Hosts And Guests Revisited Tourism Issues Of The 21st Century:

Hosts and Guests Revisited Valene L. Smith, Maryann Brent, 2001 Hosts and Guests Revisited, 1999 The SAGE Handbook of Tourism Studies Tazim Jamal, Mike Robinson, 2009-07-01 The strongest overview I have encountered of the scope and the current state of research across all the fields involved in advancing our understanding of tourism For its range of topics depth of analyses and distinction of its contributors nothing is comparable Professor Dean MacCannell University of California Davis The breadth of vision and sweep of accounts is remarkable and range of topics laudable a rare combination of the authoritative the challenging and stimulating Professor Mike Crang Durham University Tourism studies developed as a sub branch of older disciplines in the social sciences such as anthropology sociology and economics and newer applied fields of study in hospitality management civil rights and transport studies This Handbook is a sign of the maturity of the field It provides an essential resource for teachers and students to determine the roots key issues and agenda of tourism studies exploring The evolution and position of tourism studies The relationship of tourism to culture The ecology and economics of tourism Special events and destination management Methodologies of study Tourism and transport Tourism and heritage Tourism and postcolonialism Global tourist business operations Ranging from local to global issues and from questions of management to the ethical dilemmas of tourism this is a comprehensive critically informed constructively organized overview of the field It draws together an inter disciplinary group of contributors who are among the most celebrated names in the field and will be quickly recognized as a landmark in the new and expanding field of tourism studies *The Routledge Handbook of Tourism Research* Cathy H. C. Hsu, William C. Gartner, 2012 First Published in 2008 Routledge is an imprint of Taylor Francis an informa company **Host Communities and Pilgrimage Tourism** Ricardo Nicolas Prozano, Joseph M. Cheer, Xosé Manuel Santos, 2023-04-25 This book delves into topics on pilgrimage travel and communities from a variety of perspectives through academic research based on the Middle East Northeast Asia the Indian subcontinent and Europe where sacred sites have become of great importance for both international and domestic tourism In particular Europe and Asia possess a high volume of world renowned pilgrimage sites that are currently being developed as tourism destinations in their respective countries such as Santiago de Compostela Spain Lourdes France and Koyasan Japan This book includes studies on these two continents that harbor both a great history of pilgrimage tradition as well as tourism development related to religious travel The book importantly covers the role of the community in religious tourism as well as the impact on the locals which is comparatively an unexplored area Whilst pilgrimage is seen as an effective tool to revitalize local economies this book also reveals the different challenges to achieving this goal Realizing the importance of the interrelationship of community and pilgrimage travel as well as the lack of studies on it this book seeks to address this research gap through 14 chapters divided into two parts Communities and Constestation and Pilgrimage Shaping Communities To ensure diverse perspectives case studies from different Eurasian countries written by authors with expertise in the study of pilgrimage and

religious travel are included Readers can expect to gain new perspectives by having a deeper comprehension of the community side of pilgrimage travel in Eurasia and thus an integral understanding of contemporary pilgrimage

Rethinking the Anthropology of Love and Tourism Sagar Singh,2019-03-18 In Rethinking the Anthropology of Love and Tourism Sagar Singh draws on anthropology sociology psychology history religious studies literature and the study of mysticism among other disciplines to arrive at an understanding of love that is free from theoretical biases Utilizing data from South Asia India the United Kingdom the United States and Europe Singh newly defines tourism tourism anthropology tourism studies and ecotourism This book is an indispensable guide to all involved and interested in tourism For more information check out A Conversation with Sagar Singh Rethinking the Anthropology of Love and Tourism *Tourism and Gender-based Violence* Paola Vizcaino,Heather Jeffrey,Claudia Eger,2020-08-14 This book focuses on the multiple and interconnected manifestations of violence that women girls encounter in tourism consumption and production while seeking to open the debate on violence against sexual minorities LGBT and discussing men boys as victims and perpetrators of GBV

The Tourism Education Futures Initiative Darko Prebežac,Christian Schott,Pauline Sheldon,2016-04-29 As the world faces many serious challenges informed courageous and mindful leadership is needed for a better future The Tourism Education Futures Initiative TEFI is the collective effort of a group of innovative thoughtful and committed scholars and industry leaders seeking to provide vision knowledge and a framework for tourism education programs that promote global citizenship and optimism for a better world This book consolidates some of TEFI s work as it seeks to be the leading forward looking network that inspires informs and supports tourism educators and students to passionately and courageously transform the world for the better It makes the case for why change is needed and how tourism educators can respond to that change with strategies and values based tools The book contains papers published in special TEFI issues of the Journal of Teaching in Travel Tourism JTTT which question and explore some of the most important theoretical conceptual and practical issues facing tourism education now and into the future The book concludes by integrating the special issues key contributions with a brief conceptualisation of education futures before it outlines TEFI s framework for action over the coming years Tourism educators worldwide will find that this volume serves two important purposes On the one hand it challenges educators to think both critically and proactively about tourism education while on the other sharing examples of teaching and learning tools that seek to prepare our students for the future and to be global citizens that live lives of consequence This book is a collection of articles from the Journal of Teaching in Travel and Tourism Modern Mass Tourism Julio Aramberri,2010-11-23 Broadly speaking academic tourism research comes in two main shapes why and how to Both traditions seem unable to ever meet and their trajectory reminds of scissors agape This title argues that tourism research finds itself in a serious scissors crisis It reflects on how the crisis came about and looks at its effect on the real world The SAGE Handbook of Tourism Management Chris Cooper,Serena Volo,William C. Gartner,Noel Scott,2021-08-04

The SAGE Handbook of Tourism Management is a critical authoritative review of tourism management written by leading international thinkers and academics in the field. Arranged over two volumes, the chapters are framed as critical synoptic pieces covering key developments, current issues and debates, and emerging trends and future considerations for the field. The two volumes focus in turn on the theories, concepts, and disciplines that underpin tourism management in volume one, followed by examinations of how those ideas and concepts have been applied in the second volume. Chapters are structured around twelve key themes. Volume One: Part One Researching Tourism; Part Two Social Analysis; Part Three Economic Analysis; Part Four Technological Analysis; Part Five Environmental Analysis; Part Six Political Analysis. Volume Two: Part One Approaching Tourism; Part Two Destination Applications; Part Three Marketing Applications; Part Four Tourism Product Markets; Part Five Technological Applications; Part Six Environmental Applications. This handbook offers a fresh, contemporary, and definitive look at tourism management, making it an essential resource for academics, researchers, and students.

Ethnic Tourism Li Yang, Geoffrey Wall, 2023-08-11. The book explores emerging themes, concepts, and issues in ethnic tourism through examination of theoretical underpinnings and empirical research in various ethnic destinations worldwide. It encapsulates cultural, environmental, and economic dimensions of ethnic tourism, which is a force of change in many ethnic communities and suggests means through which local benefits can be enhanced and costs reduced. This book presents a range of case studies from diverse, well-known ethnic destinations which reveal the various outcomes and changes engendered by ethnic tourism, such as the commodification of ethnic culture, the exploitation of minority peoples by outsiders, and the impact of wider forces of modernization and national integration policies. It summarizes what has been done so far and suggests initiatives to increase the contribution of tourism to the economic development and quality of life of ethnic communities. It brings together a diversity of perspectives that are not currently readily available in one location. The book will appeal to students and scholars interested in social sciences, tourism studies, geography, anthropology, sociology, and economics, as well as in applied disciplines such as planning. It addresses academic and professional audiences that are interested in tourism and its consequences, as well as those who are interested in ethnic, including indigenous peoples and their circumstances.

Tourism Research Paradigms Ana Maria Munar, Tazim Jamal, 2016-06-07. The theme of this book focuses on the being of tourism and knowledge construction in tourism. It discusses both ontological and epistemological issues in tourism studies. In addition to examining what constitutes tourism knowledge and how tourism knowledge is acquired, various theoretical and methodological paradigms will also be addressed.

Spiritual Tourism Alex Norman, 2011-09-22. This book investigates spiritual tourism, characterised by an intentional search for spiritual benefit from a contemporary religious studies perspective. Using field research gathered from spiritual tourism locations in Asia and Europe and utilizing contemporary scholarship on practices concerned with meaning and identity, it explores the phenomena of journeys that are taken for self-transformation, tracing the history of transformative ideas in Western cultures.

of travel and including the modes in which the travel experience has been communicated Spiritual Tourism provides an important opportunity to comment on the role of tourism in contemporary conceptions of spirituality and spiritual practice in Western society *Handbook of Teaching and Learning in Tourism* Pierre Benckendorff, Anita Zehrer, 2017-01-27 This comprehensive Handbook provides an international perspective on contemporary issues and future directions in teaching and learning in tourism Key topics include assurance of learning development of skills learning in the field work integrated learning sustainability and critical studies internationalisation technology enabled learning links between teaching and research and graduate student supervision Within these topics attention is devoted to the discussion of curriculum pedagogy assessment students educators and trends and issues The Handbook provides a valuable resource for understanding teaching and learning theory and practice in tourism

Tourism and Sustainability Martin Mowforth, Ian Munt, 2015-12-22 By January 2015 the world's richest 80 people had as much wealth as the poorest 50 per cent of the world's population It is a global unevenness through which the barriers to migration of Third World migrants to wealthy First World nations go ever higher while the barriers to travel in the reverse direction are all but extinct So how exactly does tourism contribute to narrowing this glaring inequality between the rich and poor Are ever expanding tourism markets a smoke free socioculturally sensitive form of human industrialisation Is alternative tourism really a credible lever for reducing global inequality and eliminating poverty Tourism and Sustainability critically explores the most significant universal geopolitical norms of the last half century development globalisation and sustainability and through the lens of new forms of tourism demonstrates how we can better get to grips with the rapidly changing new global order The fourth edition has been extensively revised and updated and benefits from the addition of new material on climate change and tourism Drawing on a range of examples from across the Third World Mowforth and Munt expertly illustrate the social economic and environmental conditions that continue to affect the tourism industry With the first edition hailed by Geoffrey Wall as one of the most significant books produced on tourism since the turn of the millennium Tourism and Sustainability remains the essential resource for students of human geography environmental sciences and studies politics development studies anthropology and business studies as well as tourism itself

Recentering Tourism Geographies in the 'Asian Century' Harn Luh Sin, Mary Mostafanezhad, Joseph M. Cheer, 2022-04-19 This book considers what the transition into the Asian Century means for some of the most urgent issues in the world today such as sustainable development human rights gender equality and environmental change The book critiques Anglo Western centrism in tourism theory and calls on tourism scholars to make radical shifts toward more inclusive epistemology and praxis From the British Century of the 1800s to the American Century of the 1900s to the contemporary Asian Century tourism geographies are deeply entangled in broader shifts in geopolitical power In the shadow of the COVID 19 pandemic the significance of shifts in tourism geographies and the themes addressed in this volume are more urgent than ever That the world faces increasing turmoil is abundantly clear Yet amidst the

disruption to the everyday it is hope and compassion but also political economic restructuring that is needed to reset the tourism industry in more sustainable equitable and ethical directions In no uncertain terms the pandemic has forever changed the tourism industry as the world once knew it This book therefore sets out to collectively build on the momentum of the inclusive scholarship that Critical Tourism Studies Asia Pacific is renowned for while also asking readers to pause and reflect on the possibilities and challenges of tourism in a post pandemic Asian Century The chapters in this book were originally published as a special issue of the journal Tourism Geographies

Tourism Destination Development Markus Pillmayer, Marion Karl, Marcus Hansen, 2024-07-22 Although destination management is regarded as the supreme discipline in tourism management little attention is paid to destination development especially from a geographical perspective This book analyses destination development and proposes key strategies for a positive destination development in the future in regard to sustainability accessibility and economic prosperity International scholars from a range of disciplines explore current issues in destination development and propose solutions that can help policy makers prepare for future challenges This book includes case studies from all around the globe to illustrate the diversity of destination development This book thus offers students colleagues from the scientific community as well as practitioners and political decision makers numerous suggestions considerations and decision making aids with regard to destination development

Mountaineering Adventure Tourism and Local Communities Apollo, Michal, Andreychouk, Viacheslav, 2022-09-06 This timely book explores how hiking trekking and climbing mountains increasingly popular leisure activities can stimulate change and create opportunities for sustainable development Using empirical evidence from interviews held in the Himalayas combined with a theoretical grounding it focuses on the socio economic and environmental issues of the impact of mountaineering adventure tourism on local communities

A History of Modern Tourism Eric Zuelow, 2015-10-26 Tourism is one of the largest industries in the world yet leisure travel is more than just economically important It plays a vital role in defining who we are by helping to place us in space and time In so doing it has aesthetic medical political cultural and social implications However it hasn't always been so Tourism as we know it is a surprisingly modern thing both a product of modernity and a force helping to shape it A History of Modern Tourism is the first book to track the origins and evolution of this pursuit from earliest times to the present From a new understanding of aesthetics to scientific change from the invention of steam power to the creation of aircraft from an elite form of education to family car trips to see national shrines this book offers a sweeping and engaging overview of a fascinating story not yet widely known

Sustainable Tourism and Indigenous Peoples Anna Carr, Lisa Ruhanen, Michelle Whitford, Bernard Lane, 2019-05-17 This book provides a comprehensive detailed and insight rich review of both the positive capacity building cultural conservation and economic opportunities and negative commodification cultural change and possible loss of ownership and control aspects of tourism development in indigenous communities The relationship between tourism and indigenous people provides the ultimate test of sustainable tourism as a concept for

tourism management and cultural conservation The chapters range geographically from Central and North America through Africa and Asia to Australia Issues covered include governance and engagement research minority language issues visitor codes of conduct trail development Indigenous product design Indigenous urban festivals Indigenous values and capitalism gentrification heritage interpretation marketing demand world views and representation This book was originally published as a special issue of the Journal of Sustainable Tourism
