If God is in Control, why is My World Falling Apart? Verna Birkey,1990 *Untying God's "Nots"* Troy J.

Edwards,2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54 15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God s character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible s teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ s victory over him Tilling the Soul

Denise George,2005 In this six book series each book an eight week daily devotional study personal meaningful interaction with Scripture coupled with a gardening theme offers a deep and personally challenging growth experience **Made for More** Winter Hall,2022-08-24 Does it feel like your world has been turned upside down and no one knows how you feel or can relate to what you re going through Winter Hall found herself in such a dark moment after the death of her father who had walked her down the aisle a year earlier holding her up while her legs shook with nervous energy She had always been a daddy s girl She turned to the one she has always been able to count on the Lord In these inspirational reflections she shares the lessons and encouragement she has received while seeking God during turbulent times She asks readers to consider questions such as At what points in your life were you able to identify God s plan falling into place How can you overcome moments of soul wrenching pain Are you failing to identify moments that reveal the goodness of God Whether you re suffering from the loss of a loved one battling an illness or simply going through a challenging time you ll find strength and comfort in this book Her hope and prayer is that you are able to connect with and get encouragement from the stories in this devotional and as you seek God you find him in your dark moments too Living for God isn t easy but it s definitely worth it The biggest life lesson the author shares is that it s not about your hurt your pain your joy or your wants It s about God

Answered Prayer Mary-Ann Coetzee,2012-10-02 Have you ever wondered if

God is real and does answer prayer Among the pages of this book you will find different instances of Gods great mercy as He answers prayers The author had an unexplained desire to write this book She wanted to stay in Gods will for her life and she prayed the following prayer in private Our Heavenly Father I dont understand why I have such a desire to write this book but please confirm if it is your will for me to write this book in a way that I would be sure and may your will be done in each and every persons life that reads this book She prayed the prayer Thursday morning while driving to work That Sunday while they were in church listening to the pastor while he was preaching up a storm something remarkable happened The pastor

raised his hand and pointed right at the author and said God said He will bless your book His human element came in and he realized what he just said He looked at the author and said and you are writing a book aren't you she replied Yes I am and not even my husband knew about it This is a story of God's gracious kindness Through this book the message is conveyed that God is still a God who answers prayers no matter what circumstances you find yourself in and that there is no sin or circumstance that is beyond God's grace When we are at the end of our road God thrushes open a way for us God answering prayer changed the destiny of a young girl from despair to one filled with hope The author was 24 years old when she was diagnosed with Systemic Lupus Erythmatosus SLE One of the prayers that were answered by God was to show her how to beat this incurable disease which God did God's great wisdom is proclaimed when He showed the author the way how to beat a disease as fierce as Systemic Lupus Erythmatosus or more commonly known as Lupus This book contains Dr Johanna Budwigs a German premier biochemist cure for cancer The cure can also be used to prevent cancer from developing May this book be a blessing to you and may you find your miracle **Got Fruit?** Robert and Lisa Laizure, Robert Laizure, 2006-12

all denominations of Christianity today Many problems that stem from these unresolved issues have been inherited by all denominations for example the author believes that the Athanasian Creed while right in its original intent has been misunderstood by everyone for many centuries This has been compounded by the fact that for many years there have been growing doubts about the divinity of Christ and the doctrine of the Trinity even among scholars and teachers making it difficult for them to explain and defend the faith to an increasingly skeptical world Meanwhile its vocal critics do not realize that many of the ideas that they are challenging stem from mistaken assumptions from the past not with the faith itself it is urgent that these issues be examined and the distortions resolved Diana Spencer is a retired Anglican priest although the views expressed in this book are her own It was written in the hope that all denominations of Christianity would think about and discuss the issues raised Born in England in 1935 she came to Canada at the age of twenty one is widowed and living in Victoria
