Storytelling across the Primary Curriculum Alastair K Daniel,2013-06-17 Starting from the question what is a story Storytelling Across the Primary Curriculum leads the reader through the theory and practise of storytelling as an educational method a method taught by the author over the last ten

years through Primary English teaching programmes This practical book gives teachers the skills and confidence to use storytelling and the spoken word in new and exciting ways in the classroom It will also give teachers the confidence to put down the book and trust themselves to tell rather than read a story It provides a wealth of examples of cross curricular teaching opportunities including a section on the ways in which the teaching of phonics can be embedded in the real language of story Storytelling Across the Primary Curriculum is ideal for trainee and practicing primary school teachers who want to develop their classroom practice within the field of storytelling Students on BA Primary BEd and PGCE courses particularly those specialising in English will also benefit from this book s stimulating and intuitive approach to teaching English language and literacy **Traces of the Spirit** Robin Sylvan,2002-07 Sylvan examines the religious dimensions of popular music subcultures charting the influence and religious aspects of popular music in mainstream culture today

Opera as Anthropology Vlado Kotnik,2016-09-23 This book contemplates the relationship between opera and anthropology It rests on the following central arguments on the one hand opera is quite a new and exotic topic for anthropologists while on the other anthropology is still perceived as an unusual approach to opera Both initial arguments are indicative of the current situation of the relationship between anthropological discipline and opera research The book introduces the work of anthropologists and ethnographers whose personal and professional affinity for opera has been explicated in their academic and biographical accounts Anthropological ethnological ethnographic and semiotic accounts of opera by Claude L vi Strauss Michel Leiris William O Beeman Denis Laborde Paul Atkinson and Philippe Joseph Salazar establish that opera can be a pertinent object of anthropological interest ethnographic investigation cultural analysis and historical reflection By touching on opera not merely as a musical aesthetic or artistic category but as a social cultural historical and transnational phenomenon that over the last four centuries has significantly influenced and reflected the identity of Western culture and society this monograph suggests that opera and anthropology no longer need be alien to one another *Performing Hybridity* May Joseph,Jennifer Fink,1999 Amid the modern day complexities of migration and exile immigration and repatriation notions of stable national identity give way to ideas about cultural hybridity The authors represented in this volume use different forms of performative writing to question this process to ask how the production of new political identities destabilizes ideas about gender sexuality and the nation in the public sphere Contributors use forms such as the essay poem photography and case study to examine historically specific cases in which the notion of hybridity recasts our ideas of identity and performance the struggle for Aboriginal land rights in Australia Bahian carnival the creolization and pidginization of language in the Caribbean world queer videos and others **The Performative Presidency** Jason L. Mast,2013 A cultural analysis of 1990s politics in the US detailing the rise of performance oriented politics during Clinton s presidency Democratic Communications James F. Hamilton,2009-08-01 This is the first book to take issue with the long standing assumptions about alternative media and democratic communications and place them in a

detailed cultural and historical context Ranging from prophecy in sixteenth century England to the self managed projects of critical literacy and social change of today it assesses the historical heritage present conditions and future possibilities of today's remade media landscape for democratic communications *The Novel and Theatrical Imagination in Early Modern*

China Chun Mei,2011-01-07 Using the concept of theatricality to study Water Margin and Journey to the West this study illustrates how writing and reading in early modern China became fused with a theatrical imagination in response to destabilizing social and political forces **Theatre and Festivals** Keren Zaiontz,2018-04-04 This succinct and engaging

text rethinks the common wisdom that festivals sites of collective celebration and play provide a temporary reprieve from the grind of everyday real life Keren Zaiontz explores the ways in which cultural performances of resistance that have their basis in festivals can migrate to other contexts making festivals as much the domain of free markets and state power as that of vanguard artists and progressive social movements Accessible and affordable this is an ideal resource for theatre students and lovers everywhere *The Routledge International Handbook of the Arts and Education* Mike Fleming,Liora Bresler,John

O'Toole,2014-11-27 This International Handbook brings together leading writers on Arts in Education to provide a much needed authoritative guide to the main debates in the field and an informed account of contemporary developments in policy and practice Providing a detailed overview of key concepts and practical challenges the book combines theoretical insight with specific examples of innovative projects drawing on theoretical historical and empirical research perspectives to inform understanding The range of content highlights the breadth of the field addressing such issues as the importance of community arts and partnership as well as school education and providing insight into developments in multiple and connecting arts as well as traditional art forms Topics such as assessment creativity cultural diversity special needs the arts in early childhood adult education arts based research are all addressed by recognised authorities in each area The collection of chapters also serves to define the field of arts education recognising its diversity but highlighting the common elements that provide its identity The collection addresses generic issues common to all the arts while acknowledging differences and recognising the dangers of over generalisation It also includes specific chapters on each of the art forms visual art dance drama literature music media arts providing a cutting edge analysis of key contemporary issues in each subject Bringing together specially commissioned pieces by a range of international authors this Handbook will make an important contribution to the field of Arts Education *Games and Activities for Media, Communication, and Cultural Studies Students*
