## House At Worlds End:

**The House at World's End** Monica Dickens, 2011-09-28 Carrie Tom Em and Michael Fielding are at the mercy of their rotten Uncle Rudolph after a fire leaves them homeless with their mother in hospital and their father abroad at sea Uncle Rudolph and his vain wife Val reluctantly take the children in but soon let them live alone at World's End their ramshackle house in the countryside rather than look after them So begins a life with no grown ups where the Fielding children can adopt as many dogs cats monkeys and horses as they like Free at last from interference from their relatives they begin to fend for themselves adding to their already sizeable collection of animals rescuing them from the thoughtless cruelty of adults The House at World's End is the first adventure in The World's End series

**The Well at World's End** William Morris, 2021-08-26 William Morris classic 1896 adventure novel tells the tale of Ralph the youngest prince of Upmeads and his pursuit of the fabled well at world's end His journey is a perilous one however fraught with all manner of danger From impassioned knights who would sooner slay him than let him speak his piece to tyrannical lords that rule over their people with an iron fist Ralph must brave them all if he is ever to find the storied well and return home to his family The Well at the World's End William Morris, 2025-01-06T22:18:48Z The King of Upmeads has four sons who are tired of living in the peaceable kingdom and yearn to adventure abroad Three are sent out but the fourth Ralph is chosen to stay home He can't stand being left behind and so he runs away wandering to the many lands beyond Upmeads On his travels he encounters much evil meeting both thieves and tyrants At the start Ralph is somewhat naive and is merely carried along by events But when he hears of a legendary Well at the World's End that grants health and long life he devotes himself to finding it though many before him have tried Ralph must make allies escape evil plots and take charge of his journey to fulfill his quest Along the way he'll grow into a confident warrior and the kind of ruler that can set things right in the world The Well at the World's End is an early example of the high fantasy genre as it takes place in a fictional world filled with romance and features a heroic protagonist The magic is subtle and the story is largely an adventure of knights damsels villains and heroes The prose is written in an archaic style of English which inspired many later fantasy writers including J R R Tolkien who may have been influenced by the book's King Gandolf and horse Silverfax and C S Lewis This book is part of the Standard Ebooks project which produces free public domain ebooks

*Worlds End Worlds Start* John Bateman, 2015-04-10 All the scientific people say that Yellowstone will erupt again but no one knows when Everything is still a guessing game They say that it could be a super volcano This is a

volcano capable of producing a volcanic eruption with an ejected volume greater than 1 000 km<sup>3</sup> This is thousands of times larger than normal volcanic eruptions Super volcanoes can occur when magma in the mantle rises into the crust from a hotspot but is unable to break through the crust and pressure builds in a large and growing magma pool until the crust is unable to contain the pressure Such is the case for the Yellowstone Caldera They can monitor and watch but it is still a guessing game I based my book on one type of eruption that may take place which is a Plinian eruption These eruptions are marked by their similarity to the eruption of Mount Vesuvius in AD 79 Plinian eruptions are marked by columns of gas and volcanic ash extending high into the stratosphere a high layer of the atmosphere The key characteristics are ejection of large amounts of pumice and very powerful continuous gas blast eruptions
