Houses Of Stone:

Houses of Stone Barbara Michaels,2009-10-06 It is a find of inestimable value for Karen Holloway The battered manuscript she holds in her hand written in the nineteenth century and bearing the mysterious attribution Ismene could prove a boon to the eager young English professor s career But Karen s search for the author s true identity is carrying her into the gray shadows of the past to places fraught with danger and terror For the deeper she delves into Ismene s strange tale of gothic horror the more she is haunted by the suspicion that the long dead author was writing the truth and that even now she is guiding Karen s investigation leading her to terrible secrets hidden behind the cold walls of houses of stone
