Jane Addams:

The Social Thought of Jane Addams Jane Addams, 1982 Jane Addams James Weber Linn, 2000 Jane Addams is most widely remembered as a founder of Hull House but her social vision extended far beyond Chicago's Halsted Street. The first real adventurer in the unexplored territory of social amelioration in America, Addams worked tirelessly on behalf of a multitude of social causes including industrial and educational reform, drug laws, sanitation, disaster relief, and food purity. In 1931 she won the Nobel Prize for Peace, a tribute to the decades of energy and eloquence she devoted to eradicating intolerance and elevating human life to a more humane standard. James Weber Linn's life of this forceful public figure offers a rare glimpse of the private Addams from her childhood and schooling through her first efforts in public service and her rise to a position of national influence. Linn's biography is based on Addams's personal papers, which she turned over to him before she died, files of her manuscripts published and unpublished, along with all of her letters and papers from her first valentine to her last speech. Out of this treasure trove, in combination with Addams's substantial published works, he has written a unique life of his aunt, beautifully illuminating her private reflections and inner strength as well as her formidable public persona.

Jane Addams - Twenty Years at Hull-House Jane Addams, 2024-07-10 *Twenty Years at Hull House* was one of the several works written by Jane Addams in her lifetime and was published in 1910. This work is a powerful and revealing autobiography in which Addams narrates her journey as a social reformer and the founder of Hull House, offering an intimate and profound view of her life and the challenges faced during her advocacy for social justice. Over time, various biographies have been written and continue to be written about this iconic social worker and activist with increasing quality and scope. However, to understand the thoughts and character of a real person, there is nothing better than hearing the story with all its circumstances, mistakes, and successes told by the one who lived it firsthand.
