## Jason Leonard:

**Loose Head** Joe Marler, 2020-10-01 SHORTLISTED FOR THE TELEGRAPH RUGBY BOOK OF THE YEAR The truth about being a rugby player from the horse's mouth This book is not just about how a psychiatrist called Humphrey helped me get back on my horse and clippity clop all the way to the World Cup semi final in Japan It's the story of how a fat kid who had to live up to the nickname Psycho grew up to play and party for over a decade with rugby's greatest pros and live weird and wonderful moments both in and out of the scrum That's why I'm letting you read my diary on my weirdest days You never know what you're going to get with me From being locked in a police cell to singing Adele on Jonathan Ross I'll let you decide which is worse being kissed by a murderer on the number 51 bus to drug tests where clipboard wielding men hover inches away from my naked genitalia melting opponents in rucks winning tackles and generally losing blood sweat and ears in the name of the great sport of rugby This is how not to be a rugby player *Jason Leonard: The Autobiography* Jason

Leonard, 2012-08-02 Leonard's story starts as rugby started in the amateur days when the Cockney Carpenter began playing for Barking and Saracens in the days before multi million pound business owners and sponsorship deals His big break came when he was invited to join the England squad for their tour to Argentina in 1990 and has been capped 100 times *The Spirit's Plea: Chief Joseph's Own Words* John Irwin, 2007-02 The Spirit voice of Chief Joseph heard over the grave of his father pleads for forgiveness for losing the lands where their ancestor's bones lie buried It sets in motion an epic court room drama where characters and history come alive This fast paced gripping novel may well prove too powerful for the timid reader It is real life and real history intertwined among a cast of unforgettable fictional characters who will remain with the reader forever If there is a comparison of this work to any classic frontier novel this one will rate among the very best Jason

Leonard Jason Leonard, Alison Kervin, 2002-10 Leonard's story starts as rugby started in the amateur days when the Cockney Carpenter began playing for Barking and Saracens in the days before multi million pound business owners and sponsorship deals His big break came when he was invited to join the England squad for their tour to Argentina in 1990 It was a tour that precipitated one of the greatest periods in the history of the British game and Leonard provides an insight into life behind the scenes with England and his new club Harlequins as the personal records continued to tumble Rob Andrew Will Carling Lawrence Dallaglio Brian Moore Dick Best and Clive Woodward are just some of the high profile characters of whom Leonard has plenty of stories to tell He also recalls some of the greats such as David Campese and Jonah Lomu whom he has played with or against on Lions tours for the Barbarians and in three World Cups **Chronicity Enquiries: Making Sense of**
