Digital Environment A Global Perspective provides discussions on the work of three editors who have significant experience
 in the quality assurance of teaching and learning and have been developing approaches during the recent COVID 19
 pandemic Discussions on learning and teaching during the pandemic were concentrated on how academic institutions ensure
 quality of courses and that academic integrity is maintained in all assessments in a digital environment thus ensuring what is
 being delivered meets global standards and professional bodies have confidence in programs delivered by the higher
 education sector The area of quality assurance and academic integrity is thus critical in this new digital environment where
 significant educational programs will be delivered Provides updates on what university administrators are doing to face
 challenges on how to maintain the quality of their programs during digital learning Addresses concerns on the quality of their
 programs and academic integrity is maintained at all times Proposes new practices and innovative approaches to bring to the
