Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 *Acts of Gaiety* Sara Warner, 2023-06-20 Acts of Gaiety explores the mirthful modes of political performance by LGBT artists activists and collectives that have inspired and sustained deadly serious struggles for revolutionary change The book explores antics such as camp kitsch drag guerrilla theater zap actions rallies manifestos pageants and parades alongside more familiar forms of legitimate theater Against queer theory's long suffering romance with mourning and melancholia and a national agenda that urges homosexuals to renounce pleasure if they want to be taken seriously by mainstream society Acts of Gaiety seeks to reanimate notions of gaiety as a political value for LGBT activism The book mines the archives of lesbian feminist activism of the 1960s 70s highlighting the outrageous gaiety that lay at the center of the social and theatrical performances of the era and uncovering original documents long thought to be lost Juxtaposing historical figures such as Valerie Solanas and Jill Johnston with more recent performers and activists including Hothead Paisan Bitch Animal and the Five Lesbian Brothers Warner shows how reclaiming this largely discarded and disavowed past elucidates possibilities for being and belonging Acts of Gaiety explores the mutually informing histories of gayness as politics and as joie de vivre along with the centrality of liveliness to queer performance and protest *Paul The Mind Of The Apostle* A N Wilson, 1997 A N Wilson makes clear in this gripping narrative that Christianity without Paul is quite literally nothing Jesus with the layers of scholarship stripped away is a fervent Jew who will lead his followers into a stricter purer observance of Judaism it is Paul who will claim divinity for him who will transform him into the Messiah center of an entirely new religion *Commentary on Acts (Commentary on the New Testament Book #5)* Robert H. Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers The book of Acts provides a selective record of events that took place during the formative years of the early church Gundry's commentary makes clear how the Christian faith came to be accepted from Jerusalem to Rome Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's Commentary on the New Testament
