Complete Idiot's Guide to the Psychology of Happiness Arlene Uhl,2008-08-05 Learn the secrets of happiness You're no idiot of course You know how difficult to see the bright side of things when life seems to be a rut much less in the face of adversity But when you nurture a positive attitude you also nurture your ability to find happiness in the moment even if it doesn't live up to your perfect expectations The Complete Idiot's Guide to the Psychology of Happiness offers insights into human nature and techniques that will help you regain the sense of joy In this Complete Idiot's Guide you get The power of optimism and humor to enhance your outlook The blissful benefits of engaging in playful behavior and artistic expression The importance of nurturing positive relationships among friends and family The power of exercise and meditation to simulate joyful chemical reactions within the body 100 Years of Happiness Nathan S. Carlin,Donald Eric Capps,2012-07-03 This book sums up 100

of years of research into the study of happiness from 19th century scientific insights on the subject to the pop psychology perspectives of modern day America We all want to be happy but what does that mean and how do we get there These questions may be a popular topic of positive psychology books in recent years but interest in the subject stretches back over a century Distinguished authors Nathan Carlin and Donald Capps examine opinions research studies and insights about happiness from the 18th century through today 100 Years of Happiness Insights and Findings from the Experts is organized into three sections one that explores insights from philosophers another part that reviews study results from researchers and a final section that casts some skepticism on the study of happiness The authors review what the experts have found and explore such questions as Is happiness the goal of life Is it possible to measure happiness Is it possible to become happier What is the difference between unhappiness and depression If humankind could eliminate unhappiness from the human condition should we This fascinating text provides a basis for readers to develop their own conclusions and to continue humankind's ongoing discourse on the subject **The Pursuit of Happiness and the American Regime** Elizabeth

Amato,2018-02-28 The Declaration of Independence claims that individuals need liberty to pursue happiness but provides little guidance on the what of happiness Happiness studies and liberal theory are incomplete guides Happiness studies offer insights into what makes people happy but happiness policy risks becoming doctrinaire Liberal theory is better on personal liberty but weak on the what of happiness My argument is that American novelists are surer guides on the pursuit of happiness Treated as political thinkers my book offers a close reading of four American novelists Tom Wolfe Walker Percy Edith Wharton and Nathaniel Hawthorne and their critique of the pursuit of happiness With a critical and friendly eye they present the shortcomings of pursuing happiness in a liberal nation but also present alternatives and correctives possible in America Our novelists point us toward each other in friendship as our greatest resource to guide us towards happiness
