"Twice the Thrills! Twice the Chills!" Bryan Senn,2019-02-28 In the mid 1950s to combat declining theater attendance film distributors began releasing pre packaged genre double bills including many horror and science fiction double features Though many of these films were low budget and low end others such as *Invasion of the Body Snatchers* *Horror of Dracula* and *The Fly* became bona fide classics Beginning with Universal International s 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra* 147 officially sanctioned horror and sci fi double bills were released over a 20 year period This book presents these double features year by year and includes production details historical notes and critical commentary for each film *Horror Films FAQ* John Kenneth Muir,2013-08-01 *FAQ Horror Films* FAQ explores a century of ghoulish and grand horror cinema gazing at the different characters situations settings and themes featured in the horror film from final girls monstrous bogeymen giant monsters and vampires to the recent torture porn and found footage formats The book remembers the J Horror remake trend of the 2000s and examines the oft repeated slasher format popularized by John Carpenter s *Halloween* 1978 and *Friday the 13th* 1980 After an introduction positioning the horror film as an important and moral voice in the national dialogue the book explores the history of horror decade by decade remembering the women s liberation horrors of the 1970s the rubber reality films of the late 1980s the serial killers of the 1990s and the xenophobic terrors of the 9 11 age *Horror Films FAQ* also asks what it means when animals attack in such films as *The Birds* 1963 or
