Hotline To Murder:

Hotline to Murder Alan Cook,2005-03 This book takes us on the first leg of an exciting journey It provides a roadmap for achieving the awesome spiritual experience of communion with the Absolute God by rediscovering the ancient teachings of the early Christian saints and using the latest scientific findings as an aid It points out how the instructions for accessing the spiritual domain were given to us in the hidden meaning contained in Christ s own commandments and how following the practical directions from the early saints this state of grace is available to all in today s world The book also outlines the scientific context in support of this profound spiritual state and indicates how our latest scientific understanding can help us in the quest of attaining this most important spiritual goal **Forget to Remember** Alan Cook,2010-10 **Absolute**
