Hostage Of Passion:

HOSTAGE OF PASSION Diana Hamilton, Yutta Narukami, 2020-02-01 A man named Francisco visits Sarah at her office. He is a man with black eyes and a sharp gaze who is overflowing with charm. However, he arrogantly demands that she tell him where her father is. He claims that her father seduced and ran off with his eighteen-year-old sister. There has to be a mistake. Sarah lies her way out of the situation and visits the one place her father might be: Andalusia. But Francisco secretly follows her there and then whisks her away to his castle.

Hostage of Passion Diana Hamilton, 1995 *In the Light of Agape* William Greenway, 2024-05-14 We see children squealing with delight in new fallen snow. We see shocked survivors of the tsunami hugging broken bodies. We are not first objective, detached, or neutral. Instantly we are joyful or horrified. A singular force fuels our joy and our horror: agape. Agape is as palpable as gravity. As weight is to gravity, so good is to agape, or in violation, so evil is to agape. Predominant Western rationalities preclude theorizing of agape. So secular intellectuals, awakened to agape but conceptually hobbled, lament a crisis of foundations in ethics and a legitimization crisis in political theory. In the light of agape, however, there is no question about any sovereign's basic ethical responsibilities nor about myriad ethical issues: the evils of pedophilia, rape, slavery, racism, exploiting illness for profit. Thus, agape can ground ethics globally. Moreover, insofar as faithful signifies not propositional assent but living fidelity to agape, agape can ground interfaith spiritual consensus. Engaging intellectuals from Augustine and Dostoevsky to Emmanuel Levinas and Peter Singer, tackling issues from animal rights and the essence of spirituality to the passion of Torah and interfaith relations, Greenway demonstrates the spiritual fecundity and real-world ethical potentials that flow from philosophical exploration of agape.

Irish Drama, Modernity and the Passion Play Alexandra Poulain, 2017-01-19 This book discusses Irish Passion plays that rewrite or parody the story of the Passion of Christ in modern Irish drama from the Irish Literary Revival to the present day. It offers innovative readings of such canonical plays as J. M. Synge's *The Playboy of the Western World*, W. B. Yeats's *Calvary*, Brendan Behan's *The Hostage*, Samuel Beckett's *Endgame*, Brian Friel's *Faith Healer*, and Tom Murphy's *Bailegangaire*, as well as of less well-known plays by Padraic Pearse, Lady Gregory, G. B. Shaw, Seán O'Casey, Denis Johnston, Samuel Beckett, and David Lloyd. Challenging revisionist readings of the rhetoric of blood sacrifice and martyrdom in the Irish Republican tradition, it argues that the Passion play is a powerful political genre which centres on the staged death of the usually male protagonist and makes visible the usually invisible violence perpetrated both by colonial power and by the postcolonial state in the name of modernity.

The Passion Patrick Keddle, 2018-03-30 In 1981, a young semi-professional footballer known as Imam Beckenbauer for his piety and his dominant style of play, has his career cut short after a confrontation with Turkey's military junta. His name was Recep Tayyip Erdogan, and three decades later he is Turkey's most powerful ruler. Since Atatürk, Turkey is a nation obsessed with football. From the flares which cover the stadium with multi-coloured smoke and often bring play to a halt to the conductors' ultras who lead the walls of sound at matches, Turkish

football has always been an awesome spectacle And yet in this politically fraught country caught between the Middle East and the West football has also always been so much more From the fan groups resisting the government in the streets and stands to ambitious politicians embroiling clubs in Machiavellian shenanigans football in Turkey is a site of power anger and resistance Journalist and football obsessive Patrick Keddie takes us on a wild journey through Turkey s role in the world s most popular game He travels from the streets of Istanbul where fans dodge tear gas and water cannons to the plains of Anatolia where women are fighting for their rights to wear shorts and play sports He meets a gay referee facing death threats Syrian footballers trying to piece together their shattered dreams and Kurdish teams struggling to play football amid war The Passion also tells the story of the biggest match fixing scandal in European football and sketches its murky connections to the country s leadership In doing so he lifts the lid on a rarely glimpsed side of modern Turkey Funny touching and beautifully observed this is the story of Turkey as we have never seen it before [Play of Passion](#) Nalini Singh,2010-11-02 A Psy Changeling novel from the New York Times bestselling author of Shards of Hope Shield of Winter and Heart of Obsidian the alpha author of paranormal romance Booklist As a conflict with Pure Psy looms on the horizon two powerful wolves fight a far more intimate war of their own In his position as Tracker for the SnowDancer pack it s up to Drew Kincaid to rein in rogue changelings who ve lost control of their animal halves even if it means killing those who ve gone too far But nothing in his life has prepared him for the battle he must now wage to win the heart of a woman who makes his body ignite and who threatens to enslave his wolf Lieutenant Indigo Riviere doesn t easily allow skin privileges especially of the sensual kind and the last person she expects to find herself craving is the most wickedly playful male in the den Everything she knows tells her to pull back before the flames burn them both to ash but she hasn t counted on Drew s will Now two of SnowDancer s most stubborn wolves find themselves playing a hotly sexy game even as lethal danger stalks the very place they call home **Passion from a Ladys Heart** ,2011-05-03 Im who I am I am a very loving compassionate lady My passions are reading to get lost in other peoples words To discover other worlds Then there is music amazing how it can brighten your spirit But my true passion to life is my poems I write the inner Feelings I bring light to darkness through words with each Word I write I give to life of golden sunsets days covered In raindrops cold nights by campfires Most off all I give my thanks to our Father in heaven who Gave me this special gift This is my Dream and one day it could be for my children And grand children I love sharing my Dream to the entire Dreamers out there Share with me My journey *The Most Dangerous Business Book You'll Ever Read* Gregory Hartley,Maryann Karinch,2011-02-17 Hone your professional approach to a razor s edge using lessons from military and civilian intelligence The Most Dangerous Business Book You ll Ever Read brings expertise from military and civilian intelligence operations into your business life It lays out hard hitting interpersonal skills to raise your level of professional effectiveness and vanquish your competition The Most Dangerous Business Book You ll Ever Read features former Army interrogator Gregory Hartley s unique system of profiling formula for persuasion and
