Accessing History Britain 1485-1750 Mainstream Teacher Book Dean Smart, 2005-08 At the heart of this series is the idea that visual resources can be used to inspire and motivate the full range of student abilities Accessing History 1 offers a wealth of fascinating and colourful images for each of the main study unit periods with three separate objectives to use with the images

The Early Reformation in Europe Andrew Pettegree, 1992-10-08 In the generation that followed Martin Luther's protest the evangelical movement in Europe attracted very different levels of support in different parts of the continent Whereas in eastern and central Europe the new movement brought a swift transformation of the religious and political landscape progress elsewhere was more halting in the Mediterranean lands and western Europe initial enthusiasm for reform failed to bring about the wholesale renovation of society for which evangelicals had hoped These fascinating contrasts are the main focus of this volume of specially commissioned essays each of which charts the progress of reform in one country or region of Europe Written in each case by a leading specialist in the field they provide a survey based on primary research and a thorough grasp of the vernacular literature For both scholars and students they will be an invaluable guide to recent debates and literature on the success or failure of the first generation of reform

The Care of Brute Beasts Louise Hill Curth, 2010 This book is about medical beliefs and practices for animals in early modern England Although there are numerous texts on human health this is the first to focus exclusively on animals during this period For most academics the foundation of the London Veterinary College in 1791 marks the beginning of modern veterinary medicine with the period before unworthy of serious study In fact there is ample evidence of how the importance of animals resulted in a highly complex system of both preventative and remedial care This book is divided into sections which start by setting the scene with an overview of animals in early modern England and the contemporary principles behind health and illness It moves onto an examination of the medical marketplace and printed literature on animal health care followed by an in depth look at preventative and remedial methods It ends by addressing the question of what impact if any new colleges had on veterinary beliefs and practices

The Scottish Glass Industry 1610-1750 Jill Turnbull, 2001 Glassmaking was one of the earliest manufacturing industries to be set up in Scotland but one about which little information has been published This monograph aims to rectify that situation by documenting the early days of Scottish glass production from the granting of the first patent in 1610 up to the mid 18th century

The Gendering of Global Finance L. Assassi, 2009-10-22 This book explores the gendered nature of the historical emergence of modern finance markets and their expansion to a now global scale It analyses the ways in which women were and still are marginalized in terms of financial activity and associated structures of power which play a critical role in shaping the contemporary global political economy

Elite Women and Polite Society in Eighteenth-century Scotland Katharine Glover, 2011 Women are shown to have played an important and very visible role in society at the time Fashionable polite society of this period emphasised mixed gender sociability and encouraged the visible participation of elite women in a series of urban often public settings Using a variety of sources both men's and women's correspondence accounts bills memoirs and other family papers this book investigates the ways in which polite social practices and expectations influenced the experience of elite femininity in Scotland in the eighteenth century It explores women's education and upbringing their reading practices the meanings of the social spaces and activities in which they engaged and how this fed over into the realm of politics and the fashion for tourism at home and abroad It also asks how elite women used polite social spaces and practices to extend their mental horizons and to form a sense of belonging to a public at a time when Scotland was among the most intellectually vibrant societies in Europe

The British Delegation and the Synod of Dort (1618-1619) Anthony Milton, 2005 Edition of documents many never previously published shedding new light on the role played by the British delegates at the Synod of Dort The Synod of Dort 1618-19 was one of the most remarkable and important gatherings of Protestant divines ever assembled Summoned to resolve doctrinal disputes in the Netherlands it involved theologians from a number of other countries including Britain The precise role played by delegates of the Church of England at the synod has been the subject of intense disagreement ever since Drawing on new sources discovered in English and Dutch archives this volume provides a wide ranging collection of edited documents many previously unpublished which make it possible for the first time to construct a thorough and fully contextualized account of the role played by the British delegates Different sections of the book tackle the political and theological background to the synod the submissions of the British delegation on issues ranging from predestination and episcopacy to catechizing and bible translation and also the aftermath of the synod and the later defences of it by the British delegates The primary source material is set in context by a substantial introduction which argues for a major reassessment of the role of the British divines at the synod and emphasizes the importance of the event in allowing historians to study the detailed interaction of British and continental thinkers at a vital period in the emergence of an Anglican identity Dr Anthony Milton is Reader in History at the University of Sheffield

The Jews Harp in Britain and Ireland Michael Wright, 2017-07-05 The Jews harp is a distinctive musical instrument of international importance yet it remains one of those musical instruments like the ocarina kazoo or even the art of whistling that travels beneath the established musical radar The story of the Jews harp is also part of our musical culture though it has attracted relatively little academic study Britain and Ireland played a significant role in the instrument's manufacture and world distribution particularly during the nineteenth and first half of the twentieth centuries Drawing upon previously unknown written sources and piecing together thousands of fragments of information spanning hundreds of years Michael Wright tells the story of the Jews harp's long history in Britain and Ireland Beginning with an introductory chapter describing the instrument Part One looks at the various theories of its ancient

origin how it came to be in Europe terminology and its English name Part Two explores its commercial exploitation and the importance of the export market in the development of manufacturing Part Three looks the instrument s appearance and use in art literature and the media finally considering the many players who have used the instrument throughout its long history

Woman and the Feminine in Medieval and Early Modern Scottish Writing Evelyn S. Newlyn,2004-04-29 This collection is the first critical and theoretical study of women as the subjects of writing and as writers in Medieval and Early Modern Scottish literature The essays draw on a diverse range of literary historical cultural and religious sources in Scots Gaelic and English to discover the complex ways in which Woman was represented and by which women represented themselves as creative subjects Woman and the Feminine in Medieval and Early Modern Scottish Writing brings to light previously unknown writing by women in the early modern period and offers as well new interpretations of early Scottish texts from feminist and theoretical perspectives
