through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socio economic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God s eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God s grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His grace is that mission thwarted *The Hour of the Passion* Compiled and edited by a priest of the english church,2022-04-06 Reprint of the original first published in 1864 Including in full The daily office for morning and night chiefly after the ancient English use of Salisbury with other devotional forms for private and household use **The Medjugorje Prayer Book** Wayne Weible,2011-11-01 Join Wayne Weible and the six original visionaries to pray with the Blessed Virgin Mary This warm invitation to personal prayer includes unique morning prayers given to Weible over the course of the last twenty five years as well as meditations on the rosary that have been inspired by the Virgin s messages at Medjugorje Dear Children Today again I invite you to pray so that through prayer fasting and small sacrifices you may prepare yourselves for the coming of Jesus May this time little children be a time of grace for you Use every moment and do good for only in this way will you feel the birth of Jesus in your hearts Message given from the Blessed Virgin Mary **Trust** Grzegorz Górny,Janusz Rosikon,2014-10-21 This is a story about Saint Faustina the greatest Christian mystic of the twentieth century and her devotion to the Divine Mercy which has become the fastest spreading religious devotion in the world This lavishly illustrated book is essentially a love story about God s immense love for his people and the reciprocation of this love by the humble Polish nun declared a saint by Pope John Paul II In fulfilling the mission entrusted to her Sister Faustina met with many obstacles but she came through all her trials victoriously The power of her message about God s infinite mercy forged in the fire of adversity has accomplished seemingly impossible things Although coming from the spiritual visions of

just one person devotion to the Divine Mercy has spread throughout the world like lightning bringing to mind the parable of the mustard seed from one small seed grew a great tree with many branches This book is also a story about Jesus Christ who is not remote and abstract but who enters human history who enters the events of our lives and forges relationships with us The work of Jesus Christ is very real and so too is this book marked by reality To follow in the footsteps of Saint Faustina the author and photographer moved from place to place real places in eastern Europe such as Warsaw Krakow Plock and Vilnius They encountered real people such as Blessed Michal Sopocko and Blessed John Paul II They recorded their observations and impressions in beautiful prose and gorgeous photographs in order to bring the realness of these places and people to as wide an audience as possible *Miraculous Images of Our Lord* Joan Carroll Cruz, 1995-07 42 miraculous manifestations of Our Lord from all over the world Includes careful research on the Shroud of Turin and Veronica's Veil as well as accounts of lesser known images such as the Crucifix which spoke to St Thomas Aquinas the Crucifix of Lempia and many more
