## **House Called Memory:**

Psychology (Loose Leaf) Don H. Hockenbury, Sandra E. Hockenbury, 2008-12-06 More than any other psychology textbook Don and Sandra Hockenbury's Psychology relates the science of psychology to the lives of the wide range of students taking the introductory course Now Psychology returns in a remarkable new edition that shows just how well attuned the Hockenburys are to the needs of today's students and instructors Psychology began with a basic idea combine scientific authority with a narrative that engages students and relates to their lives From decades of experience teaching the Hockenburys created a book filled with cutting edge science and real life stories that draw students of all kinds into the course

*The Memory of the People* Andy Wood, 2013-08-15 Did ordinary people in early modern England have any coherent sense of the past Andy Wood's pioneering new book charts how popular memory generated a kind of usable past that legitimated claims to rights space and resources He explores the genesis of customary law in the medieval period the politics of popular memory local identities and traditions gender and custom literacy orality and memory landscape space and memory and the legacy of this cultural world for later generations Drawing from a wealth of sources ranging from legal proceedings and parochial writings to proverbs and estate papers he shows how custom formed a body of ideas built up generation after generation from localized patterns of cooperation and conflict This is a unique account of the intimate connection between landscape place and identity and of how the poorer and middling sort felt about the world around them

**Writers' Houses and the Making of Memory** Harald Hendrix, 2012-08-06 This innovative new book examines the ways in which writers houses contribute to the making of memory It shows that houses built or inhabited by poets and novelists both reflect and construct the author's private and artistic persona it also demonstrates how this materialized process of self fashioning is subsequently appropriated within various strategies and policies of cultural memory

New Directions in Geriatric Medicine Lee Ann Lindquist, 2016-04-09 This book is designed to present the clinical geriatric trends within general internal medicine and family practice which practitioners often encounter in caring for their older adult patients Chapters focus on increasingly difficult clinical decisions that practitioners have to make in caring for older adults who often experience medical complications due to memory loss physical disability and multiple chronic conditions Written by experts in geriatric medicine each of these chapters start with the most up to date clinical geriatric research and provide specific examples or case studies on how to use this information to address the clinical needs of older adult patients In addition there is a set of concise take home points for each chapter that are easy to commit to memory and implement in clinical care of aging patients As the only book to focus on current trends in geriatric research and evidence based eldercare practice Clinical Trends in Geriatric Medicine is of great value to internists family practitioners geriatricians nurses and physician assistants who care for older adults

*Memory's Daughters* Susan Stabile, 2018-09-05 A renowned literary coterie in eighteenth century Philadelphia Elizabeth Fergusson Hannah Griffiths Deborah Logan Annis Stockton and Susanna Wright

wrote and exchanged thousands of poems and maintained elaborate handwritten commonplace books of memorabilia Through their creativity and celebrated hospitality they initiated a salon culture in their great country houses in the Delaware Valley In this stunningly original and heavily illustrated book Susan M Stabile shows that these female writers sought to memorialize their lives and aesthetic experience a purpose that stands in marked contrast to the civic concerns of male authors in the republican era Drawing equally on material culture and literary history Stabile discusses how the group used their writings to explore and at times replicate the arrangement of their material possessions including desks writing paraphernalia mirrors miniatures beds and coffins As she reconstructs the poetics of memory that informed the women s lives and structured their manuscripts Stabile focuses on vernacular architecture penmanship souvenir collecting and mourning Empirically rich and nuanced in its readings of different kinds of artifacts this engaging work tells of the erasure of the women s lives from the national memory as the feminine aesthetic of scribal publication was overshadowed by the proliferating print culture of late eighteenth century America

*Movies, Music and Memory* Julia Hallam, Lisa Shaw, 2020-04-15 Presenting research findings from recent studies including pilot projects led by the authors in the UK and Brazil this book provides an accessible timely practically relevant and jargon free overview of how music and films are currently used in nursing homes dementia wards and day care centres for the older population

**My God Makes House Calls** Nalley T. Osland, 2009 It was 1960 and Nalley T Osland young mother of two felt out of control She was strangled by an overwhelming fear that was trying to take control of her both spiritually and physically Her nerves were frayed and she was on the edge of collapse But this all changed one Sunday morning when God came to her home and instructed her to go to church When she obeyed she began a journey she never thought possible With her husband Stuart by her side the family followed the commands presented in the Bible and walked in the way of the Lord Osland shares an array of the family s experiences from making a new life in a different state to living in a home cursed by witchcraft Written in a warm engaging tone this personal memoir shares the life experiences of Osland as she learned to put on her armor and use her spiritual warfare effectively to overcome the works of Satan
