House Of Green Turf:

The House of Green Turf Ellis Peters, 2015-12-22 A car crash survivor is convinced she committed murder and private eye Francis Killian joins forces with George and Bunty Felse to uncover her past World famous opera singer Maggie Tressider wakes up in a hospital after an accident haunted by the certainty that she has committed a murder Her doctor suggests that with the help of a psychiatrist she may be able to lay the nameless specter to rest But Maggie chooses a very different expert to help her unearth the secrets of her past Her commission launches private investigator Francis Killian on a hunt across Europe in search of a grave But the trail also leads him to one Bunty Felse a former colleague of Maggie s and the wife of Inspector Felse The successful end of Killian s search is only the beginning of a long pilgrimage a journey that leads not only back into the past but also to a remote corner of the Austrian Alps where death awaits The House of Green Turf is the 8th book in the Felse Investigations but you may enjoy reading the series in any order **House of Green Turf X12 S/W** Ellis Peters, 1992-08-25 **The House of Green Turf** Edith Pargeter, 1969 **The House of Green Turf**, 1970 Maggie Rich beautiful and young She was a famous opera singer with many admirers but no one had ever touched her heart After a near fatal car crash a voice from the past haunted her somewhere at some time she had wronged someone destroyed him but the memory kept eluding her She needed someone to help her find this demon sent to torment her from the recesses of her mind Francis Handsom and aloof he was a discreet detective 0 had brushed with love been hurt and now never let his emotions get out of hand that is not until he met Maggie His search for the identity of her faceless accuser was more to him that just a case It became his life They were bound together in their search for the truth and separated by a wall of fear **The House of Dr. Edwardes** Francis Beeding, 2021-06-17 A novel of psychological terror set in a mental asylum that became the basis for Alfred Hitchcock s *Spellbound* starring Ingrid Bergman and Gregory Peck From the outset the air that Beeding s characters breathe crackles with ominous electricity This is surely what appealed to Alfred Hitchcock when he found Beeding s *The House of Dr Edwardes* and used it as the inspiration for his unforgettable film *Spellbound* The house of the title is a lunatic asylum in France and Dr Edwardes is the head psychiatrist While Edwardes is held in high esteem an almost iconic figure in psychiatric circles there is something clearly amiss The novel opens with a puzzling ominous episode in which a patient being transported to the asylum grows agitated as the car bringing him there approaches The patient suddenly screams the gorge of the devil and then attacks and kills one of the supervisors a promising but inexperienced psychiatrist This opens a position that Dr Sedgwick accepts but on arrival she learns that Dr Edwardes has taken a leave of absence to calm his nerves It doesn t take her long to discover that the house is hardly in order Unlike Hitchcock s *Spellbound* The House of Dr Edwardes owes less to Freud displaying much closer affinities with the brooding psychological landscapes of Gothic novels of the eighteenth and nineteenth centuries particularly Emily Bront s *Wuthering Heights* The result is a compelling work part mystery part modern Gothic Chantry House Charlotte Mary Yonge, 1905 **House & Garden**

Congress. House,1855 **Old House Interiors**,1997 National architectural magazine now in its fifteenth year covering period inspired design 1700 1950 Commissioned photographs show real homes inspired by the past but livable Historical and interpretive rooms are included new construction additions and new kitchens and baths take their place along with restoration work A feature on furniture appears in every issue Product coverage is extensive Experts offer advice for homeowners and designers on finishing decorating and furnishing period homes of every era A garden feature essays archival material events and exhibitions and book reviews round out the editorial Many readers claim the beautiful advertising all of it design related no lifestyle ads is as important to them as the articles *Bleak House* Charles John Huffam Dickens,1873 *The House of Souls* Arthur Machen,1922 The Great God Pan and The White People are classics of the horror genre while The Inmost Light is more conventional but still a damn good piece A Fragment of Life the only non horror tale in the collection has its tedious sections but this proves to be intentional as a rendering of the ephemera of life drowning out the beauty Machen's career though rarely less than entertaining eventually descended into lesser material going over the same ideas but The House of Souls is one of his essential books along with The Hill of Dreams Ornaments in Jade and The Three Impostors Uniquely powerful literature from a veritable visionary Jim Smith
