of Brief Treatment Crisis Intervention on evidence based practice as well as two original chapters round out this much needed introduction to evidence based social work practice

Foundations of Evidence-Based Social Work Practice Albert R. Roberts, Kenneth R. Yeager, 2006-02-02 This concise introduction to evidence based social work practice culls the most salient chapters from the interdisciplinary Evidence Based Practice Manual to form a student friendly overview of the issues and interventions they will encounter throughout their BSW or MSW program Part I defines terms and critical issues introducing students to the language and importance of evidence based practice and critical thinking Chapters will explain how to search for evidence how to evaluate what evidence really is how to ask the right questions how to develop standards and how practitioners make use of research Part II consists of practical applications with each chapter focusing on a particular intervention or population Topics include cognitive behavioral approaches to suicide risks manualized treatment with children treating juvenile delinquents and interventions for OCD anxiety disorders substance abuse PTSD depression and recovery Several chapters from the special edition of Brief Treatment Crisis Intervention on evidence based practice as well as two original chapters round out this much needed introduction to evidence based social work practice

Foundations of Social Work Practice with Lesbian and Gay Persons Gerald P Mallon, 2013-09-13 Focusing on the pragmatic aspects of social work with gay and lesbian persons this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men Written by scholars and practitioners in the social work profession *Foundations of Social Work Practice with Lesbian and Gay Persons* teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals couples families groups communities and organizations The book's sensible strategies and case studies provide you with critical information that will help you deal with homophobia and heterocentrism and enact a professional commitment to pursuing economic and social equality for diverse and at risk client populations A foundation level text on social work practice with gays and lesbians this book is designed to provide social work students academics and practitioners with an understanding of the values and ethics fundamental to practice with this group of clients *Foundations of Social Work Practice with Lesbian and Gay Persons* summarizes the variety of issues dynamics and techniques required to work effectively with gay and lesbian clients who are at different points in their development and life cycles To further help you in your practice it also discusses providing skilled professional assistance to

gay victims of hate crimes how homophobia can prevent lesbians and gay men from receiving adequate services the obstacles social workers sometimes face when trying to integrate the core set of professional values and ethical principles into their practice practitioner self disclosure regarding sexual identity developmental milestones for lesbian and gay persons alcohol and substance abuse among lesbians family therapy concepts of fusion and enmeshment same gender socialization assessing issues of sexual expression Counselors social workers and students and academics in gay and lesbian studies will find that Foundations of Social Work Practice with Lesbian and Gay Persons greatly expands the social work knowledge base to disrupt the impact of institutional individualized and internal homophobia on social workers their clients and the institutions in which social workers practice Its flexible and creative treatment approaches to therapy with sexual minorities are sure to help you sensitize your therapeutic techniques and improve the quality of care you deliver *The Ethical Foundations of Social Work* Stephen Cowden, Annie Pullen-Sansfacon, 2014-01-14 The Ethical Foundations of Social Work provides you with an engaging theoretical and practice based grounding in social work ethics The authors first examine when how and why principles and debates historically emerged then explicitly map them onto everyday ethical challenges and situations in social work practice As a result the book promotes an ethically conscious approach where principles can be flexibly and confidently applied as tools to help you with critical problem solving **Fundamentals of Social Work Research** Rafael J.

Engel, Russell K. Schutt, 2014-01-14 Designed to help students develop skills in evaluating research and conducting studies this brief version of Rafael J Engel and Russell K Schutt s popular The Practice of Research in Social Work makes principles of evidence based practice come alive through illustrations of actual social work research With integration of the CSWE Competencies the text addresses issues and concerns common to the discipline and encourages students to address diversity and ethics when planning and evaluating research studies The Second Edition includes a focus on qualitative research a new chapter on research ethics new sections on mixed methods research and community based participatory research and more
