House Of Christina:

My Life Is in God's Hands Shereice Garrett, 2012-05 Life is forever changing always evolving So when one thinks about their own life many things come to mind Among things we are more likely to dream about are our goals and aspirations for our life However one must not forget about having fun as well What happens when you are thrown that unfortunate curve ball that changes your life forever Do you throw it back Do you keep it as a souvenir What do you do My Life Is In God's Hands tells the story of a courageous Black woman who was thrown many curve balls in life She did not give up Instead she used her faith in God to guide her thru life's byways and highways Her experiences taught her she was safe and tucked away in the mercy and blessed hands of God Even when her life flashed before her eyes more than once even when she had to learn to walk again more than twice she held on to God's unchanging hands trusting and believing that although her earthly vessel tried to leave her spirit would always remain intact and be safe in the hands of God **Genuine Commitment**

Choose Kristen Miranda,2021-07-15 There is a simple question that has plagued me for a good portion of my existence Are we in control of what happens in our lives or is it simply fate It is easy to look at a person s past or circumstance and chalk their future up to some form of uncontrollable destiny For that person to settle for the cards they have been dealt instead of playing out their hand I had every reason to settle for the life I was given I was abused neglected and confused about life and just how a person like me was supposed to live it Instead of sinking into the miserable shell of an existence that sat before me I made a critical realization I am not defined by what has happened to me I am what I choose to become
