American Exorcism Michael W. Cuneo, 2002-10-15 A guided tour through the burgeoning business of exorcism and the darker side of American life There is no other religious ritual more fascinating or more disturbing than exorcism This is particularly true in America today where the ancient rite has a surprisingly strong hold on our imagination and on our popular entertainment industry We've all heard of exorcism seen the movies and read the books but few of us have ever experienced it firsthand Conducted by exorcists officially appointed by Catholic archdioceses and by maverick priests sidestepping Church sanctions by evangelical ministers and Episcopal charismatics exorcism is alive and well in the new millennium Oprah Diane Sawyer and Barbara Walters have featured exorcists on their shows The New York Times Los Angeles Times Time and other publications have charted the proliferation of exorcisms across the United States Last year the Archdiocese of Chicago appointed its first full time exorcist in its 160 year history in New York four priests have officially investigated about forty cases of suspected possession every year since 1995 American Exorcism is an inside look at this burgeoning phenomenon written with objectivity insight and just the right touch of irony Michael W Cuneo attended more than fifty exorcisms and interviewed many of the participants both the exorcists who performed the rituals and the people from all walks of life who believed they were possessed by the devil He brings vividly to life the ceremonies themselves conjuring up memories of Linda Blair's astonishing performance in the 1973 movie The Exorcist and other bizarre and sometimes stomach churning images Cuneo dissects as well the arguments of such well known exorcism advocates as Malachi Martin author of the controversial Hostage to the Devil self help guru M Scott Peck and self professed demonologists Ed and Lorraine Warren of Amityville Horror fame As he explores this netherworld of American life Cuneo reflects on the meaning of exorcism in the twenty first century and on the relationship between religious ritual and popular culture Touching on such provocative topics as the satanic panics of the 1980s repressed memory and ritual abuse American Exorcism is a remarkably revealing consistently entertaining work of cultural commentary *The Facts on Astrology* John Ankerberg, John Weldon, 2011-05-03 What the Bible science common sense tell us about astrology Astrology's influence is felt throughout government industry the sciences education the church the home What exactly is astrology Do the heavens really influence life on earth What are the dangers of astrology How much does astrology actually influence Washington What does the Bible have to say about astrology This book thoroughly examines the claims of astrology assesses its occult aspects emphasizes the personal consequences of its use [Witchcraft, Demons and Deliverance](#) Claudia Währisch-Oblau, Henning Wrogemann, 2015 Beliefs in witchcraft and demons still shape many societies and seem to be increasing rather than
