Scotland's Harvest Richie McCaffery,2023-07-24 This study is the first exploration of the impact of World War Two on Scottish poets of both the front line and the home front World War One has always been thought of as a poet s war one of horror and futility The poetry of World War Two by contrast has long languished in its shadow though there was a much greater amount of it written This book asks whether these poets felt they were grown for war or rather that they grew through war experience with an emphasis on the possibilities of the future instead of cataloguing the senseless horror of the battlefield How were the hopes of Scottish poets different from their English counterparts How was their poetry different and how did it impact on their later lives [The Oxford Guide to Literature in English Translation](#) Peter France,2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available [Modern Irish and Scottish Poetry](#) Peter Mackay,Edna Longley,Fran Brearton,2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry featuring close readings of texts within broad historical and political contextualisation Playing on influences crossovers connections disconnections and differences the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice Poets discussed include W B Yeats Hugh

MacDiarmid Sorley MacLean Louis MacNeice Edwin Morgan Douglas Dunn Seamus Heaney Ian Hamilton Finlay Michael Longley Medbh McGuckian Nuala ni Dhomhnaill Don Paterson and Kathleen Jamie This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty first centuries **Edinburgh Book of Twentieth-Century Scottish Poetry** Maurice Lindsay, 2019-08-05 No detailed description available for The Edinburgh Book of Twentieth Century Scottish Poetry *Edinburgh Companion to Twentieth-Century Scottish Literature* Ian Brown, 2009-07-03 This volume considers the major themes texts and authors of Scottish literature of the twentieth and so far twenty first century It identifies the contexts and impulses that led Scottish writers to adopt their creative literary strategies Moving beyond traditional classifications it draws on the most recent critical approaches to open up new perspectives on Scottish literature since 1900 The volume s innovative thematic structure ensures that the most important texts or authors are seen from different perspectives whether in the context of empire renaissance war and post war literary genre generation and resistance In order to provide thorough coverage these thematic chapters are complemented by chronological Arcade chapters which outline the contexts of the literature of the period by decades and by Overview chapters which trace developments across the century in theatre language and Gaelic literature Taken together the chapters provide a thorough and thought provoking account of the century s literature *British Literature in Transition, 1920-1940: Futility and Anarchy* Charles Ferrall, Dougal McNeill, 2018-12-20 Literature from the political 1930s has often been read in contrast to the aesthetic 1920s This collection suggests a different approach Drawing on recent work expanding our sense of the political and aesthetic energies of interwar modernisms these chapters track transitions in British literature The strains of national break up class dissension and political instability provoked a new literary order and reading across the two decades between the wars exposes the continuing pressure of these transitions Instead of following familiar markers 1922 the Crash the Spanish Civil War or isolating particular themes from literary study this collection takes key problems and dilemmas from literature in transition and reads them across familiar and unfamiliar cultural works and productions in their rich and contradictory context of publication Themes such as gender sexuality nation and class are thus present throughout these essays Major writers such as Woolf are read alongside forgotten and marginalised voices Literature of Scotland Roderick Watson, 2006-11-24 Critics hailed the first edition of The Literature of Scotland as one of the most comprehensive and fascinatingly readable accounts of Scottish literature in all three of the country s languages Gaelic Scots and English In this extensively revised and expanded new edition Roderick Watson traces the lives and works of Scottish writers in a beautiful and rugged country that has been divided by political and religious conflict but united too by a democratic and egalitarian ideal of nationhood The Literature of Scotland The Twentieth Century provides a comprehensive account of the richest ever period in Scottish literary history From The House with the Green Shutters to Trainspotting and far beyond this companion volume to The Literature of Scotland The Middle Ages to the Nineteenth Century gives a critical and historical context to the

upsurge of writing in the languages of Scotland Roderick Watson covers a wide range of modern and contemporary Scottish authors including MacDiarmid MacLean Grassie Gibbon Gunn Robert Garioch Iain Crichton Smith Alasdair Gray Edwin Morgan James Kelman Irvine Welsh Alan Warner A L Kennedy Liz Lochhead John Burnside Jackie Kay Kathleen Jamie and many many more Also featuring an extended list of Further Reading and a helpful chronological timeline this is an indispensable introduction to the great variety of Scottish writing which has emerged since the start of the twentieth century

broaden traditional conceptions of community in Scotland and Scottish literature suggesting a more plural idea of what community might be

The Celts John T. Koch, Antone Minard, 2012-08-08 This succinct accessible two volume set covers all aspects of Celtic historical life from prehistory to the present day The study of Celtic history has a wide international appeal but unfortunately many of the available books on the subject are out of date narrowly specialized or contain incorrect information Online information on the Celts is similarly unreliable This two volume set provides a well written up to date and densely informative reference on Celtic history that is ideal for high school or college aged students as well as general readers The Celts History Life and Culture uses a cross disciplinary approach to explore all facets of this ancient society The book introduces the archaeology art history folklore history linguistics literature music and mythology of the Celts and examines the global influence of their legacy Written entirely by acknowledged experts the content is accessible without being simplistic Unlike other texts in the field The Celts History Life and Culture celebrates all of the cultures associated with Celtic languages at all periods providing for a richer and more comprehensive examination of the topic

Correspondence Between Hugh MacDiarmid and Sorley MacLean Susan R. Wilson, 2010-04-08 This is both the first complete annotated edition of the letters exchanged by these major twentieth century Scottish poets and the first major exploration of their long friendship and literary association Spanning nearly fifty years from 27 July 1934 to 23 July 1978 this engaging correspondence offers a revealing and sometimes intimate look at their lively dialogical exchanges on a broad range of topics from major historical events such as the Spanish Civil War and WW II to the mundane challenges of daily life The introductory chapters chart the development of MacDiarmid and MacLean's enduring friendship in relation to their quite different literary contexts and careers discuss MacLean's significant contributions to MacDiarmid's Golden Treasury of Scottish Poetry and situate MacLean's literary innovations in terms of Gaelic modernism They thus provide comparative critical insights into the influence of cultural nationalism on each writer's developing poetics their work as translators and their mutual influence on each other's careers These private letters in which culture politics and modern history intersect offer a fascinating glimpse at the creative processes and collaborative work of Hugh MacDiarmid and Sorley MacLean

Key Features The first complete annotated edition of the correspondence between the two poets The only major exploration of MacDiarmid and MacLean's friendship and literary association Full biographical and historical Introduction bibliography and appendices

Uneasy Subjects Silke Stroh, 2011-01-01 Scottish and Celtic fringe postcolonialism has caused much controversy and unease in literary studies Can the non English territories and peoples of the British Isles faced with centuries of English hegemony be meaningfully compared to former overseas colonies This book is the first comprehensive study of this topic which offers an in depth study of Gaelic literature It investigates the complex interplay between Celticity Gaeldom Scottish and British national identity and international colonial and postcolonial discourse It situates post colonial elements in Gaelic poetry within a wider context showing how they intersect with socio historical and political issues

anglophone literature and the media Highlighting the centrality of Celticity as an archetypal construct in colonial discourses ancient and modern this volume traces post colonial themes and strategies in Gaelic poetry from the Middle Ages to the present Central themes include the uneasy position of Gaels as subjects of the Scottish or British state and as both intra British colonised and overseas colonisers Aiming to promote interdisciplinary dialogue it is of interest for scholars and students of Scottish Studies Gaelic and English literature and international Postcolonial Studies Battles of Conscience Tobias Kelly, 2022-05-05 A ground breaking new study brings us a very different picture of the Second World War asking fundamental questions about ethical commitments Accounts of the Second World War usually involve tales of bravery in battle or stoicism on the home front as the British public stood together against Fascism However the war looks very different when seen through the eyes of the 60 000 conscientious objectors who refused to take up arms and whose stories unlike those of the First World War have been almost entirely forgotten Tobias Kelly invites us to spend the war five of these individuals Roy Ridgway a factory clerk from Liverpool Tom Burns a teacher from east London Stella St John who trained as a vet and ended up in jail Ronald Duncan who set up a collective farm and Fred Urquhart a working class Scottish socialist and writer We meet many more objectors along the way people both determined and torn and travel from Finland to Syria India to rural England Edinburgh to Trinidad Although conscientious objectors were often criticised and scorned figures such as Winston Churchill and the Archbishop of Canterbury supported their right to object at least in principle suggesting that liberty of conscience was one of the freedoms the nation was fighting for And their rich cultural and moral legacy of humanitarianism and human rights from Amnesty International and Oxfam to the US civil rights movement can still be felt all around us The personal and political struggles carefully and vividly collected in this book tell us a great deal about personal and collective freedom conviction and faith war and peace and pose questions just as relevant today Does conscience make us free Where does it take us And what are the costs of going there An excellent book DAILY TELEGRAPH A moving tribute SPECTATOR
