Cashdollar, 2010-11-01 A Spiritual Home explores congregational life inside British and American Reformed churches between 1830 and 1915 At a time when scholars have become interested in the day to day experience of local congregations this book reaches back into the nineteenth century a critically formative period in Anglo American religious life to examine the historical roots of congregational life Taking the perspective of the laity Cashdollar ranges widely from worship and music to fund raising and administration from pastoral care to social work from prayer meetings to strawberry festivals from the sanctuary to the kitchen Firmly rooted in broader currents of gender class notions of middle class respectability increasing expectations for personal privacy and patterns of professionalization he finds that there was a gradual shift in emphasis during these years from piety to fellowship Based on records publications and memorabilia from about 150 congregations representing eight denominations A Spiritual Home gives us a comprehensive composite portrait of religious life in Victorian Britain and America *God's Simple Plan for His Church - And Your Place in It* Nate Krupp, 2019-08-20 God is getting His Church ready for coming revival a great ingathering of the harvest and end time persecution The Great Commission can be fulfilled very quickly by a multiplication of simple house churches If the Church will look at your simple but thorough description of what the New Testament Church looked like and return to that simplicity we truly can see the Great Commission fulfilled in our time Jim Montgomery DAWN Ministries This is the simplest book you ll ever find on the house church yet it still covers all the basics practical matters like finances how to handle blabbermouths and what to do with the kids It also covers very concisely the foundational matters Easy reading from a sophisticated writer James H Rutz Open Church Ministries As I read God s Simple Plan for His Church by Nate Krupp I was struck with the impression that this man was not giving forth theory or philosophy but rather the deep convictions coming out of years of experience and study I can see God s Simple Plan being used as a reference book by house church planters and leaders from now until Jesus comes back Robert Fitts Sr House church planter I m returning to Russia with strong plans to do this work in my country to renew the Church in the Spirit of
