Norbert Wichard

House Beautiful An Unabridged Reprint Of The Classic Victorian Stylebook:

The House Beautiful Clarence Cook, 2013-04-10 Profusely illustrated volume by 19th century pioneer of professional art criticism offers valuable information on how to furnish a home tastefully and affordably Charming lucidly written text covers everything from firescreens curtained archways and Grandmother s cupboard to Tyrolian tables and chairs a Dutch bedstead and a French bureau with fine brass mounts

Extreme Domesticity Susan Fraiman, 2017-01-10 Domesticity gets a bad rap We associate it with stasis bourgeois accumulation banality and conservative family values Yet in *Extreme Domesticity* Susan Fraiman reminds us that keeping house is just as likely to involve dislocation economic insecurity creative improvisation and queered notions of family Her book links terms often seen as antithetical domestic knowledge coinciding with female masculinity feminism and divorce domestic routines elaborated in the context of Victorian poverty twentieth century immigration and new millennial homelessness Far from being exclusively middle class domestic concerns are shown to be all the more urgent and ongoing when shelter is precarious Fraiman s reformulation frees domesticity from associations with conformity and sentimentality Ranging across periods and genres and diversifying the archive of domestic depictions Fraiman s readings include novels by Elizabeth Gaskell Sandra Cisneros Jamaica Kincaid Leslie Feinberg and Lois Ann Yamanaka Edith Wharton s classic decorating guide popular women s magazines and ethnographic studies of homeless subcultures Recognizing the labor and know how needed to produce the space we call home *Extreme Domesticity* vindicates domestic practices and appreciates their centrality to everyday life At the same time it remains well aware of domesticity s dark side Neither a romance of artisanal housewifery nor an apology for conservative notions of home *Extreme Domesticity* stresses the heterogeneity of households and probes the multiplicity of domestic meanings

The Guide to Period Styles for Interiors Judith Gura, 2015-11-19 This compact heavily illustrated guide makes it a snap to identify period styles from the 17th century to the present day *The Guide to Period Styles for Interiors* Second Edition is a comprehensive reference that combines depth of content with ease of use Including examples and analysis on 17th century Louis XIV through 20th century Late Modern and each style in between this new edition is also updated with the latest trends of the 21st century including computer design sustainable design and modern office design New sidebars interspersed throughout the book offer glimpses into historic design styles from around the globe Each style section ends with a summary of key characteristics major designers and iconic fabrics This book is an indispensable tool for identifying the trends throughout the history of interior design

Home, Materiality, Memory and Belonging Rachel Hurdley, 2013-05-07 Assembling Mass Observation Archive material with historiographies of family house and nation from ancient Greece to present day Europe China and America this book contributes to current debates on identity belonging memory and material culture by exploring how power works in the small spaces of home

The Irish Bridget Margaret Lynch-Brennan, 2014-06-05 Bridget was the Irish immigrant servant girl who worked in American homes from the second half of the nineteenth century into the early years of the twentieth She is

widely known as a pop culture cliché the young girl who wreaked havoc in middle class American homes Now in the first book length treatment of the topic Margaret Lynch Brennan tells the real story of such Irish domestic servants providing a richly detailed portrait of their lives and experiences Drawing on personal correspondence and other primary sources Lynch Brennan gives voice to these young Irish women and celebrates their untold contribution to the ethnic history of the United States In addition recognizing the interest of scholars in contemporary domestic service she devotes one chapter to comparing Bridget's experience to that of other ethnic women over time in domestic service in America Guide to Reprints, 2009 *Annals of Iowa*, 2006 *Interior Design* Corky Binggeli, 2007-02-26 From the history of interior design to professional development this guide completely covers the process of interior design the development of a design concept analysis of built spaces programming and functional relationships space planning and design development presentations Guide to Reprints Albert James Diaz, 2008 American Furniture 1996 Luke Beckerdite, 1996 An annual publication forging a link between social history American studies and the decorative arts **The Craftsman and the Critic** Beverly Kay Brandt, 2009 When English craftsman poet and socialist William Morris advised consumers in the 1880s to have nothing in your houses that you do not know to be useful or believe to be beautiful he prompted a movement for design reform in Britain Europe and America Championing Morris's views the Society of Arts and Crafts in Boston led the quest for usefulness and beauty in the United States As the oldest arts and crafts organization in the country it exerted considerable influence Among the Boston reformers were design critics whose profession became increasingly important in the nineteenth century Many of them including a number of prominent women were also architects designers craft workers educators and theorists Their views on design reform were substantive and often controversial This richly illustrated book explores the interaction of craft workers and critics as they collaborated to improve the quality of the living and working environment in Boston and across the United States Beverly K Brandt examines multiple overlapping topics the evolution of the profession of design criticism in the nineteenth century Boston in the Gilded Age as a center for reform epitomized by the Aesthetic and the Arts and Crafts movements the formative years of the Society of Arts and Crafts 1897 1917 key personalities associated with that organization the theoretical underpinnings of the Arts and Crafts movement and a diaspora of Boston reformers who left the city to promote usefulness and beauty across the country and abroad In an epilogue she discusses the Arts and Crafts revival which has flourished since the 1970s and contemplates why the search for usefulness and beauty continues to resonate today American Book Publishing Record, 1995 **Mujeres, casas y ciudades.** Zaida Muxí Martínez, 2018-10-10 Mujeres Casas y Ciudades propone una reescritura de la historia de la arquitectura y el urbanismo a partir de las aportaciones realizadas por mujeres que han sido silenciadas en las historias generales El libro se enfoca en el entorno habitado desde el diseño a la política de la arquitectura al urbanismo todo ello sintetizado en la casa y la ciudad como representación de lo privado y lo público La casa como metáfora de la arquitectura la ciudad como síntesis de las acciones humanas Además hacerlo

desde una postura feminista implica necesariamente la deconstrucción de la historiografía mayoritaria desvelando la falsa neutralidad y universalidad en la transmisión de conocimientos y en la construcción de los relatos históricos. En este sentido no es una cuestión banal hablar de mujeres arquitectura y urbanismo ya que como en otros ámbitos del saber del arte de las ciencias o de la política las mujeres no se encuentran representadas en igualdad de condiciones ni siquiera representadas en orden de igualdad por méritos. Por ello es necesario revisitar la historia de la arquitectura y de las ciudades para reescribirla incorporando a las mujeres como protagonistas. **The British National Bibliography** Arthur James Wells, 2002

Complete Catalog of Books in All Fields Dover Publications, Inc, 1997 *Mulheres, casas e cidades* Zaida Muxí Martínez, 2024-10-01 Zaida Mux repassa neste livro o papel histórico das mulheres na produção e no pensamento da arquitetura e do urbanismo. E reflete sobre como essa presença e sobretudo a ausência recorrente da perspectiva feminina impacta nos espaços em que vivemos. Do desenho político urbana e habitacional e ao debate de novas ideias o livro trata a casa e a cidade como representações das esferas privada e pública. A casa como metáfora da arquitetura a cidade como síntese das coisas humanas. Discutir sob o ponto de vista feminino implica a desconstrução da historiografia oficial desvendando a falsa universalidade da transmissão de conhecimentos e da construção de relatos históricos. Como em outros ámbitos do saber das artes da ciência e da política as mulheres não se encontram em condições de igualdade nem sequer representadas em ordem de igualdade por mérito. Por isso necessariamente revisitar a história da arquitetura e das cidades para reescrevê-la agora com seu protagonismo definitivo. **Erzähltes Wohnen** Norbert Wichard, 2014-03-15 Wohnen wird ab dem 18. Jahrhundert zu einem zentralen Thema der Selbstvergewisserung der bürgerlichen Gesellschaft. Insbesondere Identität oder Privatheit und Öffentlichkeit werden durch die Fortschreibung von Wohndiskursen in der Literatur inszeniert. Vor dem Hintergrund des langen wohnsüchtigen 19. Jahrhunderts untersucht diese Studie Texte der deutschsprachigen Literatur von Karl Philipp Moritz über Goethe die Romantiker und Theodor Fontane bis hin zu Alfred Kubin im kulturellen Kontext und verfolgt in zahlreichen Einzelanalysen die narrative Produktivität des Diskurskomplexes Wohnen. **Books in Print Supplement**, 2002 **Nineteenth Century**, 2002 *Subject Guide to Books in Print*, 2001
