Curtis C. Smith

Hostage For Hinterland:

A Hostage for Hinterland Arsen Darnay,1980 **The History of the Science-fiction Magazine** Michael Ashley,2000 This third volume in Mike Ashley's four volume study of the science fiction magazines focuses on the turbulent years of the 1970s when the United States emerged from the Vietnam War into an economic crisis It saw the end of the Apollo moon programme and the start of the ecology movement This proved to be one of the most complicated periods for the science fiction magazines Not only were they struggling to survive within the economic climate they also had to cope with the death of the father of modern science fiction John W Campbell Jr while facing new and potentially threatening opposition The market for science fiction diversified as never before with the growth in new anthologies the emergence of semi professional magazines the explosion of science fiction in college the start of role playing gaming magazines underground and adult comics and with the success of Star Wars media magazines This volume explores how the traditional science fiction magazines coped with this from the death of Campbell to the start of the major popular science magazine Omni and the first dreams of the Internet **Gateways to Forever** Mike Ashley,2007-04-01 This third volume in Mike Ashley's four volume study of the science fiction magazines focuses on the turbulent years of the 1970s when the United States emerged from the Vietnam War into an economic crisis It saw the end of the Apollo moon programme and the start of the ecology movement This proved to be one of the most complicated periods for the science fiction magazines Not only were they struggling to survive within the economic climate they also had to cope with the death of the father of modern science fiction John W Campbell Jr while facing new and potentially threatening opposition The market for science fiction diversified as never before with the growth in new anthologies the emergence of semi professional magazines the explosion of science fiction in college the start of role playing gaming magazines underground and adult comics and with the success of Star Wars media magazines This volume explores how the traditional science fiction magazines coped with this from the death of Campbell to the start of the major popular science magazine Omni and the first dreams of the Internet **Until the Last Man Comes Home** Michael Joe Allen,2009 Reveals how wartime loss in the Vietnam War transformed U S politics arguing that the effort to recover lost warriors was as much a means to establish responsibility for their loss as it was a search for answers about their fate **Khanty, People of the Taiga** Andrew Wiget,Olga Balalaeva,2011-05-15 Drawing on nearly twenty years of fieldwork as well as ethnohistory politics and economics this volume takes a close look at changes in the lives of the indigenous Siberian Khanty people and draws crucial connections between those changes and the social cultural and political transformation that swept Russia during the transition to democracy Delving deeply into the history of the Khanty who were almost completely isolated prior to the Russian revolution the authors show how the customs traditions and knowledge of indigenous people interact with and are threatened by events in the larger world **Medieval Hostageship c.700-c.1500** Matthew Bennett,Katherine Weikert,2016-09-13 This volume explores the issues of taking using and being hostages in the

Middle Ages It brings together recent research in the areas of hostages and hostageships looking at the act of hostage taking and the hostages themselves through the lenses of political and social history Building upon previous work this volume in particular critically examines not only the situations of hostages and hostageships but also the broader social and political context of each situation developing a more complete picture of the phenomenon Nature & Science on the Pacific Coast, 1915 *Negotiating with Terrorists* Guy Olivier Faure, I. William Zartman, 2010-02-25 This edited volume addresses the important issue of negotiating with terrorists and offers recommendations for best practice and processes Hostage negotiation is the process of trying to align two often completely polarised parties Authorities view hostage taking as unacceptable demands made by unacceptable means However terrorists view their actions as completely justified even on moral and religious grounds If they are to try and reconcile these two sides it is essential for hostage negotiators to understand terrorist culture the hostage takers profiles their personality their view of the world and also the authorities their values and their framing of the problem raised by the taking of hostages Although not advocating negotiating with terrorists the volume seeks to analyse when why and how it is done Part I deals with the theory and quantifiable data produced from analysis of hostage situations while Part II explores several high profile case studies and the lessons that can be learnt from them This volume will be of great interest to students of terrorism studies conflict management negotiation security studies and IR in general I William Zartman is the Jacob Blaustein Distinguished Professor Emeritus of International Organization and Conflict Resolution and former Director of the Conflict Management and African Studies Programs at the Paul H Nitze School of Advanced International Studies Johns Hopkins University Washington DC He is a member of the Steering Committee of the Processes of International Negotiation PIN Program at the International Institute of Applied Systems Analysis IIASA in Laxenburg Austria He is author editor of over 20 books on negotiation conflict and mediation Guy Olivier Faure is Professor of Sociology at the Sorbonne University Paris I and a member of the Steering Committee of the Processes of International Negotiation PIN Program at the International Institute of Applied Systems Analysis IIASA in Laxenburg Austria He has served as an advisor to French government on hostage negotiations *The Science Fiction Source Book* David Wingrove, 1984 The science fiction source book is packed with information about writers novels short stories magazines and works of criticism **Paperbound Books in Print**, 1983 **Books in Print Supplement**, 1978

Memories of Violence in Peru and the Congo Gilbert Shang Ndi, 2021-12-30 The book presents an intertextual and comparative analysis of memories of violence in Peruvian and Congolese Literature Examining a variety of novels that offer insightful representations of violence in their respective historical settings the author argues that similar historical experiences between Latin America and Africa engender ethical aesthetic responses and enhance trans continental critical dialogues in comparative literary studies In the same way that the drama of the Congo has become the symbolic open wound of post colonial dispensation in Africa Spanish conquest in Latin America also produced spaces where the legacy of

colonialism is strongly visible and memorable providing fertile ground for the reproduction of violence This book explores the concept and reality of violence beyond its most obvious manifestations demonstrating how in the colonial contexts of Peru and the Congo violence was a function of post colonial power dynamics and deeply engrained socio political economic and cultural ordering and othering From this perspective the work considers and re examines theoretical contributions from authors such as John Galtung Michel Foucault Immanuel Wallerstein Anibal Quijano Frantz Fanon Achille Mbembe Eboussi Boulaga Pierre Nora Susan Sontag Stevan Weine Cathy Caruth and Nelson Maldonado Torres This book will be of interest for scholars working on how violence is explored and represented in literature and other art forms

Twentieth-century Science-fiction Writers Curtis C. Smith,1986 *Twentieth-century Science Fiction Writers* ,1986 *The Presidency of William V.S. Tubman* Ralph Greenwood,2021-09-07 This is a path breaking analysis of the Presidency of William V S Tubman of Liberia 1944 1971 and his attempt to end the subjugation of the African majority in Liberia by the American Liberian minority During his presidency he put forth a great deal of effort to get Liberia involved in becoming a participant in the world community of nations

Hostage in Afghanistan Peter Collister,1999 **Blood Ransom** John Boyle,2015-05-14 For the first time in history the navies of every superpower on the planet have united against a common enemy a couple of thousand rag tag underfed men and boys Crammed together in tiny open boats they range up to a thousand miles from their home shores Armed with ancient AK47s and rocket propelled grenades they scour the western Indian Ocean No one knows how many simply die at sea But occasionally these modern day pirates hit the jackpot seizing vessels and crews that will be ransomed for millions of dollars This is a war that s estimated to cost the world economy 18 billion every year and has so far seemed impossible to win John Boyle is a lawyer turned filmmaker Whilst filming for National Geographic on the war against the Somali pirates he found himself meeting victims on every side and being drawn into the incredibly complex situation The phenomenon of modern day piracy has horrified the world the Somalis being demonised and released hostages gaining near celebrity status But few people have any understanding of the overall picture and in this book John takes us with him on his investigation giving us a unique insight into the ongoing war John builds up the story using his experiences on the ground and interviews with key figures from Presidents to pirates He spent a week in an African hilltop prison interviewing pirates both convicted and awaiting trial as well as hearing the other side of the story from former hostages Other interviewees included a President on the front line of the war against piracy politicians a UN Security Council Ambassador a hostage negotiator prosecuting and defence lawyers and a freelance security gun for hire He went on patrol with the international naval force local coastguards and air patrols and visited the very heart of the EU Naval Force s operation And he spent time on board a fishing trawler that had already been twice attacked by pirates and a Maersk

container ship identical to that in the Captain Phillips story Each chapter strips back the well known issues to the gritty realities underneath them Somalia's recent history why young men and boys are choosing to risk their lives and freedom at sea the reality of being a modern day pirate the tactics and technologies being used by the international navies and shipping vessels capture and trial and what happens next Why We Kill Karl Kemp, 2024-03-02 Why do so many South Africans prefer taking the law into their own hands to relying on the police Why are those who do so often cheered or sympathised with Of the unprecedented 27 000 recorded murders in South Africa in 2022 at least 1 894 or 7 per cent were attributed to mob justice and vigilantism more than double the number from five years before In the first nine months of 2023 a further 1 472 mob justice deaths had already been registered Mob justice is nothing new but in recent years it has taken on an undeniably desperate furious edge From the breathtakingly violent Zandspruit massacre in May 2021 to the killings during the July unrest two months later to the march of Operation Dudula across the nation in 2022 vigilantism and the condoning of it has never before captured the zeitgeist of South Africa so sharply What has changed in the past few years and what does it augur for the future Following three recent cases of mob justice from the hellish metropolitan townships of Gauteng to the far flung bushveld of northern Limpopo and drawing on extensive research and interviews Why We Kill explores the roots realities and consequences of South Africa's current crisis of vigilantism
