fled a home more than once due to wars and revolutions Virginia Hall an American who lost her leg in an accident but went on to become one of the most revered Allied agents in World War II France Carmen Amaya who despite being born into abject poverty in Barcelona rose to become the greatest Flamenco dancer of all time Edna Walling who lost her own dream home in a freak fire but created garden designs that made her one of Australia's most celebrated landscape designers They were women who had faced seemingly insurmountable challenges and found ways to forge ahead on their own terms In a compelling and exquisite blend of memoir and history Belinda shows readers that no matter what challenge they might be facing there is always the possibility of building a bold life full of meaning again from the ashes
