Il Modus Digressivus Nelle Divina Commedia Scripta Humanistica:

Dante's Epistle to Cangrande Robert Hollander, 1993 Essential reading for Dante scholars *The Portable Dante*
Dante Alighieri, 2003-07-29 The famed Italian poet Dante Alighieri's two masterworks *The Divine Comedy* and *La Vita Nuova* in one volume A Penguin Classic As a philosopher he wedded classical methods of inquiry to a Christian faith As an autobiographer he looked unsparingly at his own failures to depict universal struggles As a visionary he dared draw maps of Hell with Purgatory and Paradise and populate all three realms with recognizable human beings As a passionate lover he became a poet of bereavement and renunciation As all of these Dante Alighieri paved the way for modern literature while creating verse and prose that remain unparalleled for formal elegance intellectual depth and emotional grandeur *The Portable Dante* captures the scope and fire of Dante's genius as thoroughly as any single volume can It contains complete verse translations of *The Divine Comedy* and *La Vita Nuova* as well as a bibliography notes and an introduction by the eminent scholar and translator Mark Musa For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Dante Robert Hollander, 2001-01-01 *The Divine Comedy* completed around 1320 is a supreme work of the imagination None of Dante's other works nor even all of his other works taken together can rival the *Comedy* How did the Florentine exile come to create this masterpiece What steps in his development can explain the making of this extraordinary poem In this book a preeminent Dante scholar turns to the poet's body of works the only real biography of Dante that we have to illuminate these questions Through an exposition of Dante's other writings Robert Hollander provides a concise intellectual biography of the writer whom many consider the greatest narrative poet of the modern era Hollander writes for those who have already encountered the *Comedy* suggesting to these readers how Dante's other works relate to the great poem and inviting them to reread the *Comedy* with new interest and understanding *Purgatorio*
Dante, 2012-07-25 Jean Hollander an accomplished poet and Robert Hollander a renowned scholar and master teacher whose joint translation of the *Inferno* was acclaimed as a new standard in English bring their respective gifts to *Purgatorio* in an arresting and clear verse translation Featuring the original Italian text opposite the translation their edition offers an extensive and accessible introduction as well as generous historical and interpretive commentaries that draw on centuries of scholarship and Robert Hollander's own decades of teaching and research In the second book of Dante's epic poem *The Divine Comedy* Dante has left hell and begins the ascent of the mount of purgatory Just as hell had its circles purgatory situated at the threshold of heaven has its terraces each representing one of the seven mortal sins With Virgil again as his guide Dante climbs the mountain the poet shows us on its slopes those whose lives were variously governed by pride envy

wrath sloth avarice gluttony and lust As he witnesses the penance required on each successive terrace Dante often feels the smart of his own sins His reward will be a walk through the garden of Eden perhaps the most remarkable invention in the history of literature *Vita Nuova* Dante Alighieri,1992 Dante s first major work links 31 poems inspired by his love of Beatrice with a prose narrative that celebrates the subject of love while commenting on the nature of the poet s art
