*On Beckett* S. E. Gontarski, 2014-01-15 *On Beckett* Essays and Criticism is the first collection of writings about the Nobel Prize winning author that covers the entire spectrum of his work and also affords a rare glimpse of the private Beckett More has been written about Samuel Beckett than about any other writer of this century countless books and articles dealing with him are in print and the progression continues geometrically *On Beckett* brings together some of the most perceptive writings from the vast amount of scrutiny that has been lavished on the man in addition to widely read essays there are contributions from more obscure sources viewpoints not frequently seen Together they allow the reader to enter the world of a writer whose work has left an impact on the consciousness of our time perhaps unmatched by that of any other recent creative imagination

My Dad's Funnier than Your Dad Kelly Conway, 2021-12-30 Comic and television star Tim Conway The Carol Burnett Show McHale's Navy Dorf enjoyed enormous popular appeal In this humorous loving and surprising memoir Tim's eldest of his six children Kelly reveals that the Conway home life was as riotous as some of her father's legendary comedy sketches Kelly Conway allows readers an

intimate look at an American childhood set in 1970s and 80s Los Angeles from the studios of CBS to the racetrack of Santa Anita Park where her father taught his kids the art of horse betting Tim Conway took his hilarious creativity off the set to the family home where he acted as the ringmaster to six unruly lion cubs and often lit the fuse of their short tempered mother Mary Anne Kelly takes us through the fascinating world of entertainment from the lens of her dad's television stardom to her own career in costume design and wardrobe styling using the lessons her father taught her about holding her own in the often cruel world of show business But it's not until Kelly realizes that she must find the courage to fight for her dad when he faces a devastating life change that her steadfast commitment to him becomes clear although it will mean losing lifelong relationships and at times facing harsh criticism My Dad's Funnier Than Your Dad is Kelly's love letter to her father an account of the warm laugh filled world of her childhood And when life brings sadness instead of smiles it's the mutual respect and fierce devotion that Kelly shares with her famous father which ultimately defines the true meaning of love

 Three Dimensions* Shigehiro Oishi, PhD,2025-02-04 A NEXT BIG IDEA CLUB MUST READ BOOK From one of our foremost  
 psychologists a trailblazing book that turns the idea of a good life on its head and urges us to embrace the transformative  
 power of variety and experience For many people a good life is a stable life a comfortable life that follows a well trodden path  
 This is the case for Shigehiro Oishi s father who has lived in a small mountain town in Japan for his entire life putting his  
 family s needs above his own like his father and grandfather before him But is a happy life or even a meaningful life the only  
 path to a good life In *Life in Three Dimensions* Shige Oishi enters into a debate that has animated psychology since 1984  
 when Ed Diener Oishi s mentor published a paper that launched happiness studies A rival followed in 1989 with a model of a  
 good life that focused on purpose and meaning instead In recent years Shige Oishi s award winning work has proposed a  
 third dimension to a good life psychological richness a concept that prioritizes curiosity exploration and a variety of  
 experiences that help us grow as people *Life in Three Dimensions* explores the shortcomings of happiness and meaning as  
 guides to a good life pointing to complacency and regret as a happiness trap and narrowness and misplaced loyalty as a  
 meaning trap Psychological richness Oishi proposes balances the other two offering insight and growth spurred by  
 embracing uncertainty and challenges In a lively style drawing on a generation of psychological studies and on examples  
 from famous people books and film Oishi introduces a new path to a fuller more satisfying life with fewer regrets Theater  
 in Israel Linda Ben-Zvi,1996 The first book length investigation of theater and drama in Israel **Humor and Laughter**  
 Hugh Foot,2017-07-05 Humor and laughter play a vital part in our everyday social encounters This book is concerned with  
 the exploration of the psychology of humor and laughter by the foremost professional researchers in these areas It examines  
 the major theoretical perspectives underlying current approaches and it draws together for the first time the main empirical  
 work done over the course of this century Peter Berks brings this story up to the moment The two major parts of the book

deal with perception of and responses to humor and its uses in society at large The chapters themselves range from cognitive aspects of humor development through the functions of humor and laughter in social interaction to the use of humor by comedians and by the mass media One of the general features of the volume is the concern with the variety of techniques and research methods which are used in studies aimed at understanding our responsiveness to humor and the contexts in which we create it Humor and Laughter contains chapters by psychologists with longstanding research interests in humor and laughter including Thomas R Shultz Mary K Rothbart Goran Nerhardt Michael Godkewitsch Walter E O Connell and Harvey Mindess Humor and Laughter presents wide ranging theoretical methodological and empirical perspectives on an important area of human behavior and social interaction This book should interest many behavioral scientists and practitioners particularly those in social and clinical psychology psychiatry child psychology and education sociology and related disciplines

**Humour and laughter** Anthony J. Chapman, Hugh C. Foot, Humor and laughter play a vital part in our everyday social encounters In this book well known psychologists including Thomas R Shultz Mary K Rathbart and Goran Nerhardt explore the psychology of humor and laughter examining the major theoretical perspectives underlying current approaches This volume draws together the main empirical work done over the course of the twentieth century
