My Power, My Pleasure, My Pain, My Life in Poetry Michael Wade,2010-12-06 My Power My pleasure My pain cuts deep into emotions from the revealings of truths we encounter and relate to in our everyday lives For instance the poem Gladiator is a perfect example of how we as people fight our own demons with the struggles of good or bad right or wrong and the plethora of difficult choices that could ultimately change our lives for the better or worse Mizchief s Dead i s another powerful and riveting poem demonstrating we reap what we sow and we can t change what s been done But when the journey is at the end we must still chose our fate still fighting the evil trying to trap our souls into misery Then the question remains which road will you take The light or the dark In the end the choice is ultimately yours Great ending for the book

Product of My Creation: The Evolution of Man, Volume 2 Maurice Cade,2022-05-23 This book is a lyrical journey through a pivotal part of my youth It tells the story of my transformation from a product of my environment into the product of my own creation It all starts with recognizing that my intense desire for love came from not receiving it at home from my parents and then trying to find that love from someone else in the world Through TV and media the narrative of finding someone to love overtook my life But through many experiences I learned that loving myself was my job to do Yes my environment raised me and instilled a lot into me both good and bad but it is also my job as a responsible adult to address and change all the parts of me that no longer serve me I tried on a lot of different hats and personalities to find the kind of person that I wanted to be When it was all said and done the product of my creation is a new man that I can be proud of

deserves **The Art of Loving a Black Woman** Ponce W. Deleon, 2012-08 The Art Of Loving A Black Woman was inspired by the many beautiful black women that I see in my urban community I also intended this work of poetry to be a pedestal to promote the bonding of black men and women I feel there is a need for black men to bring back respectable love for black women A respect that stemmed from the bosom of Africa on through slavery but deteriorated in the 1980 s and seems to be depleting in this twenty first century I feel more men should step up to the plate and express the way they feel about the beauty and grace of our women I decided to be one of those black men and this work of art is dedicated to the strong black mothers sisters daughters and to the black community in general I have tried to compile a complete 360 degree view of a black woman and a black man s feelings when pertaining to her This 360 degree view is urban poetry inspired by relationships built upon marriage sexual relationships friendship relationships courting relationships spiritual relationships erotic filled relationships and most importantly love filled relationships I find this is the ultimate poetry guide to aid black men in The Art Of Loving A Black Woman *The daughter of night* Stephen Watson Fullom, 1855
