Hot Scott:

Summer Lover B.G. Thomas, 2014-07-25 Seasons of Love Book Two Scott Aberdeen doesn't believe in Santa Claus the Easter Bunny or God Or love at least he knows no one will ever love him After all he has carried a torch for his best friend Sloan for a decade hoping his feelings will be returned one day But when Sloan finds springtime love with another man Scott's fantasies are crushed and his skepticism confirmed Cedar Carrington raised by rock star parents leads a free spirited nomadic life never staying in one place for long Due to a dark past he refuses to share or even think about he is willing to let men into his bed for sex but never for the night When Scott finds himself camping in the middle of nowhere with over a hundred men who all believe in love and faeries and a magickal gay brotherhood he's pretty sure he's in the wrong place And when Cedar connects with cynical critical Scott he wonders how he could be falling in for this man of all men But hearts and lives have been transformed at the Heartland Men's Festival before and it might be just the place where two very different men can release their pain and find true love at last

Radio Romance JC Savoy, 2025-03-26 Late night radio brought them together a snowstorm might just seal the deal When Whispering Falls radio host Ainsley Jefferson picks up a call from a man who only calls himself Boston Guy she doesn't expect it to become the best part of her night But as their witty intimate conversations grow more personal she realizes the voice on the line is becoming something she looks forward to more than she should Then a snowstorm knocks out the studio and Boston Guy appears in person soft spoken steady and nothing like she expected Suddenly their connection is real Set in a snow draped New England town filled with warmth wit and late night honesty Radio Romance is a sweet slow burn romance about finding comfort in conversation and falling for someone who hears you even when you're not saying everything out loud

The Front Yard War Wred Fright, 2025-01-19 Jane Carcrashski is getting a divorce Jane Carcrashski is looking for a new career Jane Carcrashski is getting good at hiding her nervous breakdown But one thing Jane Carcrashski is not doing is cutting the grass You see her estranged husband says he'll do it and she's making sure he keeps his word Unfortunately he's real busy so he

hasn't had time to do it but he says he'll be over tonight. If not tonight then the next day. OK maybe this weekend. Well something came up so next weekend. In the meantime the grass is growing and we're past No Mow May into Angry Neighbors And Government Code Violations. June and Jane is thrust into an armed standoff with local government goons fueled by a group of misfits drawn to her growing grass including a property rights extremist who maybe only loves his rights slightly more than his guns, a native plants enthusiast who feels guilty about finding dandelion sandwiches so damn delicious, a yard artist who thinks Jane's yard just needs a few more inflatable flamingos and it would look better, and a digital druid who dislikes clothing and insists on live streaming his intense naked conversations with the plants in Jane's yard. Remember the Alamo. Remember Waco. Remember Attica. Remember how the Harpers Ferry raid ended. Also remember when Harper's Ferry used to have an apostrophe. OK enough digression let's get back to the main point. Remember when Philadelphia dropped a bomb on a bunch of militant vegetarians. No. Well none of those had happy endings. Jane's still hoping for one here but that's only probably because she's drunk. If you like novels such as *The Monkey Wrench Gang* then you're probably on a government watchlist but you'll also likely enjoy reading *The Front Yard War*. **Nite, Nite, Baby Sallie** Sims, L. D. (Linda D.), 2005. *Nite Nite Baby Sallie* is a story about a young woman who is a survivor of abuse and torment. Her reality becomes far worse than any nightmare. *Wildland* Rebecca Hodge, 2020-02-11. For fans of Jodi Picoult and Anita Shreve comes an exhilarating debut novel of one woman's courage in the face of catastrophe. She'll do anything to save them. But what will she do to save herself? When Kat Jamison retreats to the Blue Ridge Mountains she's counting on peace and solitude to help her make a difficult decision. Her breast cancer has returned but after the death of her husband her will to fight is dampened. Now she has a choice to make: face yet another round of chemotherapy or surrender gracefully. Self-reflection quickly proves impossible as her getaway is complicated by a pair of abandoned dogs and two friendly children staying nearby: Lily and Nirav. In no time at all Kat's quiet seclusion is invaded by the happy confusion of children and pets. But when lightning ignites a deadly wildfire Kat's cabin is cut off from the rest of the camp, separating Lily and Nirav from their parents. Left with no choice Kat, the children, and the dogs must flee on foot through the drought-stricken forest away from the ravenous flames. As a frantic rescue mission is launched below the fire line Kat drives the party deeper into the mountains determined to save four innocent lives. But when the moment comes to save her own Kat will have to decide just how hard she's willing to fight to survive and what's worth living for. A heart-pounding novel of bravery, sacrifice, and self-discovery. *Wildland* will keep you on the edge of your seat to the very last page. *Limerence* Charlie O'Brien, 2016-12-29. Stuart Wilmington has had the same tight-knit group of friends for most of his life which include his best friend Scott and close friends Natalie and Lindsay. He often feels extremely uncomfortable in most social situations. Though he's been invited to all the senior parties it is more of a formality on his friend's part; he has rarely attended any of them. But Scott has made Stuart promise that he'll finally make an appearance at Lindsay's house party. Feeling a bit guilty for not showing his face for months Stuart forces himself to go even

though he has been anxiety ridden ever since Lindsay had invited him He doesn't often take chances instead he tends to stick to his familiar routines and has particular behaviorisms that most people find eccentric or just plain weird But he isn't odd he has high functioning Asperger's He just sees the world a bit differently than his peers and often has trouble processing sensory around him During the party Stuart runs into two of his classmates Jordan Finnegan and David Rourke who have been relentlessly harassing him for years Tonight is no different However one of the party guests step in and put a stop to the bullying Once rescued Stuart finds himself overwhelmed by all the noise and the crowd so he finds refuge out on Lindsay's porch And it is there that Stuart meets his rescuer the charming Jason Banciu a few years his senior from the nearby town of Harrison Jason is everything he's craving in a relationship independent gorgeous and full of admiration and love for Stuart At first things seem to be going quite well They start to casually date and Stuart starts to feel more comfortable around his new boyfriend Because Stuart has never dated before he quickly feels overwhelmed and completely out of his depth when it comes to their relationship But he knows that he has fallen head over heels in love with Jason and is determined to prove to the world that he is capable of being in an adult relationship
