The "Leather Look" is the look of Spring for 1953! All across the country the "Leather Look" looks to follow... and for good reason. Its business suits and evening gowns offer leather with the quality and grace of spring. Its casual wear offers leather in the place of leather exactly alike. That's why

leather can give you that touch of individuality. In short, leather, leather, please! Make leather a part of your wardrobe. Leather means quality, value and a feeling that it's really "You'll look smart in leather!" Also, "The Leather Look" should be going! *— JAMES H. HARRIS*
