Hosea And Amos:

Hosea, Amos, Micah Gary V. Smith, 2001 Scratch beneath the surface of today's culture and you'll find we're not so different from ancient Israel. True, our sophistication, mobility, and technology eclipse anything the Israelites could have imagined. Our worship is far different, to say nothing of our language and customs. Yet if the prophets Hosea, Amos, and Micah were to visit us today, we might be shocked to see how little their messages would differ from the ones they delivered 2,800 years ago. For human hearts are still the same, and so is God. Injustice, oppression, and political corruption anger him as much as ever. Apostasy still grieves him. His judgment of sin remains as fierce as his love is strong. And the hope God extends to those who turn toward him is as brilliant now as at any time in history. Revealing the links between Israel eight centuries B.C. and our own times, Gary V. Smith shows how the prophetic writings of Hosea, Amos, and Micah speak to us today with relevance and conviction.

Hosea, Amos Allen R. Guenther, 1998-04-10 Allen R. Guenther brings an evangelical believer's church perspective to the study of two eighth-century B.C. prophets. He explores theological and practical implications of their message, which he applies to the contemporary church. This work compares Israel's distinctive religion, influenced by Baal worshiping Phoenician neighbors, with faith in Judah. In his own marriage, Hosea dramatizes God's redeeming love. Amos's exposure of shallow piety and injustice brings him into confrontation with the official priest at Bethel. For both prophets, the Lord's judgment is to lead on to repentance and restoration.

Hosea & Amos- Everyman's Bible Commentary H. Ronald Vandermeij, Gary Cohen, 1981-07-26 God used Hosea and Amos one right after the other to announce to the Northern Kingdom of Israel that God's patience had at last ended and that the hour of decision had arrived. These prophets challenged Israel to repent now or face God's immediate judgment and endure pitiless conquest and plundering at the hands of the merciless Assyrians. Both prophecies end with the assurance of God's abiding love for His people and His absolute pledge of their cleansing and restoration. Two biblical scholars encourage students to understand and be challenged by these biblical events that so closely parallel those of our own times. Their simple, organized commentary will prove valuable to students at any level, individually or in a group.
