Household Words Bloomers Sucker Bombshell Scab Nigger Cyber:

Household Words Stephanie Ann Smith, 2006 Looking in detail at words that treat people as things and things as people and do so at that strange space where joking ridiculing demeaning oppressing resisting and regretting converge Household Words is a study of how certain words act as indices of political and social change perpetuating anxieties and prejudices even as those ways of thinking have been seemingly resolved or overcome by history Specifically Stephanie A Smith examines six words bloomer sucker bombshell scab nigger and cyber and explores how these words with their contemporary universal meaning appeal to a dangerous idea about what it means to be human an idea that denies our history of conflict She traces bombshell from Marilyn Monroe through women's liberation and the sexual revolution to Monica Lewinsky scab from blemish to strikebreaker sucker from lollipop to the routinely cheated Exposing the ambiguities in each of the words Smith reveals that our language is communal and cutting democratic and discriminatory social and psychological Stephanie A Smith is associate professor of English at the University of Florida and the author of *Conceived by Liberty* *Maternal Figures* and *Nineteenth Century American Literature* as well as three novels

The Hidden History of Coined Words Ralph Keyes, 2021-02-19 Successful word coinages those that stay in currency for a good long time tend to conceal their beginnings We take them at face value and rarely when and where they were first minted Engaging illuminating and authoritative Ralph Keyes's *The Hidden History of Coined Words* explores the etymological underworld of terms and expressions and uncovers plenty of hidden gems He also finds some fascinating patterns such as that successful neologisms are as likely to be created by chance as by design A remarkable number of new words were coined whimsically originally intended to troll or taunt Knickers for example resulted from a hoax big bang from an insult Casual wisecracking produced software crowdsource and blog More than a few resulted from happy accidents such as typos mistranslations and mishearing bigly and buttonhole or from being taken entirely out of context robotics Neologizers a Thomas Jefferson coinage include not just scholars and writers but cartoonists columnists children's book authors Wimp originated with a book series as did goop and nerd from a book by Dr Seuss Coinages are often contested controversy swirling around such terms as gonzo mojo and booty call Keyes considers all contenders while also leading us through the fray between new word partisans and those who resist them strenuously He concludes with advice about how to make your own successful coinage *The Hidden History of Coined Words* will appeal not just to word mavens but history buffs trivia testers and anyone who loves the immersive power of language

American women novelists of the late nineteenth and early twentieth centuries registered a call for a new sexual freedom

Dale Bauer contends By creating a lexicon of sex expression many authors explored sexuality as part of a discourse about women's needs rather than confining it to the realm of sentiments where it had been relegated if broached at all by earlier writers

This new rhetoric of sexuality enabled critical conversations about who had sex when in life they had it and how it signified

Whether liberating or repressive sexuality became a potential force for female agency in these women's novels

Bauer explains insofar as these novelists seized the power of rhetoric to establish their intellectual authority

Thus Bauer argues they helped transform the traditional ideal of sexual purity into a new goal of sexual pleasure defining in their fiction what intimacy between equals might become

Analyzing the work of canonical as well as popular writers—including Edith Wharton Anzia Yeziarska Julia Peterkin and Fannie Hurst among others—Bauer demonstrates that the new sexualization of American culture was both material and rhetorical

That could be a person Mrs Robinson product Edsel past bestseller *Catch 22* radio or TV show *Gangbusters* comic strip Alphonse and Gaston or advertisement Where's the beef long forgotten

Such retroterms are words or phrases in current use whose origins lie in our past

Ralph Keyes takes us on an illuminating and engaging tour through the phenomenon that is Retrotalk a journey oftentimes along the timelines of American history and the faultlines of culture that will add to the word lover's store of trivia and obscure references

The phrase drinking the Kool Aid is a mystery to young people today as is 45rpm
