**The Billboard** ,1926      **Life** ,1929      Brink Chelsea Ramsey,2013 Unnoticed by everyone Luke had stayed frozen in his spot He stared unseeing at the spot in space where Grant s head had been His eyes were wide and unbelieving What did I just do Luke has to come to terms with a newfound power and responsibility that has unceremoniously been thrown on his lap Seemingly alone with nobody to share his frustrations he has to make a decision that nobody else can A decision that can either lead to the harnessing of power for a greater cause or one that can lead to his ultimate destruction What is happening to Luke What is the presence that watches him from afar and seems to trigger the power that flows through his veins In this story of self discovery reunification and mystery journey with Luke his friends and his family as he strives to find out what is driving him to the brink of his own sanity Step into a reality turned fantasy with him as he discovers more about his origins and the secrets that he never knew existed until they unravelled before him      **The Gramophone** ,1927      *Speed-the-Plow* David Mamet,2014-09-30 Speed the Plow is an exhilaratingly sharp comical disturbing play about the power of money and sex in Hollywood and how they corrupt two movie producers Speed the Plow opened at Lincoln Center to sold out seats rave reviews and much fanfare in March 1988 starring Madonna Joe Mantegna and Ron Silver and later moved to and had a long standing run on Broadway      **On Marilyn Monroe** Richard Barrios,2023 She was born nearly a century ago and has been gone for well over half that time The body of work she left behind is of limited size and in some cases debatable quality The environment in which she thrived popular entertainment in the 1950s is a distant memory if that Those are indisputable facts Why is it then that they seem so immaterial How is it that the phenomenon continues unabated that the iconography and mythology only seem to increase Why all the interest and speculation and merchandising and why all the documentaries and miniseries about her Plus to cut a little closer all those shelves of books With Marilyn Monroe there is never one single answer To start with one of the most obvious some of it has to do with the element of tragedy the special kind that crashes in when a life of magnetic achievement and renown is cut short with miserable suddenness Alexander the Great Joan of Arc Byron and Keats Valentino Hank Williams James Dean the Kennedys Malcolm X Dr King Joplin and Hendrix and Morrison Elvis Princess Diana Michael Jackson How natural to mourn how easy to speculate on what could have been Monroe offers unusually ripe territory for this with her blatant rapid fire explosion into the world s consciousness the tumult and visibility of her private and professional paths and the sharply cut off way she died overlaid with just enough ambiguity to cause some people to wonder about the circumstances From there eventually and alas to an unseemly franchise based on conjecture about that death with most of the ruminations drenched in paranoia and personal agendas      Kentucky's Cookbook Heritage John van Willigen,2014-11-12 A Southern historian combs through Kentucky cookbooks from the mid nineteenth century through the twentieth to reveal a fascinating cultural narrative In Kentucky s Cookbook Heritage John van Willigen explores the Bluegrass State s cultural and culinary history through the rich material found in regional cookbooks He begins in 1839

with Lettice Bryan's *The Kentucky Housewife* which includes pre Civil War recipes intended for use by a household staff instead of an individual cook along with instructions for serving the family Van Willigen also shares the story of the original Aunt Jemima the advertising persona of Nancy Green born in Montgomery County Kentucky who was one of many African American voices in Kentucky culinary history Kentucky's Cookbook Heritage is a journey through the history of the commonwealth showcasing the shifting attitudes and innovations of the times Analyzing the historical importance of a wide range of publications from the nonprofit and charity cookbooks that flourished at the end of the twentieth century to the contemporary cookbook that emphasizes local ingredients van Willigen provides a valuable perspective on the state's social history

**Territory** Emma Bull, 2007-07-10 Wyatt Earp Doc Holliday Ike Clanton You think you know the story You don't Tombstone Arizona in 1881 is the site of one of the richest mineral strikes in American history where veins of silver run like ley lines under the earth a network of power that belongs to anyone who knows how to claim and defend it Above the ground power is also about allegiances A magician can drain his friends strength to strengthen himself and can place them between him and danger The one with the most friends stands to win the territory Jesse Fox left his Eastern college education to travel West where he's made some decidedly odd friends like the physician Chow Lung who insists that Jesse has a talent for magic In Tombstone Jesse meets the tubercular Doc Holliday whose inner magic is as suppressed as his own but whose power is enough to attract the sorcerous attention of Wyatt Earp Mildred Benjamin is a young widow making her living as a newspaper typesetter and unbeknownst to the other ladies of Tombstone selling tales of Western derring do to the magazines back East Like Jesse Mildred has episodes of seeing things that can't possibly be there When a failed stage holdup results in two dead Tombstone explodes with speculation about who attempted the robbery The truth could destroy Earp's plans for wealth and glory and he'll do anything to bury it Meanwhile

outlaw leader John Ringo wants the same turf as Earp Each courts Jesse as an ally and tries to isolate him by endangering his friends as they struggle for magical dominance of the territory Events are building toward the shootout of which you may have heard But you haven't heard the whole secret story until you've read Emma Bull's unique take on an American legend in which absolutely nothing is as it seems      **Paint, Oil and Chemical Review ...** ,1921      **Old Yorkshire** ,1883
