S. Eliot, Volume I** T. S. Eliot, 2018-12-04 The first volume of the first paperback edition of The Poems of T S Eliot This two volume critical edition of T S Eliot's poems establishes a new text of the Collected Poems 1909 1962 rectifying accidental omissions and errors that have crept in during the century since Eliot's astonishing debut The Love Song of J Alfred Prufrock In addition to the masterpieces The Poems of T S Eliot contains the poems of Eliot's youth which were rediscovered only decades later poems that circulated privately during his lifetime and love poems from his final years written for his wife Valerie Calling upon Eliot's critical writings as well as his drafts letters and other original materials Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem This first volume respects Eliot's decisions by opening with his Collected Poems 1909 1962 as he arranged and issued it shortly before his death This is followed by poems uncollected but either written for or suitable for publication and by a new reading text of the drafts of The Waste Land The second volume opens with the two books of verse of other kinds that Eliot issued Old Possum's Book of Practical Cats and Anabasis his translation of St John Perse's Anabase Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants

from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse

Theme and Symbol in Tennyson's Poems to 1850 Clyde de L. Ryals, 2016-11-11 One of Keats finest sonnets begins Much have I traveled yet Keats traveled very little only to Italy where he died Shelley also an introspective and intellectual dabbled in politics often with a comic effect and although he could not swim he was devoted to sailing Wordsworth marched to France praising the Revolution which he later regretted Coleridge wandered to Germany and German metaphysics Later he created the Ancient Mariner which is the mythic centerpiece of the Romantic period Each of these poets feels that the occupation of a poet demand a dedication to a life of action as well as inward discovery Consequently the image of the journey with its double reference to natural and psychic realities is one of the unifying motifs of nineteenth century poetry Alfred Tennyson the author claims was one of the last poets able to make both voyages but he could only do so with great effort and at great expense By nature introspective he found the life of the mind far more appealing than the life of action yet he knew like Milton and Keats before him that great poetry demands the voyage without as well as the voyage within His early poetry then is concerned with the pull of the two voyages and thus it becomes in Arnold s worlds the dialogue of the mind with itself There is for modern readers something intensely interesting about such a divided personality for we see in Tennyson almost the same dilemma that faces contemporary artists Often when we read his poems we feel that Tennyson is of our age But then at times he seems as remote from us as Bishop Wilberforce and his anti Darwin fulminations What then is there about Tennyson that makes him appear so modern and yet so dated The answer is not easily given although this has been one of the primary concerns of Tennyson s critics In this book the author shows how Tennyson became the mental voyager exploring both the inner and outer worlds and further how in making the two voyages he followed the pattern of development of other Romantic artists of the nineteenth century He examines certain themes and images in Tennyson s early verse which in their frequent recurrence attain symbolic status and by doing so he shows that there is a very clear cut pattern in Tennyson s poetry one which is repeated time and again throughout the poet s work to 1850 **Poems and Plays**

Robert Browning, 1922 **Once-Told Tales** Peter Kivy, 2011-03-21 Drawing comparisons with other art forms this book examines the role of aesthetic features in silent reading such as narrative structure and the core experience of reading a novel as a story rather than a scholarly exercise Focuses on the experience of the art form known as the novel Uses the more common perspective of a reader who reads to be told a story rather than for scholarly or critical analysis Draws comparisons with experience of the other arts music in particular Explores the different effects of a range of narrative approaches

Poems of R.P. Blackmur Richard Palmer Blackmur, 2015-03-08 As one of the first and most eloquent spokesmen for the New Criticism R P Blackmur achieved a place of rare distinction in American letters He preferred to think of himself as a poet however and this volume shows that his poetry was in its own right an enduring contribution to literature Included here are *The Second World* 1942 and *The Good European* 1947 as well as *From Jordan s Delight* 1937 described by Allen Tate as

one of the most distinguished volumes of verse in the first half of the century Blackmur was a formalist and a master of traditional versification a poet whose work did not show the influence of Pound and Eliot although he read them closely His poetry impresses the reader with its strength gravity and musicality During his career Blackmur lectured widely in the United States and abroad He was the first man of letters to hold the Pitt Professorship of American History and Institutions at Cambridge University and he was Professor of English at Princeton University where he conceived the Christian Gauss Seminars in Criticism He was a Fellow in American Letters at the Library of Congress a member of the American Academy of Arts and Sciences and Vice President of the National Institute of Arts and Letters Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Poem Electric Seth Perlow, 2018-12-18 An enlightening examination of the relationship between poetry and the information technologies increasingly used to read and write it Many poets and their readers believe poetry helps us escape straightforward logical ways of thinking But what happens when poems confront the extraordinarily rational information technologies that are everywhere in the academy not to mention everyday life Examining a broad array of electronics including the radio telephone tape recorder Cold War era computers and modern day web browsers Seth Perlow considers how these technologies transform poems that we don't normally consider digital From fetishistic attachments to digital images of Emily Dickinson's manuscripts to Jackson Mac Low's appropriation of a huge book of random numbers originally used to design thermonuclear weapons these investigations take Perlow through a revealingly eclectic array of work offering both exciting new voices and reevaluations of poets we thought we knew With close readings of Gertrude Stein Frank O'Hara Amiri Baraka and many others *The Poem Electric* constructs a distinctive lineage of experimental writers from the 1860s to today Ultimately Perlow mounts an important investigation into how electronic media allows us to distinguish poetic thought from rationalism Posing a necessary challenge to the privilege of information in the digital humanities *The Poem Electric* develops new ways of reading poetry alongside and against the electronic equipment that is now ubiquitous in our world

Things in Poems Josef Hrdlička, Mariana Machová, 2022-10-01 In this volume fifteen scholars and poets from Austria Britain Czechia France Germany Ireland Lithuania and Russia explore the topic of things and objects in poetry written in a number of different languages and in different eras The book begins with ancient poetry then moves on to demonstrate the significance of objects in the Chinese poetic tradition From there the focus shifts to things and objects in the poetry of the twentieth and the twenty first century examining the work of Czech Polish and Russian poets alongside other key figures such as Rilke Francis Ponge William Carlos Williams and Paul Muldoon Along the way the reader gets an

introduction to key terms and phrases that have been associated with things in the course of poetic history such as ekphrasis objective lyricism and hyperobjects

Odin's Ways Annette Lassen, 2021-12-24 This book is about the Old Norse god Odin It includes references to all occurrences of Odin in the Old Norse Icelandic texts including Saxo's *Gesta Danorum* the eddic poems Snorri's *Edda* and *Ynglinga saga* and analyses the high medieval reception and literary representations of Odin rather than the religious character of the god This is the only existing study of Odin in all the Old Norse Icelandic texts and applies a contextual method the different guises of Odin are studied on the basis of the various textual contexts and on their background in the literary and Christian intellectual milieu of the time Contrary to existing studies this method is non reductive in that it does not aim at providing a synthesis about Odin's original nature on the basis of the differing textual uses of Odin in the Middle Ages The book argues that the perceived complexity of Odin often highlighted in research is first and foremost a function of the complex textual material spanning a wide variety of genres each with its particular literary conventions and of the reception of Odin in early modern and modern mythological studies

On Belonging and Not Belonging Mary Jacobus, 2024-11-26 A look at how ideas of translation migration and displacement are embedded in the works of prominent artists from Ovid to Tacita Dean *On Belonging and Not Belonging* provides a sophisticated exploration of how themes of translation migration and displacement shape an astonishing range of artistic works From the possibilities and limitations of translation addressed by Jhumpa Lahiri and David Malouf to the effects of shifting borders in the writings of Eugenio Montale W G Sebald Colm Tóibín and many others esteemed literary critic Mary Jacobus looks at the ways novelists poets photographers and filmmakers revise narratives of language identity and exile Jacobus's attentive readings of texts and images seek to answer the question What does it mean to identify as or with an outsider Walls and border crossings nomadic wanderings and Alpine walking the urge to travel and the yearning for home Jacobus braids together such threads in disparate times and geographies She plumbs the experiences of Ovid in exile Frankenstein's outcast Being Elizabeth Bishop in Nova Scotia and Brazil Walter Benjamin's Berlin childhood and Sophocles's *Antigone* in the wilderness Throughout Jacobus trains her eye on issues of transformation and translocation the traumas of partings journeys and returns and confrontations with memory and the past Focusing on human conditions both modern and timeless *On Belonging and Not Belonging* offers a unique consideration of inclusion and exclusion in our world

Medieval Allegory as Epistemology Marco Nievergelt, 2023 This volume shows how late medieval dream poetry explored problems arising from the reception of Aristotle's philosophical work concerning human knowledge Marco Nievergelt explores how the work of three medieval poets in the genre of allegorical fiction addressed these problems in distinctive non academic terms

Delmore Schwartz A. Runchman, 2014-05-07 Taking as its starting point Delmore Schwartz's self appointment as both a poet of the Hudson River and laureate of the Atlantic this book comprehensively reassesses the poetic achievement of a critically neglected writer Runchman reads Schwartz's poetry in relation to its national and international perspectives

Religious Beliefs and

Knowledge Systems in Africa Toyin Falola, Nicole Griffin, 2021-09-21 Key to African studies is understanding the knowledge systems of the continent and her diaspora The representation and understanding of Africa are dependent on the observer's definition of knowledge Afrocentric knowledge is comprised of a collection of political religious and indigenous belief systems Religious Beliefs and Knowledge Systems in Africa begins with deconstructing the Western philosophy of knowledge before defining and exploring the epistemic disciplines of Africa It transcends postcolonial critique through an Afrocentric approach to knowledge divided into three key themes The first of these is the African worldview exploring knowledge through eldership witchcraft and divination This is followed up by kingship ideology and epistemologies exploring discussing how politics religion and belief shape African society Finally the world religion chapter examines Christianity Islam and Pentecostalism in their impact on African ways of knowing This book calls to action new fields of study in universities encouraging a greater understanding of African ways of knowing through more nuanced disciplines **The Poet's Defence**

Singing Word Yisrael Levin, 2016-03-16 Focusing on Algernon Charles Swinburne's later writings this collection makes a case for the seriousness and significance of the writer's mature work While Swinburne's scandalous early poetry has received considerable critical attention the thoughtful rich spiritually and politically informed poetry that began to emerge in his thirties has been generally neglected This volume addresses the need for a fuller understanding of Swinburne's career that includes his fiction aesthetic ideology and analyses of Shakespeare and the great French writers Among the key features of the collection is the contextualizing of Swinburne's work in new contexts such as Victorian mythography continental aestheticism positivism and empiricism Individual essays examine among other topics the dialect poems and Swinburne's position as a regional poet Swinburne as a transition figure from nineteenth century aesthetic writing to the professionalized criticism that dominates the twentieth century Swinburne's participation in the French literary scene Swinburne's friendships with women writers and the selections made for anthologies from the nineteenth century to the present Taken together the essays offer scholars a richer portrait of Swinburne's importance as a poet critic and fiction writer **The**

Contemporary Review, 1879 *Oscar Wilde Eros and Aesthetics* Patricia Flanagan Behrendt, 2016-07-27 This study explores the relationship between Wilde's treatment of sexual subject matter and the development of his literary aesthetics from the earliest volume of poetry through the social comedies which highlighted his career In addition the study considers

the earliest critical responses to Wilde's works since they reveal how references to sexual subject matter particularly to homoerotic themes were received in Wilde's own period
