House Of Packer The Making Of A Media Empire:

The House of Packer Bridget Griffen-Foley, 2000-09 a remarkable account of the Packer family painstakingly researched will enthral anyone with an interest in the media Kate de Brito The Daily Telegraph Australia's richest man Kerry Packer came to the helm of Australian Consolidated Press a quarter of a century ago in recent years his son James has begun taking over the reins of the group But despite the legendary reputation of Kerry Packer and his father Sir Frank and the popular fascination with young James the story of the creation of the family dynasty has never been told This compelling book unravels for the first time Frank Packer's Machiavellian deals that resulted in the launch of the Australian Women's Weekly in 1933 From there it charts the production of the Daily and Sunday Telegraphs the Nine network the Bulletin and Cleo The House of Packer moves seamlessly from the bohemia of the newsroom to the intrigue of the boardroom from the rumbustious style of celebrated editors to the feudalism of Sir Frank from the bitter condemnation of political enemies to at times bizarre territorial disputes with the Fairfax and Murdoch dynasties *Sir Frank Packer* Bridget Griffin-Foley, 2014-03-19 Legendary media baron Sir Frank Packer was pugnacious autocratic and always controversial After joining forces with Labor politician E G Theodore to establish Australian Consolidated Press and the Women's Weekly in the 1930s his empire grew to encompass newspapers magazines and the Nine television network Donald Horne Ryan Cropp, 2023-08-01 The fascinating biography of a brilliant man who captured the nation's imagination and boldly showed Australians who we were and how we could change In the 1960s Donald Horne offered Australians a compelling reinterpretation of the Menzies years as a period of social and political inertia and mediocrity His book *The Lucky Country* was profoundly influential and without doubt one of the most significant shots ever fired in Australia's endless culture war Ryan Cropp's landmark biography positions Horne as an antipodean Orwell a lively independent and distinct literary voice searching for the temper of the people accepting it and moving on from there Through the eyes and unforgettable words of this preternaturally observant and articulate man we see a recognisable modern Australia emerge Shortlisted for the 2024 National Biography Award A compulsive read about a writer who shaped the way we Australians think about ourselves Judith Brett Unmissable for anybody interested in the intellectual life of this country Sean Kelly Ryan Cropp's thoughtful life of Donald Horne charted the restless and provocative habits of his subject with care and elegance and animated decades of faded news and current affairs with colour and poise Patrick Mullins Australian Book Review Books of the Year 2023 In his accomplished and insightful biography Cropp has captured a full life well lived that was a tribute to the importance of paying attention and making a difference Julianne Schultz The Conversation **Paper Empires** Craig Munro, Robyn Sheahan-Bright, 2010-07 This new volume in UQP's History of the Book in Australia series explores Australian book production and consumption from 1946 to the present day In the immediate postwar era most books were imported into a colonial market dominated by British publishers *Paper Empires* traces this fascinating and volatile half century using wide ranging research **The Media and**

Communications in Australia Bridget Griffen-Foley, Sue Turnbull, 2023-11-21 At a time when the traditional media have been reshaped by digital technologies and audiences have fragmented people are using mediated forms of communication to manage all aspects of their daily lives as well as for news and entertainment The Media and Communications in Australia offers a systematic introduction to this dynamic field Fully updated and expanded this fifth edition outlines the key media industries from print sound and television to film gaming and public relations and explains how communications technologies have changed the ways in which they now operate It offers an overview of the key approaches to the field including a consideration of Indigenous communication and features a hot topics section with contributions on issues including diversity misinformation algorithms COVID 19 web series and national security With chapters from Australia s leading researchers and teachers in the field The Media and Communications in Australia remains the most comprehensive and reliable introduction to media and communications from an Australian perspective It is an ideal student text and a key resource for teachers lecturers media practitioners and anyone interested in understanding these influential industries

The Media and Communications in Australia Stuart Cunningham, Sue Turnbull, 2020-07-16 Traditional media are being reshaped by digital technologies The funding model for quality journalism has been undermined by the drift of advertising online demarcations between different forms of media are rapidly fading and audiences have fragmented We can catch up with our favourite TV show on a tablet social media can be more important than mainstream radio in a crisis and organisations large and small have become publishers in their own right on apps Nevertheless mainstream media remain powerful The Media and Communications in Australia offers a systematic introduction to this dynamic field Fully updated and revised to take account of recent developments this fourth edition outlines the key media industries and explains how communications technologies are impacting on them It provides a thorough overview of the main approaches taken in studying the media and includes an expanded issues section with new chapters on social media gaming apps the environment media regulation ethics and privacy With contributions from some of Australia s best researchers and teachers in the field The Media and Communications in Australia remains the most comprehensive and reliable introduction to media and communications available It is an ideal student text and a reference for teachers of media and anyone interested in this influential industry

The Phantom Unmasked Kevin Patrick, 2017-11-15

Before Superman before Batman there was the Phantom Making its debut as an American newspaper comic strip in 1936 The Phantom was the forerunner of the comic book superhero genre that today animates vast billion dollar franchises spanning print film television video games and licensed merchandise But you ve probably never heard of it you probably think Superman inaugurated the genre That s because despite its American origins The Phantom comic strip has enjoyed far greater popularity with international audiences most notably in Australia Sweden and India where it has appeared in newspapers magazines and comic books The paradox of the character s relative obscurity in the United States offset by his phenomenal success in these three markedly different countries is the subject of *The Phantom Unmasked* By tracing the publication history of The Phantom in magazines and comic books across international markets since the mid 1930s author Kevin Patrick delves into the largely unexplored prehistory of modern media licensing industries He also explores the interconnections between the cultural political economic and historical factors that fueled the character s international popularity *The Phantom Unmasked* offers readers a nuanced study of the complex cultural flow of American comic books around the world Equally important to provide a rare glimpse of international comics fandom Patrick surveyed the Phantom s phans as they call themselves and lets them explain how and why they came to love the world s first masked superhero

Publishing and Culture Dallas John Baker, Donna Lee Brien, 2019-04-10 Publishing is currently going through dramatic changes from globalisation to the digital revolution A whole culture of events practices and processes has emerged centred around books and writing which means that scholars of publishing need to understand it as a social and cultural practice as much as it is a business This book explores the culture practice and business of book production distribution publication and reception It discusses topics as diverse as emerging publishing models book making writers festivals fan communities celebrity authors new publishing technologies self publishing book design and the role of class race gender and sexuality in publishing or book culture This volume will be of interest to those in the disciplines of publishing studies creative writing English literature cultural studies and cultural industries

Alan the Red Fox Reid Ross Fitzgerald, Stephen Holt, 2010 Arguably Australia s most influential political journalist Alan The Red Fox Reid covered Australian politics from the 1930s to the 1980s During his career he was both a chronicler of and a player in Australian politics In this book Ross Fitzgerald and Stephen Holt take us into a Machiavellian behind the scenes world of recurrent plots crises and leadership challenges and show how it was possible for a skilled journalist to help shape both public perceptions and actual outcomes of political power plays

Culture and Education Filiz Meseci Giorgetti, Ali Arslan, Craig Campbell, 2020-06-29 This book explores the fascinating and complex interactions between the ways that culture and education operate within and across societies In some cases education is imagined as an integrated part of general cultural phenomena in others educational interventions become the means for transforming the cultural circumstances of different populations The contributors to this volume show how certain educational practices produce new cultural and professional knowledge discuss the impacts of initially foreign

educational ideas and institutions on established cultural institutions in very different societies and explore the impacts of modernity and modern educational ideas on more traditional gendered and religious practices and communities The book also provided striking examples of when these impacts were not benign Increasingly powerful twentieth century governments attempted to use education and schools to produce new reformed citizens suitable for their newly created colonial national socialist and fascist states The expectation was that cultural and social transformation might be engineered in major part through schooling This book was originally published as a special issue of *Paedagogica Historica* *Migrants, Television and Australian Stories* Kate Darian-Smith, Sue Turnbull, Sukhmani Khorana, Kyle Harvey, 2025-05-26 This book examines the intertwined histories of television and migration in Australia told from the perspectives of migrants who worked in the screen industry and the many more who watched television Their stories demonstrate how Australia's growing cultural diversity has challenged conventional representations of Australianness on television and how ongoing advocacy has supported the growing inclusivity of multiple narratives and diverse experiences on screen Migrants from many backgrounds were instrumental in the establishment in 1956 of Australian television working behind and in front of the cameras as producers directors writers technicians and actors From early broadcasting to the digital present portrayals of cultural differences have often been shaped by appropriation ethnic stereotyping and racism This has occurred across a range of formats from drama to comedy to news and reality shows Many in the industry have responded with resilience and creative adaptation as they have increasingly taken control of the ways that migrant stories are told and diversity is celebrated The first comprehensive Australian study of migrants and television this book considers the ways multicultural audiences have experienced the small screen over seven decades Drawing on rich oral histories it analyses the memories of television in the work school family life and leisure of migrant communities and their broader engagements with Australian culture Research in the archives of broadcasters and production companies reveals how non Anglo Australian characters were constructed and how such portrayals have shifted This new history takes us to digital screen production and consumption today exploring how Australians of many diasporas engage with the global network of screen content in the twenty first century It is essential reading for media professionals advocates students and those interested in the intersections between media cultural diversity and the nation *Changing Stations* Bridget Griffen-Foley, 2009 Immediate intimate portable and inexpensive radio is the most pervasive medium in Australia *Changing Stations* is the first full scale national history of commercial radio in Australia from the experiments and schemes of the 1920s through to the eve of the introduction of digital radio in 2009 [Historical Dictionary of Australia](#) Norman Abjorensen, James C. Docherty, 2014-12-05 Australia's development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the

U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia **W.J. MacKay and the NSW Police, 1910-1948** Richard Evans,2022-08-29 This book tells the fascinating story of William John MacKay a man who dominated policing in New South Wales for three decades until his death in 1948 MacKay was fearless brilliant and ruthless He was responsible for beating up striking unionists but he also smashed the semi fascist New Guard when it was a threat to democracy He reformed and modernized the New South Wales Police Force and he framed innocent men for capital crimes He cracked down on organized crime and corruption and he was himself corrupt Dogged by scandal he was the subject of no fewer than seven royal commissions The story of W J MacKay is also the story of policing in Australia from the 1920s through to the corruption riddled period after the Second World War This gripping history explores the messy complexities of police power and sheds new light on a fascinating period in Australian police history **Australian Newspapers in the Television Age, 1956-2006** Rodney Tiffen,2025-04-15 This book looks at Australian newspapers over the half century following the introduction of television in 1956 Through a quantitative study it illuminates how the nature of news has changed and how central journalistic practices have developed It examines newspapers changing size and structure their story priorities their use of visual aids and interpretive frames their changing range and treatment of sources and how these changes affected their political and international coverage The content analysis shows a dominant theme of growth and improvement Newspapers offered their readers much more at the end of the half century than at the beginning The much larger volume of news was presented in more visually attractive and reader friendly ways than before News agendas expanded in response both to changing reader interests and a changing political environment Newspapers had a more active orientation towards using a wider range of sources All papers shared in the major trends but to varying degrees so that by the end of the period there were sharper differences between the papers than at the beginning Mapping the multi dimensional nature of change in this pivotal period lays a groundwork for analysing the changing nature of journalism during the existential crisis that news organisations are now facing during the digital age *Journal of the Royal Australian Historical Society* Royal Australian Historical Society,1999 Includes the Society s Annual report and statement of accounts Annual Bibliography of the History of the Printed Book and Libraries Department of Information & Collections,2005-12-21 The Annual Bibliography of the History of the Printed Book and Libraries aims at recording articles of scholarly value which relate to the history of the printed book to the history of arts crafts techniques and equipment and of the economic social and cultural environment involved in its production distribution conservation and description **Sydney**

I. Kepars, 2000 Retired from a long career at the National Library of Australia Kepars cites and evaluates 441 references on the capital of New South Wales the host city of the 2000 Olympic Games He arranges them in sections on the people guidebooks the harbor biographies autobiographies memoirs letters and diaries history flora fauna and geology population religion society and social conditions and other broad areas He indexes authors and titles as well as subjects and includes two maps c Book News Inc *Fuss That Never Ended* Deborah Gare, Geoffrey Bolton, Stuart Macintyre, Tom Stannage, 2013-04-18 It is time to reassess the work of Geoffrey Blainey and consider his role in Australian history politics and public life Geoffrey Blainey has steered Australian history into the nation's conversation No one would dispute that he is a courageous public intellectual a writer of rare grace and a master storyteller And he has indeed provoked a rare fuss both public and professional with some of his comments on Asian immigration and Aboriginal land rights Blainey has challenged the academic history profession not only with his ideas but also by his practice A brilliant student he looked set for Oxford but chose instead the austere west coast of Tasmania for his postgraduate research For the next decade he earned a living with his pen And instead of political history in the traditional academic mould he wrote corporate histories that dispensed with footnotes Always probing and speculative Blainey has dislodged many of the keystones in our understandings of Australia's past He was one of the first to write about the expansive social history of this land before 1788 he questioned whether Botany Bay was founded primarily as a convict colony he argued that the Eureka uprising had economic rather than political causes and he identified sport as a neglected key to the Australian character His controversial views earned such newspaper headlines as Brave Man Set Upon by Thugs for Telling Truth In The Fuss That Never Ended a lively and distinguished assembly of fellow historians of various ages interests and political stances take a fresh look at Blainey's remarkable and sometimes controversial career
