Extremely Short Cases on Strategic Management Ajit Prasad,2002-08 The subject of Strategy is extremely complex and perhaps can be taught only through the use of Cases Unfortunately most of the available cases in Strategic Management tend to be extremely long which test more the patience rather than the intellectual rigour This book thus fulfills the void in the literature by offering a bouquet of cases that are designed not only to test the operational understanding but the conceptual and intellectual discipline that the reader must inculcate to be a successful strategist The book contains 24 cases ranging from mammoth public sector organisations like SBI and SAIL to global corporations like Cray and Apple as also the sublimely interesting episodes in the like of Phoolan Devi and Princess Diana All the cases are extremely readable and are designed to introduce the different aspects of Strategic Management to the reader The book is a must read for students strategists as well as practicing managers *Hotshot* Colin Blaney,Hotshot,2013-03-01 In the mid 1980s one young man from a tough Manchester estate exploded onto the soccer hooligan scene Known to all as Hotshot he had been introduced to drugs and violence at an early age joining a teenage gang at just ten years old By the age of fifteen he was attending drug fuelled all night raves and committing serious crimes to finance his partying But not even ecstasy or acid compared to the buzz that he
