Horus Road:

Desert road archaeology in ancient Egypt and beyond Heiko Riemer, 2013-01-01 *Roads in the Deserts of Roman Egypt* Maciej Paprocki, 2019-07-19 Egypt under the Romans 30 BCE 3rd century CE was a period when local deserts experienced an unprecedented flurry of activity In the Eastern Desert a marked increase in desert traffic came from imperial prospecting quarrying activities and caravans transporting wares to and from the Red Sea ports In the Western Desert resilient camels slowly became primary beasts of burden in desert travel enabling caravaneers to lengthen daily marching distances across previously inhospitable dunes Desert road archaeology has used satellite imaging landscape studies and network analysis to plot desert trail networks with greater accuracy however it is often difficult to date roadside installations and thus assess how these networks evolved in scope and density in reaction to climatic social and technological change Roads in the Deserts of Roman Egypt examines evidence for desert roads in Roman Egypt and assesses Roman influence on the road density in two select desert areas the central and southern section of the Eastern Desert and the central Marmarican Plateau and discusses geographical and social factors influencing road use in the period demonstrating that Roman overseers of these lands adapted remarkably well to local desert conditions improving roads and developing the trail network Crucially the author reconceptualises desert trails as linear corridor structures that follow expedient routes in the desert landscape passing through at least two functional nodes attracting human traffic be those water sources farmlands mines quarries trade hubs military installations or actual settlements The route of least resistance across the desert varied from period to period according to the available road infrastructure and beasts of burden employed Roman administration in Egypt not only increased the density of local desert node networks but also facilitated internodal connections with camel caravans and transformed the Sahara by establishing new or embellishing existing nodes effectively funnelling desert traffic into discernible corridors Significantly not all desert areas of Egypt are equally suited for anthropogenic development but almost all have been optimised in one way or another with road installations built for added comfort and safety of travellers Accordingly the study of how Romans successfully adapted to desert travel is of wider significance to the study of deserts and ongoing expansion due to global warming

Gog and Magog Georges Tamer, Andrew Mein, Lutz Greisiger, 2023-12-31 The tale of a collective evil force known as Gog and Magog has occupied the imagination of Jews Christians and Muslims for millennia finding expression in literary and scholarly works and other cultural artifacts This book gathers the papers from two conferences at the University of Erlangen Nuremberg by scholars ranging from history to religious studies to art history and is the most thorough work on the subject to date

The Nile Delta Katherine Blouin, 2024-02-22 This is the first volume on the history of the Nile Delta to cover the c 7000 years from the Predynastic period to the twentieth century It offers a multidisciplinary approach engaging with varied aspects of the region s long complex yet still underappreciated history Readers will learn of the history of settlement agriculture and the management of water resources at different

periods and in different places as well as the naming and mapping of the Delta and the roles played by tourism and archaeology. The wide range of backgrounds of the contributors and the broad panoply of methodological and conceptual practices deployed enable new spaces to be opened up for conversations and cross fertilization across disciplinary and chronological boundaries. The result is a potent tribute to the historical significance of this region and the instrumental role it has played in the shaping of past present and future Afro Eurasian worlds.

Tell el-Borg I James K. Hoffmeier, 2014-08-26
 Between 1999 and 2008 a team of experts and specialists worked together at Tell el Borg a site in north Sinai in the delta region of Egypt. This volume comprises the first report on the site. Tell el Borg as it turned out was composed of four significant areas: the military zone where two forts were found (Fields IV, V and VIII), the public space (Field II), the domestic area (Field VI) and the cemeteries (Field III and VII). The focus of this first of two volumes is as follows: the historical and archaeological setting of north Sinai; the east frontier military area commonly known as the Ways of Horus (Chapter 2); the paleo environmental setting of Tell el Borg and its environs (Chapter 3); the introduction to Tell el Borg and the initial discoveries (Chapter 4). The two forts and the related discoveries are treated in detail (Chapters 5 and 6) followed by the magnetometer survey conducted in 2006 and 2007 which demonstrated that we had nearly exhausted the site's potential (Chapter 7). The pottery finds from all fields are treated here by ceramic specialists: Egyptian pottery (Rexine Hummel, Chapter 8); Levantine wares (Catherine Duff, Chapter 9); Cypriote imports (Stuart Swiny, Chapter 10); and some ceramic specialty studies (Chapter 11). Last, a study of the weaponry discovered from the fort is offered (Chapter 12). The second volume will appear in the next few years.

Did Moses Exist? D. M. Murdock, Acharya S, 2014
 The biblical figure of Moses has been the center of fascination for over 2 000 years but what do we actually know about him? Was he a real person? Did the Exodus truly happen? Or is the story in the Pentateuch a mythical account written centuries after the alleged events? Why does Moses's story resemble that of other older lawgivers and legendary predecessors? Why are there so many elements of sun and wine god myths in the tale of Moses? What does the focus on the serpent in his story signify? Who were Yahweh and the Elohim? *Did Moses Exist* includes Maps and 126 illustrations. Extensive bibliography, table of contents and index. Hundreds of footnotes and citations from primary sources in multiple languages. Best modern scholarship from credentialed authorities. *Did Moses Exist* provides a massive amount of information from antiquity about the world's religious traditions and mythology including how solar myths, wine cultivation and fertility cults have shaped the Bible and Judaism. This book may be the most comprehensive study to date using the best scholarship and state of the art research methods. The existence of Moses as well as the veracity of the Exodus story is disputed amongst archaeologists and Egyptologists with experts in the field of biblical criticism citing logical inconsistencies, new archaeological evidence, historical evidence and related origin myths in Canaanite culture. *Moses* Wikipedia: There is no historical evidence outside of the Bible, no mention of Moses outside the Bible and no independent confirmation that Moses ever existed. Dr Michael D Coogan, lecturer on the Old Testament at Harvard Divinity

School We cannot be sure that Moses ever lived because there are no traces of his earthly existence outside of tradition Egyptologist Dr Jan Assmann Moses the Egyptian The life of Moses contains elements canonical and apocryphal that mark him as a true mythic hero and certainly he is Judaism's greatest hero and the central figure in Hebrew mythology Dr David Leeming The Oxford Companion to World Mythology the stories of the creation of the world of Abraham of Jacob of the descent into and the exodus from Egypt of the career of Moses and the Jews in the desert of Joshua and his soldiers of the judges and their clients are all apocryphal and were fabricated at a late period of Jewish history Dr Thomas Inman Ancient Faiths and Modern Table of Contents List of Illustrations Preface Introduction Who Wrote the Pentateuch Was Moses an Egyptian Pharaoh or Priest The Exodus as History The Exodus in Ancient Literature Hyksos and Lepers Who Were the Israelites The Exodus as Myth The Lawgiver Archetype The Dionysus Connection The Life of Dionysus The Vine and Wine The Great God Sun Yahweh and the Sun Moses as Solar Hero Conclusion Bibliography Index

Holman Illustrated Guide To Biblical Geography Holman Bible Publishers, Paul Wright, 2020-12-01 Reading the land enables us to read the Bible with greater insight Though the truths of the Bible transcend time and place they are rooted in them Geographical data inform our understanding of activity in the land of the Bible while the Bible's own description of these events embedded deeply in the realia of the land itself helps us better understand the living context in which these events took place When we develop a skill set that allows us to read the land of the Bible as fluently as we might read the text we stand not only to gain a better appreciation of the divine human events of Scripture we also gain an understanding of how these events become relevant to us in our own particular living contexts Chapters include Exploring the World of the Bible Building Blocks of Biblical Geography The Land of Ancient Israel The Southern Regions Judah Judea The Land of Ancient Israel The Central Regions Israel Samaria The Land of Ancient Israel The Northern Regions Galilee Transjordan Afterword Geography of the Heart Biblical geography has great apologetic value The biblical writers had to be accurate when presenting geographical material Unlike some matters of history and doctrine their assertions about the realities of land forms and climate or about the relation of one city to another or about the use of strategic routes could easily be verified both by their first readers as well as by contemporary readers Verifiable geographic information provides a solid foundation on which to place and evaluate the veracity of other truth claims in the biblical text

The King's Man Pauline Gedge, 2011-03-01 Twelve year old Amunhotep III has ascended the throne becoming king of the richest empire on earth The boy's mother acts as regent but she has brought to court the renowned seer Huy son of a humble farmer to be scribe and counsel to her royal son It's a position of power and responsibility one fraught with intrigue and the lure of corruption For it is Huy who controls the treasury the military all construction and taxation and perhaps most important it's his task to choose the young Pharaoh's queen His actions and premonitions as well as his legendary past make him very few friends and a great many enemies The King's Man continues the story of Huy first seen in The Twice Born and Seer of Egypt and his rise to power and fame With her

meticulous research and compelling prose Pauline Gedge immerses readers in the ancient and fascinating culture that was Egypt

Egyptian Divinities Moustafa Gadalla,2001 This brief examination of Egyptian religion as opposed to mythology argues that the ancient Egyptians believed in only one god and that each of the many divinities were created to represent or symbolise different aspects of that one supreme deity Gadalla examines the role and symbolism of each god or goddess in turn highlighting their place within Egyptian theology Each divinity is illustrated

The Battle of Jericho Andreas K. Hanke,2020 The Bible is the most widely read book in the world It brings guidance and comfort to those who read it A great many people believe in every word of the Bible Yet there are modern scholars who have dismissed parts of the Bible as a myth or simply a moral tale They believe that the violent conquest of Canaan never happened though it is described so vividly in the Book of Joshua and the following Books of the Bible That the tribes of Israel settled peacefully in Canaan They cannot reconcile a violent conquest with the date at which they believe that the Israelites entered the Promised Land And so they have dismissed parts of the Bible as being mere myth because it is inconvenient I believe they have lost their way in interpreting the Bible I have searched through the archaeological record and matched what I have found with the events described in the Bible My book puts forward a plausible theory of how this pivotal battle unfolded See if you agree with me

The Battle of Jericho truth or myth

Tell el-Borg II James K. Hoffmeier,2019-04-19 This is the second and final volume of scientific and interdisciplinary reports on the excavations and research conducted at Tell el Borg north Sinai between 1998 and 2008 written by the scholars and specialists who worked on the site under the direction of Professor James K Hoffmeier This volume focuses on the cemetery areas which yield more than a dozen tombs typically made of mud brick some of which were constructed for a single occupant and some of which were larger tombs that accommodated multiple family members Included is a treatment of an area of public space featuring a temple and a well among other things and a study of the geological results of the nearby ancient Ballah Lakes that offers new data on the history of the Nile distributary that flowed by Tell el Borg The balance of the work deals with specialty reports including the faunal and botanical remains the clay coffins and elite stones A concluding chapter offers a synthesis of the decade of work and ties together the finds published in both volumes In addition to the editor the contributors to this volume include Stephen Moshier Bahaa Gayed Gregory D Mumford Scott D Haddow Mark Janzen Thomas W Davis Rexine Hummel Hesham M Hussein Carole McCartney Michelle A Loyet Louise Bertini and Salima Ikram

Gaza Jean-Pierre Filiu,2023-10-26 Through its millennium long existence Gaza has often been bitterly disputed while simultaneously and paradoxically enduring prolonged neglect Jean Pierre Filiu s book is the first comprehensive history of Gaza in any language Squeezed between the Negev and Sinai deserts on the one hand and the Mediterranean Sea on the other Gaza was contested by the Pharaohs the Persians the Greeks the Romans the Byzantines the Arabs the Fatimids the Mamluks the Crusaders and the Ottomans Napoleon had to secure it in 1799 to launch his failed campaign on Palestine In 1917 the British Empire fought for months to conquer Gaza before establishing its mandate on

Palestine In 1948 200 000 Palestinians sought refuge in Gaza a marginal area neither Israel nor Egypt wanted Palestinian nationalism grew there and Gaza has since found itself at the heart of Palestinian history It is in Gaza that the fedayeen movement arose from the ruins of Arab nationalism It is in Gaza that the 1967 Israeli occupation was repeatedly challenged until the outbreak of the 1987 intifada And it is in Gaza in 2007 that the dream of Palestinian statehood appeared to have been shattered by the split between Fatah and Hamas The endurance of Gaza and the Palestinians make the publication of this history both timely and significant Gaza, NEW EDITION Jean-Pierre Filiu,2024-07-25 Through its millennium long existence Gaza has often been bitterly disputed yet enduringly neglected Squeezed between the Negev and Sinai deserts and the Mediterranean Sea Gaza was contested by everyone from the Pharaohs Persians Greeks and Romans to the Arabs Crusaders Ottomans and British And since 1948 Gaza has been at the heart of Palestinian nationalism and history Filiu s book was the first comprehensive history of Gaza to be published in any language This new updated edition covers events since 2011 including Gaza s renewed tragic centrality to world politics and security since the events of October 2023 history s worst attack on Israel provoking history s worst war against the Palestinians **Cries from the Lost Island** Kathleen O'Neal Gear,2021-04-06 Now in paperback this standalone fantasy brings an ancient Egyptian mystery to life against a modern background in a tale expertly crafted by a seasoned anthropologist Set against the glory and tragedy of ancient Roman Egypt this novel explores the greatest love story of all time Sixteen year old Hal Stevens is a budding historian from a small town in Colorado A virtual outcast at high school he has only two friends Roberto nicknamed the Biker Witch and Cleo Mallawi Cleo claims to be the reincarnation of Queen Cleopatra She also believes she s being stalked by an ancient Egyptian demon Ammut the Devourer of the Dead When Hal and Roberto find Cleo murdered in the forest near her home it appears she may have been telling the truth Her last request sends them journeying to Egypt with famed archaeologist Dr James Moriarity where it quickly becomes clear that Cleo has set them on the quest of a lifetime the hunt for the lost graves of Marc Antony and Cleopatra But they are not alone in their search Cleo s murderers are watching their every move And not all of them are human Ancient Egyptian Literature ,2009-06-03 A beautifully translated collection sampling all the major genres of ancient Egyptian literature Poetry stories hymns prayers and wisdom texts found exquisite written expression in ancient Egypt while their literary counterparts were still being recited around hearth fires in ancient Greece and Israel Yet because of its very antiquity and the centuries during which the language was forgotten ancient Egyptian literature is a newly discovered country for modern readers This anthology offers an extensive sampling of all the major genres of ancient Egyptian literature It includes all the texts from John Foster s previous book Echoes of Egyptian Voices along with selections from his Love Songs of the New Kingdom and Hymns Prayers and Songs An Anthology of Ancient Egyptian Lyric Poetry as well as previously unpublished translations of four longer and two short poems Foster s translations capture the poetical beauty of the Egyptian language and the spirit that impelled each piece s composition making these ancient masterworks

sing for modern readers An introduction to ancient Egyptian literature and its translation as well as brief information about the authorship and date of each selection completes the volume This exceptional sampling of one of the world s most ancient literatures offers more than 40 hymns stories prayers and songs revolving around religion the Pharaohs life death love and more Highly recommended for all literary collections this is also of interest to comprehensive collections of Egyptology Near Eastern history world literature in translation and religion Library Journal Older than the Buddha and the Bhagavad Gita these poems constitute a truly ancient literature and Foster s rich and textured translations make genuine love poems and exhortations to the gods out of what to most of us are just pictures Booklist **Travelling the Korosko Road:**

Archaeological Exploration in Sudan's Eastern Desert W. Vivian Davies,Derek A. Welsby,2020-12-03 This volume publishes accounts of archaeological exploration carried out in the Sudanese Eastern Desert A pioneering programme of expeditions along the so called Korosko Road revealed a rich archaeological landscape frequented over millennia including gold production areas and their associated settlements **Pharaoh's Land and Beyond** Pearce Paul Creasman,Richard H. Wilkinson,2017-06-01 The concept of pharaonic Egypt as a unified homogeneous and isolated cultural entity is misleading Ancient Egypt was a rich tapestry of social religious technological and economic interconnections among numerous cultures from disparate lands In fifteen chapters divided into five thematic groups Pharaoh s Land and Beyond uniquely examines Egypt s relationship with its wider world The first section details the geographical contexts of interconnections by examining ancient Egyptian exploration maritime routes and overland passages In the next section chapters address the human principals of association peoples with the attendant difficulties of differentiating ethnic identities from the record diplomatic actors with their complex balances and presentations of power and the military with its evolving role in pharaonic expansion Natural events from droughts and floods to illness and epidemics also played significant roles in this ancient world as examined in the third section The final two sections explore the physical manifestations of interconnections between pharaonic Egypt and its neighbors first in the form of material objects and second in the powerful exchange of ideas Whether through diffusion and borrowing of knowledge and technology through the flow of words by script and literature or through exchanges in the religious sphere the pharaonic Egypt that we know today was constantly changing and changing the cultures around it This illustrious work represents the first synthesis of these cultural relationships unbounded by time geography or mode *Fodor's Egypt* Fodor's,2011 Detailed and timely information on accommodations restaurants and local attractions highlight these updated travel guides which feature all new covers a dramatic visual design symbols to indicate budget options must see ratings multi day itineraries Smart Travel Tips helpful bulleted maps tips on transportation guidelines for shopping excursions and other valuable features Original Once Holy Mountain Mark H. Sweberg,2020-07-29 This book is about the location of biblical Mount Sinai It differs from all previous works about Mount Sinai in that the research and methodology is wholly focused on the Bible text what the Bible has to say about Mount Sinai

the physical realities that would have impacted on the Israelites that followed Moses and what archaeology has revealed to date Those realities influenced the route of travel from Egypt to Mount Sinai the distance traveled the impact of the physical condition of the people and the animals that went with them and the logistics involved Most written works about Mount Sinai do not offer evidence from the biblical text supporting their conclusions and those that do often only cite the Bible in passing This book holds that the historical accuracy inerrancy and authority of the Bible are without question The Exodus happened and the Israelite people were freed from bondage and followed the leadership of Moses to Mount Sinai and beyond This book focuses on the evidence and physical realities without the introduction of personal agendas or biases The book pieces together the three dimensional puzzle recognized as Mount Sinai in the Exodus and identifies where Mount Sinai is located based on the evidence presented throughout
