Chris Randy Salem,2011-04-15 First Digital Edition Grier Rating A A young and passionate girl Chris Hamilton is also an incredibly handsome one You would hardly have suspected her of harboring powerful hungers and unconventional desires unless you knew of her love affair with another woman a lovely blonde appropriately named Dizz Dizz accepted the advances of Chris yet withheld her love Deliberately perhaps to torment Chris she allowed herself an affair with a man She behaved so coldly so harshly Chris could not keep herself from spending her weekends in successive one night stands searching for tenderness and love And then she met the sweet Carol Martin Carol fell hard for Chris unaware that Chris was struggling to break her binds to Dizz Was there any escape for Chris Could she break away from the emotional web she found herself in Could she heal herself with work with the tender embraces of Carol Or would she deny herself a chance at true love in meaningless embraces with different women each night The answer is disclosed in this delicate yet unblushingly frank novel which courageously dispels the myths surrounding unconventional love *Myths of Mountains and Seas* Tang

Allen,2009-01-10 For Danielle Allen punishment is more a window onto democratic Athens fundamental values than simply a set of official practices From imprisonment to stoning to refusal of burial instances of punishment in ancient Athens fueled conversations among ordinary citizens and political and literary figures about the nature of justice Re creating in vivid detail the cultural context of this conversation Allen shows that punishment gave the community an opportunity to establish a shining myth of harmony and cleanliness that the city could be purified of anger and social struggle and perfect order achieved Each member of the city including notably women and slaves had a specific role to play in restoring equilibrium among punisher punished and society The common view is that democratic legal processes moved away from the emotional and personal to the rational and civic but Allen shows that anger honor reciprocity spectacle and social memory constantly prevailed in Athenian law and politics Allen draws upon oratory tragedy and philosophy to present the lively intellectual climate in which punishment was incurred debated and inflicted by Athenians Broad in scope this book is one of the first to offer both a full account of punishment in antiquity and an examination of the political stakes of democratic punishment It will engage classicists political theorists legal historians and anyone wishing to learn more about the relations between institutions and culture normative ideas and daily events punishment and democracy **The Mythical Hero's Otherworld Chronicles: Volume 9** Tatematsuri,2024-12-05 Beaten and scarred by brutal conflict the land of Faerzen has languished for two years under the yoke of Six Kingdoms Now the Grantzian Empire plots its liberation Fresh from her victory in Steissen Liz regroups with Aura and Sc thach to lead the march west while Surtr joins the war effort to pursue goals of his own Old scars will reopen and old scores will be settled as the curtain rises on the final battle for this war torn nation And as Sc thach stands on the brink of restoring her homeland she must ask herself what is she prepared to lose *A Touch of Crimson* Sylvia Day,2011-10-04 From the 1 New York Times bestselling author of the Crossfire series comes the first novel in a hot blooded paranormal romance series Adrian Mitchell is an angel of immense power and insatiable desire Leading an elite Special Ops unit of the Seraphim his task is to punish the Fallen angels who have become vampires and command a restless pack of indentured lycans But Adrian has suffered his own punishment for becoming involved with mortals losing the woman he loves again and again Now after nearly two hundred years he has found her Shadoe her soul once more inhabiting a new body with no memory of him This time he won t let her go With no memory of her past as Shadoe Lindsay Gibson only knows she can t help being fiercely attracted to the smoldering seductive male who
