Feminine Aspects Of Divinity:

Feminine Aspects of Divinity Erminie Huntress Lantero,1973 Women and the Divine G. Howie,2016-04-30 This collection explores the question of whether it is possible to reconceive the category of transcendence from a feminist perspective The contributors use the concept of transcendence to approach questions relating to the body desire and subjectivity while offering a response to secular relativism **Systematic Theology** Francis Schüssler Fiorenza,John P. Galvin,1991-01-01 Unique among contemporary resources the landmark Systematic Theology and its distinguished contributors present the major areas or loci of Roman Catholic theology in light of contemporary developments especially the sea change since Vatican II thought the best new historical studies of traditional doctrines and Scripture and the diverse creative impulses that come from recent philosophy and hermeneutics culture and praxis and ecumenical contacts This new volume combines and updates both previous volumes incorporates into the framework nearly twenty years of fresh thought and bibliography in each area and adds revisions to key articles to take account of a diverse fluid and postmodern situation

Divine Discontent John Moses,2014-06-19 Why does Thomas Merton continue to fascinate and what can he teach us today Divine Discontent explores the paradoxes and contemporary resonances of his life and work Thomas Merton continues to speak with a prophetic voice The 2015 centenary of his birth provides an opportunity to reconsider both the international reputation and the relevance in today's world of a man who still intrigues perplexes and challenges as a Trappist monk as a writer as a contemplative as a social critic and in the context of world faiths as an ecumenist Merton's extensive writings many of which were not available until the late 1980s and 1990s provide the basis of an examination of the various aspects of his story permitting Merton to speak for himself whenever possible but enabling also an analysis of his abiding fascination and the discontents human and divine that dominated so much of his life In the light of all that he has to say we are encouraged to look again at our preconceived ideas about the natural world the prevailing culture abuses of power questions of war and peace institutions and the freedom of the individual contemplation and action and the search for God **Women, Ritual, and Power** Elizabeth Ursic,2014-09-30 Reveals the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy *Women Ritual and Power* is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and

provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider larger group of Christians who would love to have more feminist images than is recognized in churches and church practices Mary McClintock Fulkerson author of *Changing the Subject Women's Discourses and Feminist Theology* Women's Religions in the Greco-Roman World Ross Shepard Kraemer, 2004-03-04 This is a substantially expanded and completely revised edition of a book originally published in 1988 as *Maenads Martyrs Matrons Monastics* The book is a collection of translations of primary texts relevant to women's religion in Western antiquity from the fourth century BCE to the fifth century CE The selections are taken from the plethora of ancient religions including Judaism and Christianity and are translated from the six major languages of the Greco Roman world Greek Latin Aramaic Hebrew Syriac and Coptic The texts are grouped thematically in six sections Observances Rituals and Festivals Researching Real Women Documents to from and by Women Religious Office New Religious Affiliation and Conversion Holy Pious and Exemplary Women and The Feminine Divine Women's Religions in the Greco Roman World provides a unique and invaluable resource for scholars of classical antiquity early Christianity and Judaism and women's religion more generally God, Faith and the New Millennium Keith Ward, 2014-10-01 Does being a Christian in the modern scientific age require intellectual suicide What future for Christianity in the Third Millennium In *God Faith and the New Millennium* Keith Ward has produced a powerful and upbeat study of Christian belief that tackles questions such as these head on In what he describes as a summary of his life's work on Christianity religion and science Ward's new and positive interpretation presents a Christian faith in harmony with the scientific worldview while remaining true to its traditions This is a cutting edge study that will provoke and inspire every Christian and anyone interested in the debate on the role of faith in the modern world Through his examination of key issues such as Creation evolution and the divine purpose Ward demonstrates that there is a natural fit between the scientific worldview and mainstream Christian beliefs Christian faith gives insight into the meaning and purpose of the universe the physical structure of which modern science has marvellously discovered *Stranger in a Strange Land* George Prochnik, 2017-03-21 Taking his lead from his subject Gershom Scholem the 20th century thinker who cracked open Jewish theology and history with a radical reading of Kabbalah Prochnik combines biography and memoir to counter our contemporary political crisis with an original and urgent reimagining of the future of Israel In *Stranger in a Strange Land* Prochnik revisits the life and work of Gershom Scholem whose once prominent reputation as a Freud like interpreter of the inner world of the Cosmos has been in eclipse in the United States He vividly conjures Scholem's upbringing in Berlin and compellingly brings to life Scholem's transformative friendship with Walter Benjamin the critic and philosopher In doing so he reveals how Scholem's frustration with the bourgeois ideology of Germany

during the First World War led him to discover Judaism Kabbalah and finally Zionism as potent counter forces to Europe's suicidal nationalism Prochnik's own years in the Holy Land in the 1990s brings him to question the stereotypical intellectual and theological constructs of Jerusalem and to rediscover the city as a physical place rife with the unruliness and fecundity of nature Prochnik ultimately suggests that a new form of ecological pluralism must now inherit the historically energizing role once played by Kabbalah and Zionism in Jewish thought [Change Your Encodements, Your DNA, Your Life!](#) Cathy

Chapman, 2005-11-01 The first part of this book discusses what you call love Love is the most powerful energy you are made of this energy so when you learn to harness it you can do whatever you wish to do in your life The second part contains powerful techniques for working with your DNA encodements Discover how this process works so that you can make great changes in your life Encodements will help you to do what some would call miracles The third part contains what some call predictions which are nothing more than my reading and interpretation of the energy at the time when the energy was read Predictions can be changed to have a more positive result the point of my making predictions is so that you can change them Dear one each time you begin reading I suggest that you do the following Breathe in and out of your heart center and set your intention to tap into the energy of the message you are reading Ask that you be given the secrets contained within the message and ask to be shown how to implement these secrets The powerful knowledge you hold in your hands is dormant unless you choose to use it Have fun exploring As you read I will have one hand upon your heart and one hand touching your mind I am Amma the divine mother of the divine mothers and I am your mother *Your Seven Energy Centers* Elizabeth Clare Prophet, Patricia R. Spadaro, 2020-09-23 Marries ancient healing wisdom with practical spiritual insights to help you create your own dynamic and uniquely personal healing journey Your 21st century guide to integrating and healing body mind and soul Ann Louise Gittleman New York Times bestselling author of more than 30 books on health and nutrition There's more to you than meets the eye Your Seven Energy Centers contains powerful insights and tools for wholeness based on the science of the body's subtle energy system It draws from the wisdom of the world's spiritual traditions to show how you can nurture your soul through seven stages of personal growth Includes an overview of holistic techniques that help restore the body's energetic balance from homeopathy vitamins and spa therapies to meditation affirmations and visualization

Women, Religion, and the Gift Morny Joy, 2016-10-19 This book introduces the special dynamics of women and their close relationships with the gift in both past and contemporary religious settings Written from a cross cultural perspective it challenges depictions of women's roles in religion where they have been relegated to compliance with specifically designated gendered attributes The different chapters contest the resultant stereotypes that deny women agency Each chapter describes women as engaged in an aspect of religion from that of ritual specialists to benefactors and patrons or even innovators The volume examines topics such as sainthood and sacrifice so as to refine these ideas in constructive ways that do not devalue women It also examines the meaning of the term gift today embracing the term in both figurative and literal ways Such a

collection of diverse women's writings and activities provides a significant contribution to their quest for recognition and also suggests ways this can be understood and realized today

The Maternal Image of God in Victorian Literature

Rebecca Styler, 2023-07-10 This book is the study of a religious metaphor the idea of God as a mother in British and US literature 1850-1915 It uncovers a tradition of writers for whom divine motherhood embodied ideals felt to be missing from the orthodox masculine deity Elizabeth Gaskell Josephine Butler George MacDonald Frances Hodgson Burnett and Charlotte Perkins Gilman independently reworked their inherited faith to create a new symbol that better met their religious needs based on ideal Victorian notions of motherhood and Mother Nature Divine motherhood signified compassion universal salvation and a realised gospel of social reform led primarily by women to establish sympathetic community Connected to Victorian feminism it gave authority to women's voices and to feminine cultural values in the public sphere It represented divine immanence within the world often providing the grounds for an ecological ethic including human animal fellowship With reference also to writers including Charlotte Brontë Anna Jameson Charles Kingsley Elizabeth Charles Theodore Parker Harriet Beecher Stowe Mary Baker Eddy and authors of literary utopias this book shows the extent of maternal theology in Victorian thought and explores its cultural roots The book reveals a new way in which Victorian writers creatively negotiated between religious tradition and modernity

The Divine Mosaic Theresa King,1994 A journey with twenty four women from many religious traditions who look into the face of God and tell us what they see experience and feel the divine in their lives The Messianic Disruption of Trinitarian Theology Kornel Zathureczky,2009-03-16 The unsettling context of late modernity a terrain of an infinite fragmentation of life poses a challenge to Christianity to rearticulate its defining doctrine of the Trinity Christianity's initial messianic weakness_in that its canonical writings attest to a universal message of redemption for the victims of Empire_was subverted into the strong theology of the Empire This book demonstrates that Trinitarian discourse was profoundly implicated in this development as it essentially absorbed and took the bite out of the messianic language of the early Christian movement Zathureczky proposes a retrieval of the messianic discourse of Christianity by way of recapturing its redemptive weakness Relying on an elective affinity between Walter Benjamin's messianism and Jürgen Moltmann Trinitarianism he attempts to recapture the weakness and fragility of the language of the initial messianic impulse of the Christian community The resulting weak Trinitarianism retains the basic character of Christianity as a Trinitarian faith but now Trinitarian discourse about God is simultaneously messianic discourse a language that is attuned to give voice to the damaged lives and alienating conditions of our contemporary context Experiencing God Kenneth Leech,2002-07-17 Vast in scope rich in insight and eminently readable Worship This is a book about the God the many splendored God to whom the human community journeys It's pages offer sage direction for anyone who wants to improve the quality of his or her life as a pilgrim Experiencing God may well become a major pastoral contribution to the formation of a biblically and theologically sound contemporary theology New Catholic World Succeeds admirably in what it sets out to do to introduce lay Christians in a way that engages them personally to the rich resources which the Christian tradition offers those who seek a practical path for approaching God Those unacquainted with that tradition will find it most helpful but spiritual directors will also find here a useful readable resource for enriching their personal lives and ministry Theological Studies A landmark Review and Expositor **Religion Today: A Reader** Susan Mumm,2017-05-15 Organized by themes which are central to understanding religion today Suitable for advanced undergraduates emphasis on controversy and debates in the field International range of sources and religions Includes popular as well as scholarly sources *The Gift of the Other* Lisa Guenther,2012-02-01 Winner of the 2007 Symposium Book Award presented by Symposium Canadian Journal of Continental Philosophy The Gift of the Other brings together a philosophical analysis of time embodiment and ethical responsibility with a feminist critique of the way women's reproductive capacity has been theorized and represented in Western culture Author Lisa Guenther develops the ethical and temporal implications of understanding birth as the gift of the Other a gift which makes existence possible and already orients this existence toward a radical responsibility for Others Through an engagement with the work of Levinas Beauvoir

Arendt Irigaray and Kristeva the author outlines an ethics of maternity based on the givenness of existence and a feminist politics of motherhood which critiques the exploitation of maternal generosity Kabbalah David S. Ariel, 2006 In the wake of the renewed interest in Kabbalah comes a thoroughly updated edition of Ariel's classic best selling book The Mystic Quest Ariel beautifully presents the complex elements of Jewish mysticism's major ideas in clear understandable and accessible language
